

窯垣の小径洞街道

ぶらり散歩

Owari Seto Promenade

Seto City is famous for pottery. There are places in the town that are decorated with patterns made of pottery. "Kamagaki-no-Komichi" is a road where the pattern on the wall is made of pottery. I saw a cat walking on the Horakaido Street ahead. As I walked through the town, I found various pottery patterns on the bridges and the ground.

If you look closely, you may find many. How about looking for the pottery pattern that only you know?

尾張瀬戸（おわりせと）の散歩道（さんぽみち）
瀬戸市は瀬戸焼（せとやき）で有名です。町にも陶器（とうき）でできた模様（もよう）で飾られている場所（ばしょ）があります。窯垣の小径（かまがきのこみち）は、壁（かべ）の模様（かまがき）が陶器（とうき）でつくられています。その先の洞街道（ほらかいどう）には、猫（ねこ）を見つめました。町を歩くと、橋（はし）や地面（じめん）にも陶器（とうき）の模様（かまがき）を見つめました。よく見たら、このような場所（ばしょ）がたくさん見つかるかもしれません。あなたしか知らない陶器（とうき）の模様（かまがき）、是非探（た）してみてください。

Um passeio por Owari Seto (primeira vez) na cidade de Seto, é famoso. O local onde a vida é decotada com uma estampa de cerâmica. No pequeno diâmetro do palácio, pôde-se ver a olaria feita de cerâmica. Pôde-se ver um gato na estrada antes disso. Existem poucas cidades.
