blind/amber

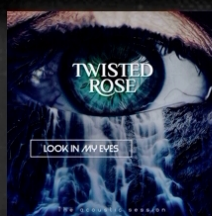

## WE GIVE EVERYTHING TO ENTERTAIN OUR AUDIENCE

Twisted Rose is a hard 'n' heavy band from Würzburg / Germany. The band's goal is to entertain every single person in the audience. Everyone should leave a Twisted Rose show with a smile on their face.

Twisted Rose songs are deliberately simple and catchy. Twisted Rose's promise to its audience: No one will be able to keep their head or legs still for a beat. What can you expect from a Twisted Rose show? Everything, but certainly nothing ordinary. Fire, blood, pyro, loud and driving hard rock anthems.
