## Call for Support

Model NATO Germany is looking for volunteers to organize the 2<sup>nd</sup> Model NATO Germany in November 2024 as

### Team Member in the Registration & Admission Department

As a non-profit organization, Model NATO Germany is dedicated to ensuring a sustainable future for NATO as an institution of collective defense. Our mission is to empower the next generation of decision-makers and passionate students with a profound understanding of NATO's values, decision-making processes, political intricacies, and its pivotal role in transatlantic security.

During a 4-day long scenario simulation in English, we will grant 96 students and young professionals from Germany and abroad the opportunity to address a crisis situation within the mechanisms and processes of the North Atlantic Treaty Organization. Filling the roles of National Representatives working in delegations, the students will have to coordinate their actions beyond their assigned committees and negotiate their standpoints within both the North Atlantic Council, the Military Committee as well as a scenario-dependent third committee.

As a Team Member in the Registration & Admissions Department, you will be responsible for the conception and implementation of the Call for Applications and the selection of participants. This includes designing the application process in coordination with other members of the organizational team and evaluating applications. During the event, the activities mainly consist of supporting the participants as well as other partners on site and related tasks. Additionally, there is the possibility to take on other individual responsibilities within other departments, such as Awareness or Logistics.

Generally, we are looking for people who are interested in security policy as well as NATO-related issues. Due to the nature of the activities, we require fluency in English. For this position in particular, we are looking for individuals with high organizational skills and awareness in topics such as diversity in order to facilitate an inclusive conference. As you will also be serving as the first point of contact to participants, professionalism and reliability are essential.

We offer the opportunity to become part of Model NATO Germany to gain valuable experience in project management as well as in accompanying and supervising about 100 international participants.

Applications, including a short motivational letter (English) and CV (German or English), can be sent to [kathrin.fiedler@modelnatogermany.de](mailto:kathrin.fiedler@modelnatogermany.de) until the **29<sup>th</sup> of February 2024**.
