

A photograph of a street in Beirut, Lebanon, showing the aftermath of conflict. On the left, a white building is partially obscured by a large pile of debris, including branches and rubble. A sign on the building reads "EST 1948". In the center, a street lined with multi-story apartment buildings is visible. Several cars are parked along the street, some of which appear damaged. The sky is clear and blue.

**APARTMENT 6**

**SWISS4LEBANON**

**Rebuilding Beirut** one house at a time
