Cotton since 1901®

by Gebr. Otto

Cotton since 1901® is **100% premium cotton** chosen according to the simple principle: only the best quality. Spun with passion and sustainably manufactured in Germany, it assures **the best feeling you can wear**.

Cotton since 1901® stands for **social responsibility** – short transport routes, environmentally friendly cultivation with efficient irrigation methods, and the exclusion of child labor.

The **sustainable production** of the yarns is **strictly controlled** by independent institutions and external laboratories.

The **quality seal** of Cotton since 1901® assures the buyer of acquiring a product made of the finest cotton yarns.
