TOUR (about 1 hour)

A guided tour of our hatchery and grow-out facility. This involves a short, scenic walk to the Hatchery area. Closed walking shoes are recommended and warm clothing during the cooler months. We are at an elevation of 1100m so our climate is very different from Nundle or Tamworth. A moderate level of fitness is required to walk to the Hatchery. The walk is on undulating ground and includes some steeper parts. If you feel it's too much, we can arrange to drive you there and back.

The tour is conducted at 11am weekdays - BOOKING ESSENTIAL

please aim to be here a few minutes before.

VIDEO PRESENTATION (about 10 minutes)

A peek behind the scenes and a look at some of the flora and fauna, snow events and more from our unique property.

TASTING PLATE

A selection of our medal winning products, as available, from Arc-en-Ciel Trout Farm and Nundle Smokehouse.

TEA OR COFFEE (OR SOFT DRINK)

Tea or coffee while you watch the video and sample our products.
