

# Family Ski Trip

## Hakuba 4/5 Days

### Hakuba Valley

As Japan's premier ski region, the Hakuba Valley offers more terrain, vertical rise and advanced ski slopes than anywhere in Japan. Hakuba's reputation as a serious skiers and snowboarders' destination is well balanced across all levels. This combination of the world-class skiing, abundant snowfalls, sunny skies and 10 ski resorts truly makes Hakuba Valley a precious gem among the rugged Japan Alps. The Hakuba Valley provides some of the best skiing in Japan.
