Monthly Letter March 2022

Münster, 28.02.2022

Dear parents and guardians of the Hermann School,

Today you will receive the most important dates and information concerning the Hermann School for the month of March.

February started with the new timetable for the second half of the school year 2021/2022 and due to Corona, the actually planned care committee evenings, the school care committee as well as the school conference could not take place yet. Your child's class teacher will certainly suggest an alternative date in the near future.

Last Friday, 25.02.2022 we celebrated carnival from the 2nd - 4th hour. This was a great joy for all children and staff of the school and a special day on which we were all able to experience a bit of "normality" in the school day together again.

The following dates are scheduled for March:

On **Wednesday, 09.03.2022**, the staff will have their 2nd internal teacher training (SchiLF). The children of the Hermannschule have no lessons on this day. Should you require childcare for your child, you will receive a request from the OGT, which you will then please return to us as soon as possible.

Thank you very much.

On **Thursday, 17.03.2022** and Friday, **18.03.2022** the cycling training for year 3 and 4 will take place at the Youth Traffic School from 8:30 am - 11:30 am. The children will travel to the Youth Traffic School by bus with their class teacher. On both days there will be two groups; the first group will start at 8:00 and the second group at 9:30. Please bring a bicycle helmet with your child to school.

Thank you very much!

The competition "Kangaroo of Mathematics 2022" will also take place on Thursday, 17.03.2022, in which our 4th graders can participate. A letter to this effect will be sent to the parents of the 4th graders as soon as possible.

We wish the participating children every success - you can do it!

On **Monday, 28.03.2022** and **Tuesday, 29.03.2022** the 4th year cycling training will take place with the police. Further information can be obtained from the class teacher.

If you need further information, please contact our secretariat.
