Château Cissac 2017 **92 /100**
Barrel sample

One of his 10 favorite wines from the Médoc

This is going to be an excellent early-drinking wine. Its wood and rich, dark fruits are already well-integrated, giving it a dark, spicy character. It will need several years to be drinkable, certainly not before 2023.

Château Cissac 2017 **90 /100**

Currant and lemon aromas with hints of cedar follow through to a medium body, slightly chewy tannins and a medium finish. This needs a little time to come together. But nicely done for the vintage. try after 2020.

Château Cissac 2017 **90 /100**

The 2017 Cissac has a well defined bouquet with blackberry, cedar, brown spices and a touch of leather, some new oak (30%) needing a few months to fully integrate. The palate is medium-bodied with supple tannins, a fine bead of acidity and good grip. A saline finish urges you back for another sip. This is a commendable Cissac that makes the most of the vintage. Recommended as it is often a great value.

MarKus Del Monego

Château Cissac 2017 **89 /100**

Dark purple red with violet hue. Very fine and fragrant nose, blackcurrants, blackberries and hints of mulberries. On the palate elegant with silky texture, ripe tannins, very elegant and precise. A wine with freshness and finesse in a very classic style.
