### Speaker Biography

**Emily Wilson-Gavin**  
**External Affairs Manager, Cadent Gas**

Emily has more than a decade's experience in Government relations, specialising in governance, policy making and implementation for the energy and transport industry sectors. Through this she has built a proven track record of developing strong and progressive relationships with policy makers, legislators and Government officials at devolved, national and European level.

Having worked in the public sector, on behalf of a national off-grid industry body and now for the gas network Cadent, she has a comprehensive understanding of decarbonisation and infrastructure policy and the associated challenges and opportunities facing the industry from multiple perspectives.
