

Author's Agreement

I, the undersigned author of written materials submitted to ettc2022, hereby grant to the European Society of Telemetry the right to reproduce, publish, distribute and sell all or part of these written materials and to make derivative works of such materials in print and electronic media.

I certify that the written materials are UNCLASSIFIED and have been cleared and approved for public release by the appropriate company and/or government agencies.

I certify that my written materials do not infringe any copyrights. I agree to include written permission from copyright owners to reproduce any copyrighted materials I submit to the European Society of Telemetry and that such permission will extend to both print and electronic media.

I further grant to the European Society of Telemetry and its licensees the right to use my name, likeness, and biographical and other information concerning me for advertising and promotion of functions of the European Society of Telemetry in any printed or other media.

I further acknowledge that the written material will form a part of a conference compendium which will also be protected by a compilation copyright and agree that the European Society of Telemetry, as holder of the compilation copyright, will control all distributions of this compendium.
