DAY 1

Hike | 3-4 hours | 5,5km | +473m / - 317m | with lunchbag

Morning ferry from Mindelo

Pick-up in Porto Novo

Luggage to «Casa Amadeu»

The first hike on Santo Antão leads through bizarre, barren mountain landscapes. The deep valleys and gorges formed by eruptions are simply stunning. The tour ends directly at the guesthouse.

DAY 2

Hike | 4-5 hours | 10km | +643m / - 839m | with lunchbag

Pick-up at your guesthouse

Transportation to the starting point of the hike

Luggage to «Casa Lizi»

After the challenging ascent is done, you can enjoy breathtaking views over the western mountain range and even to São Vicente. On your right-hand side, the highest point of the island *Top de Cora* majestically presents itself. The old trade path now zig zags down to Ribeira das Patas.

DAY 3

Hike | 3 hours | 7km | +100m / - 700m | with lunch

Pick-up at your guesthouse

Private transportation to the east side

Luggage to «Oasis Paul»

Located on the eastern plateau, the Cova volcano is part of the natural park. With its gorgeous scenery, this walk offers you the opportunity really get into nature and also get in contact with the local population, for example when tasting the famous grog, a national alcoholic beverage made from sugar cane.

DAY 4

Hike | 2-3 hours | 4,2km | +254m / -201m | with lunch

Pick-up at your guesthouse

Transportation to Ribeira da Torre, with stop in Sinagoga

Luggage to «Casa Xoxo»

Located in the valley of Ribeira da Torre, one of the greenest valleys on Santo Antão, you will walk through magnificent landscapes. Crossing small remote and picturesque villages, interesting geological formations, and a beautiful waterfall, make this hike an excellent option besides the classic and well-known hikes.

DAY 5

Hike | 5-6 hours | 17km | +700m / -720m | with lunchbag

Pick-up at your guesthouse

Transportation to Cruzinha

Considered one of the most stunning hikes on Santo Antão, the landscapes you will explore while crossing from one valley to another, are nothing short of magnificent due to the constant contrast between the sea and the mountains. On your way, you will visit the famous village of Fontainhas, which, according to National Geographic Magazine, boasts the second-best view in the world. The tour ends in Ponta do Sol.
