President's Report:

Hi All

Our Rotary Club is certainly blessed with the calibre of its membership and I would like to thank, on behalf of the member's, Crackers for an exceptional job as President during what was a tumultuous year. As I said at the changeover, I don't believe there was anyone else better suited to lead our club through those extraordinary times. So, on behalf of the club Pete, a big Thankyou for a job well done.

Thanks to all those who had something to do with the organization of the changeover, especially Crackers, Shars, Blinky, Jase and Rob M, who all had a hand in making it a special morning. A Big thankyou to all the directors who have stayed on for this year (Roscoe,J.A,Bob S,& Reesy) and to Macca for stepping up to the plate as Director of F & F. Also thanks go out to Shars for continuing his great work as Treasurer and to Pete Richards the best secretary a bloke could have. And I'd like to apologize to all the members up front but Kinky said , "I want it and I want it now, I have unfinished business with this lot" .!!.

It was very special having Gen, Lucas and Dylan (Meg was minding Stace's grandchildren) on Zoom along with the others to be apart of this very different Changeover .

Thanks Crackers and the board for the award, I feel very humble and undeserving as there are many people at the club who would qualify for this accolade. It was also great to see Blinky back at a meeting, and it will be interesting to see if he's allowed out again after not telling Nola that he was going off with the coffee crew after the meeting.

As for the year ahead ,well who knows!. It looks like we'll be in a holding pattern for a while yet with even Octobers Treadmill challenge looking shaky. Macca has confirmed the 2021 booking for the Golf day Fundraiser ,being Monday 15th March on PKCGC's south course, so hopefully that's going to be possible, and maybe we'll get back to Bunnings in November or next year. Cheryl and Tony have started getting dates together for the Ghana Ball in May 2021 so fingers crossed we get to help them out with this fundraiser.

Reesy has been quick off the mark with his 1st Club Service committee meeting held last week, which produced some great ideas for the year ahead, and I would ask that all directors get their teams together for a brainstorming sessions in the next few weeks, and I am happy to be there if required.

Continued on next page...

Shane's President Report Cont:

We are going to try and keep going with the combined Zoom and meeting format with the 1st 20 members to respond to Reesy email getting a seat and those on the waiting list go in 1st the following week. It will be a little 'suck it and see' as to how this works, so please be patient with us.

Congrats to Pete Richards who got his plaster cast off last Thursday and is now in a moon boot for a while. He will hopefully be home early this week.

And good luck to Kinky who is going in for a check on one of his collapsed heart by passes on Wednesday. He thinks they may put in another stent.

It will be a special meeting this week with Crackers inducting our newest member Phil Tang, so I ask all members to get to know Phil and get around him and make him feel welcomed. He will go into Roscoes Community Service committee.

I also heard from Sjaak Kusters: Assist. Gov. who was sussing out how we were running our meetings so they could organize a zoom meeting with the DG, and was very surprised to hear that we are having "real" meetings! as we are the only ones he has heard doing this. He was glowing with his praise of our initiative and wished more clubs were doing it.

Cheers
Shane

Editor's Note:

I would like to thank the Club in welcoming me and immediately making me feel at home. It makes my work on the Bulletin a great learning experience and is a great insight into the Clubs goings-on. I also enjoyed the Fellowship that comes with a good old BBQ or working bee.

I would also like to thank the club for awarding me the Quiet Achiever award at Change-over.

To many successful years ahead!

R.M.

Rotary's New Area of Focus:

The Rotary Foundation Trustees and Rotary International Board of Directors have both unanimously approved adding a new area of focus: supporting the environment.

More than \$18 million in Foundation global grant funding has been allocated to environment-related projects over the past five years. Creating a distinct area of focus to support the environment will give Rotary members even more ways to bring about positive change in the world and increase our impact.

Supporting the environment becomes Rotary's seventh area of focus, which are categories of service activities supported by global grants. It joins peacebuilding and conflict prevention; disease prevention and treatment; water, sanitation, and hygiene; maternal and child health; basic education and literacy; and community economic development.

Grant applications for projects will be accepted beginning on 1 July 2021. Gifts and commitments from Rotarians and others will be sought to provide global grant support for the new area of focus.

More information about this new cause will be announced soon.

Rotary's 4 Way Test:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL & BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Macca has advised that we have booked our 2021 corporate charity golf day back at Peninsula Kingswood Country Golf Club for Monday, March 15, 2021!

Mark it in your diaries!

More information to come!

Stay tuned for 2021 date!

Steps to success

1. Commit to the challenge

Secure your treadmill by registering a team. The Corporate sponsorship of \$1,000 covers the cost of the event, which means that 100% of your team's fundraising efforts will go directly to helping children in 24 hour care at Very Special Kids Hospice.

2. Choose your fearless leader

The Team Captain will work closely with Rotary Frankston Sunrise and take charge of your teams' activities to guide the group towards the team fundraising goal.

3. Build your team of Participants

With 30 minute time slots to fill over the 12 hours, a team of up to 24 fundraising foot soldiers will help complete the challenge. Walking is an option for those who prefer a steadier pace.

4. Enlist the support of family and friends

Participants should ask for sponsors to help reach your fundraising goal. Set up your own personal online fundraising page at <https://vsk.grassrootz.com/rotary-frankston-sunrise-12-hr-treadmill-challenge> and share with family and friends on social media and with peer networks.

5. Enjoy the event

Run or walk with your heart and celebrate in the camaraderie with like-minded people who are all taking on the challenge to raise funds for children with life-threatening conditions.

All teams receive 4 x 1 Month All Club Team Training Memberships
valued at \$199 to help you prepare for the challenge*

*Smith Membership for non-members only

To all members of Rotary District 9820 :

Janne Speirs - Emergency Management Chair - is calling out for knitted goods. Obviously as the weather cools, the need for warm clothes is increasing!

What is needed: Knitted or purchased through clubs - Adult beanies, scarves in football team colours, children's knits (2 through to 10 year olds) or even 'fashion' scarves. There doesn't seem to be a huge call for babywear.

If you, your family or your club would like to assist in this important task - not just for its practical value but also the moral support of those who've lost so much then please get knitting and/or send your finished products to the address below.

Where: Mrs J Speirs, 218 Webbs Road, Gormandale 3873

July Breakouts for Membership, Foundation, Public Image, Community/Vocational Service, International, Youth Protection and Insurance and Youth Programs:

Opportunities for Member Growth and great for New members!
