# FIRST QUARTER

*Rotary Frankston Sunrise Quarterly Newsletter*

JANUARY - MARCH 2024

**All things

Welcome to our first newsletter for 2024...it's hard to believe it's already January and we're gearing up for another full year of community service.

Our main focus for this quarter was our Annual Charity Golf Day at the beautiful Peninsula Kingswood Country Golf Club. This is our club's flagship event for the year with all hands on deck to ensure everyone has a great day on the course and we raise significant funds that will be shared with our community.

# TEEING OFF FOR CHARITY

Our annual Charity Golf Day was held on Monday March 18 at the spectacular Peninsula Kingswood Country Golf Club and it was an absolutely stellar day with our sponsor teams making the most of the sunshine.

Congratulations to Taylor McGrath and the crew from East End Slabs for winning the Stuart Woodward Memorial Trophy. Runners up were Peter Hornsey and the Core24 Health Clubs, and third place went to Luke Rowe and the team from Rolls Australia.

It was a super close finish with the narrowest of margins separating the teams.

Rotary would like to extend its sincere thanks and appreciation to all the sponsors for their continued support - together we raised over \$45,000 that will be shared with deserving community groups including Wheelchairs 4 Kids, Project Fresh Start, 123Read2Me, Frankston Football Club, and Community Support Frankston.

# LEST WE FORGET

An important day on our calendar is the ANZAC Day Dawn Service Gunfire Breakfast at Beauty Park in Frankston, working in partnership with Rotary Peninsula 2.0. A great cluster event raising \$1938 for the Frankston RSL young veterans.

It was a beautiful morning with only a slight dusting of rain which did nothing to deter the large crowd who attended to pay their respects to those who have protected our freedoms.

Hundreds of sausages were sizzled by our fabulous volunteers - Peter, Macca, Robert, Warwick, Bob, and Gary while the ever cheerful Fhs Interact students helped distribute them to the crowd.

Special thanks to Tony Carter for all of his behind-the-scenes organising to make sure everything runs smoothly on the day.

Our ongoing partnership with Frankston Football Club has seen members sizzling sausages and serving some nice, ice cold beers on a Friday night while the Dolphins play their home games.

# WORKING TOGETHER

*for our community*

So far it's been a pretty good start for the local team with some decisive wins. We always enjoy these barbecues as we get to chat, laugh, watch the game, and connect with our community...oh and we raise some dollars at the same time that we then get to distribute to other worthwhile organisations that are doing some great work supporting vulnerable people in need.

We don't just do barbecues but boy, do we do them well :)

# GUEST SPEAKERS

*The art of listening*

*This quarter, Sunrise members have been entertained, educated and enthralled by a variety of guest speakers who have all gifted their time to share their passion and life learnings.*

*We heard from all three of the major party candidates in the Dunkley bi-election (Nathan Conroy, Jodie Belyea, and Chrysten Abraham) which came about following the untimely and very sad passing of local MP Peta Murphy. We will be forever grateful for the hard work and dedication Peta gave to the Frankston community.*

*Additionally we were fortunate to have Bridget Rusking speak to us about the major works happening at Frankston Hospital and Lilli Cavanagh from the Sports Injury Clinic.*

*We are incredibly grateful to everyone who gifts their time to talk with us about projects that have such a wide and diverse impact across our local and international communities.*
