President's Report:

Hi All

Wasn't it fantastic to listen to the enthusiasm of the twins Liam & Jerome Hughes last week ,we wish them all the best in the upcoming council elections. Thanks to Warwick for organizing them to come on to speak.

We have our sister club Christchurch Sunrise joining us this week so it would be great to see a few more faces on the screen lending support.

We had our board meeting on Monday night via zoom, and so if anything came out of that I'll report back to the members.

Cheers, Shane

Interact Update:

This week's Interact Update...

Monday was the first day of term 4 for school and we had an enthusiastic 22 people attend the Interact Club's meeting. The meeting is run entirely by the students and under the outstanding leadership of President Michaela, these are meetings that could teach lots of people how to get things done!!!

They are fast-paced, engage the members, draw ideas from everyone, make decisions, allocate responsibilities and have an action plan for the next 2 weeks ahead of the next meeting.

Recognising the difficulties of a progressive return to school, and the pressures coming up on exams etc, the club has deferred what they call "major projects" for 2021. What they have decided is that for the remainder of 2020, the emphasis is on gathering donations for "care packages" to support local homeless and others in need.

They are looking at the sort of items they want to source, how they will gather physical donations, the possibility of a fundraiser to assist in purchasing items they cannot get donated. Different people have volunteered to follow up different parts of the initiative, including one who has a contact with a local charity that can assist them in terms of distribution etc. One will also be touching base with Phil to see how Soles4Souls may become part of the project.

Shane is planning to attend the next meeting in 2 weeks and I am keen over the months ahead to connect other club members with Interact. If anyone has a particular interest in connecting with Interact, please let me know.

- Peter Cracknell – RFS Interact Co-ordinator

From Last Meeting:

At the last meeting, it was brought up that one of the few opportunities for fundraising during Lockdown is walking with sponsorship linked to daily steps. Phil and Jason have done a great job hunting down both existing Fundraisers and Causes.

For the Club's consideration here is what they found:

ABOUT THE EVENT: Join the FREE Walk Run + Roll virtually in Victoria this October 17 & 18.

No matter where you live, you can now take part virtually and walk, run or roll to support people living with multiple sclerosis.

Join thousands of Victorians raising vital funds to support the 25,600 people living with multiple sclerosis in Australia.

From Shepparton to Safety Beach, Wangaratta to Warrnambool show us how you are supporting people living with MS this October. Whether you take part from home, at the gym or in the great outdoors, being active is a wonderful way to reduce stress levels and maintain overall health.

With no registration fee more people can join the MS Virtual Walk Run + Roll - Victoria and ensure that people living with multiple sclerosis get the vital support they need to meet their goals, and thrive in their workplace, home and community.

Sign up and join thousands of Victorians this Spring, to make sure no one faces MS alone.

TRACK YOUR KMS, TELL YOUR FRIENDS, AND FIGHT MS!

VIRTUAL WALK, RUN + ROLL - VICTORIA CHOOSE YOUR DISTANCE FROM EITHER 5KM OR 10KM

About Peninsula Active E-Scape:

- A Virtual Event

- The Peninsula Active E-Scape has been designed with the following in mind...

- Encourage participants to get out and enjoy their favourite activity.

- Running, walking, cycling, paddling, swimming etc - all count!

- Give everyone something to look forward to in the current Covid life we're living.

- Enjoy a GROUP activity safely, but virtually. You need to be part of a Group or during registration pick one of the prepared Groups.

- Raise some much needed funds for our key beneficiaries.

Entry is by donation, so can be FREE and you can still get Bib and Medal. We encourage a small donation to support our charities that normally benefit from our Fun Run.

The data that we receive during the whole of November, from all the individuals and groups for the duration of the event will be accumulated online and will show us how far across the country we've travelled. Let's escape Melbourne and head to Queensland... virtually of course!

We will have weekly awards that are not necessarily related to the fastest or longest distance – something everyone could participate in – its about participating and having fun.

Registration is FREE, but we'd encourage you to support our beneficiaries through donation when you sign up. They have all provided valuable services to the community during the Covid crisis.

· Kindred Clubhouse - Mental Health Services in a club environment.

• Sikh Volunteers – They have delivered 100,000+ free meals just during the Covid period! They also normally volunteer to help with our fun run each year.

• State Emergency Services – every year this group of volunteers help 1000's of people.

Organised by Frankston Peninsula 2.0 in place of our annual Fun Run at the end of November and also supported by our local Council, Frankston City Council. We thank Frankston Council for their contribution to encourage positive activity in this Covid environment.

You can participate through most activities, as long as you are active and can measure distance. Can be Running, Jogging, Walking, Cycling, Wheelchair, Skateboard (non powered), Swimming, Paddling etc.

NOTE: You will have to record it as a Run for Strava to share information to our Challenge site – more about this can be found here. Also, if you wish you can enter manually directly on Challenge Hound site.

When signing up, you can create or join a group you or a friend has created or select one of the pre-listed groups to join. As a group member you still do your own thing, whatever mix of activity types you like – your Km will total up as a group and then tracked on our map. E-Scape from Melbourne and head to Queensland!

See how far into Queensland you can get as a group.

Rotary's 4 Way Test:

1. Is it the TRUTH?

2. Is it FAIR to all concerned?

3. Will it build GOODWILL & BETTER FRIEND-SHIPS?

4. Will it be BENEFICIAL to all concerned?

Director's Reports:

Finance and Fundraising:

Pretty quiet on the finance and fundraising department in this first 3 months of the Rotary year

Might be a good idea to have a general discussion on Wednesday morning regarding any innovative thoughts on what we might be able to do as a Club. You ok with this Mr President?

I do have one Golf Day sponsor who have sent their entry form back today and are crediting their sponsor funds today as well
