

# STRATEGY\_STRUCTURE\_CULTURE

Three levels that can be considered and worked on separately from each other and yet systematically belong together! For successful (change) processes, it must be possible to become effective on all three levels and to allow them to merge smoothly.

## STRATEGY

---

What is our common way to go?  
What do we need to be fit for  
the future?

## STRUCTURE

---

How do we organize ourselves?  
What are our core processes?  
Information-, communication- and decision-  
making channels

## CULTURE

Core elements of our culture  
How do we work together?  
What happens in times of trouble?
