Open Call // kodekü 2023
2-week art residency in Weißwasser
Application deadline: 19.02.2023

"Kodekü" is a special residency for artists, which took place for the first time in 2020 in Bischofswerda and has been successfully continued in recent years.

Visual artists, filmmakers, artists, authors, musicians and much more from all over Europe come into the region Lausitz and work on artist projects for two weeks. But the artists shouldn't just create new works, they should come into contact with the people of the Lausitz. The aim is to make the region more colourful, livelier and, above all, more open. The conclusion is an interactive exhibition in which the works created are presented and a diverse supporting program with workshops and live music is offered. The fourth edition will take place in Weißwasser in 2023.

National and international freelance artists and students from all areas of the visual and performing arts are eligible to apply. The Neuffert Bau in Weißwasser serves as a common working space.

www.neuffertbau.de/gebaeude

This offers enough space to work together and to provide everyone with their own working area. Overnight accommodation with shared living and sleeping quarters is available at the Weißwasser station.

<https://www.station-weisswasser.de/>

But of course we don't just want you to work in silence. We would like you to get to know our region and its people, as well as the other artists, and to exchange ideas. The impressions gained should be processed in your artist work. To support you in this, we will go on excursions into the region. We will live and work together from 20th August to 3rd September 2023; the final event will take place on 2nd September 2023. The whole city can and should be used as a working space.

Do you want to participate in the intensive networking, the creation of access to art for all and the sustainable revitalisation of the region in and around Weißwasser? Then contact us with your concrete idea where you see your contribution to the "Collision of the Arts".

We are looking for project ideas with a focus on the participation of local residents. In return, we will support you with a varied programme during the working phase, free board and lodging and a fee of 700€. You have to bring the necessary materials for your special technique. We provide some basic materials. We will discuss details in advance. In order to make intensive use of our time together, we will all be actively on site during the entire project.

You can find more information and videos about our project [here](#)

Project description

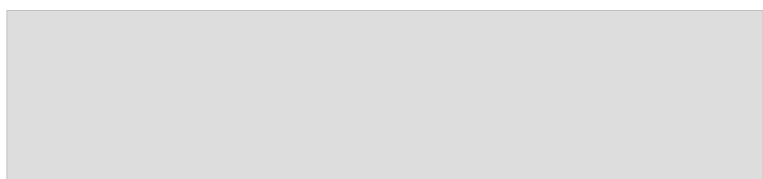

In order to make it possible for you to work without barriers, we will be happy to help you find contacts, material and places to work within the scope of our possibilities. If you need something special, please note it here so that we can start a dialogue afterwards.

Requirements for the place of work

Required working materials
or contacts

Declaration of consent

I agree that my data (first name, surname, place) and photo and image motifs sent in as part of the application for the "Collision of the Arts" and subsequently will be administered by the latter and published for the purpose of presenting the project (on its website, its print media as well as its social media channels).

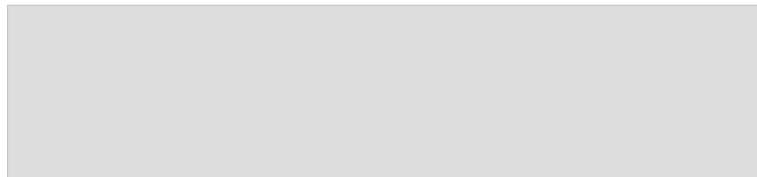

I guarantee that I am authorised to make the above commitments and that no third party rights conflict with them.

The project assures that personal rights will be respected.

I know that I can revoke this written promise at any time with effect for the future. In the event of revocation, all data and images will be deleted. This does not apply to publications or media already published.

I do NOT want any pictures of me to be published.

Date/Signature

Submission checklist

- Application form
- Image of self for publication on social media
- 3 images of artistic works for publication on social media
- Declaration of consent Photo
- Portfolio as PDF (max. 15 MB)

Please send the completed and signed form and the other required application documents (please note the file sizes) to info@kodekue.de by **19.2.2023**. Incomplete applications or too large or incorrect file formats cannot be considered.

We look forward to receiving your application. If you have any questions, you can reach our project manager Anja Herzog on workingdays from 1 to 6 p.m. at +4915228399042 or at info@kodekue.de.
