Prot.No.28/2024

May 20, 2024

Dear All Parishoners

Bishop of Nagoya

Goro Matsuura

Report and Response to the Damage Caused by the Noto Peninsula Earthquake (8)
-Recruitment of staff members

+Peace to you

As I reported recently in "Report and Response (7)" regarding the recruitment of volunteers, Caritas Noto Support Center is conducting support activities to meet the needs of the community. The recovery situation in the affected areas is still severe and support activities are expected to take a long time. However, as reported in the previous announcement, the priests and sisters who have supported the base for a long period of time are now beginning their terms of office one after another, and we are facing a serious shortage of human resources with a limited number of staff.

With volunteers expected to come from all over Japan in the coming summer, we urgently need to secure staff who can manage the activities of Caritas and the volunteer base over the medium to long term in order to continue our support activities for a long time.

Therefore, the Diocese of Nagoya is urgently seeking paid staff for Caritas Noto Support Center. Please see the application guidelines for details. If you are interested, please contact Caritas To-no Support Center.
