## President's Report

Always great to welcome in a new member, so congratulations and welcome to Sherif Balic, our 3<sup>rd</sup> new member this Rotary Year. Sherif will be formally inducted in the coming weeks. I am sure Sherif will be a great addition to the club.

Definite change of pace last week with our "Vocational Visit" to the Taphouse for Smart Brothers Brewery in Somerville. It was a great opportunity to try some great beers to wash down tasty pizza and burgers. Catching up with fellow members in such a relaxed environment was excellent.

This week (Wednesday night) we are off to the Canadian Bay Hotel to celebrate Laurie and Jill's almost 30 years with the club as they shortly head for the farm to enjoy their retirement. There will be an excellent turnout and no doubt a few Laurie stories to be shared.

Finally, this coming Friday and weekend, we have a number of members playing or volunteering for the Blackwoods Golf Day, followed by the annual working bee weekend. Although I can't get there, I know the members and partners that do get away for this each year make a fantastic contribution to Blackwoods and have a great fellowship time while they are at it.

Make sure the bulletin editor gets some photos!

We will be back at the International for regular breakfast meetings for December 11 and 18, but I look forward to seeing most of you this Wednesday night with Laurie and Jill.

#### What is Interact?

Interact are school based service clubs

Globally, there are more than 20,000 Interact Clubs across 159 countries

More than 450,000 Interactors

#### What does an Interact Club do?

Interact Clubs organize 2 projects every year:

One that helps their school or local community

One that promotes international understanding

The students themselves decide what the projects will be. Causes they are already passionate about, or opportunities we and our Rotary network may introduce them to.

#### How Does It Work?

Interact members run their own club with Rotary and Rotaract there to mentor and hopefully open some doors

They elect their own Board and chair their own meetings

They meet twice a month at lunch times, with a Rotary/Rotaract member in attendance

#### What does it offer its Members?

The opportunity to participate in fun service projects

To develop leadership skills

To serve their community – locally and globally

To make new friends around the world
