## **Press Release - ABM Automazioni Srl capital increase**

**Anzola dell'Emilia February 19th, 2021** – Thanks to the positive results achieved in the two financial years 2019 and 2020, the Board of Directors of ABM Automazioni approved and implemented, in December 2020, a capital increase from € 10,000 to € 60,000.

The goal is to consolidate the company to implement the growth plans planned for the next 5 years.

"This capital increase" explains Mauro Baratta, CEO of ABM "makes possible to strengthen shareholders' equity and create the basis for future investments. The goal is to consolidate our market position as a supplier of industrial automation tailored to customer needs. Our strategy includes investments in new technological solutions to enrich the portfolio of solutions and anticipate the needs of our reference markets".

"The capital increase" continues Baratta "is an important message for everyone, customers and partners of ABM: continuity, innovation and the will to consolidate the company, looking to the future with positivity and the ambition of continuous growth.

It is also a beautiful message for our employees and collaborators: this operation is intended to be a recognition of the energy and professionalism that each of them dedicates to the company every day and that have allowed it to get to where we are today.

In addition, thanks to Simone Baratta, son and business partner, who strongly believes in ABM and puts all his energy into making the ambitious goals we have set concrete".
