RETURN POLICY

We understand that the introduction of any cat to a new household may occasionally not work out. With many years of experience behind it, Guildwood Cat Relief offers effective techniques to help with the initial introduction phase. Cats do not like change and most will need a period of adjustment, so please be patient. This could take as little as a few days or a few weeks. If by that time you determine that the cat will not fit into your household, please contact Guildwood Cat relief to have the cat picked up. Please note that your donation will not be refunded; however, you have the option to adopt another cat that may be a better fit.
