

## The Hotel Kurhaus Spa

We are very pleased to present the new KurBad - a place to linger and feel good. Enjoy the sauna, the relaxation room and the pools with a view of Bergün's beautiful surrounding mountain panorama.

- Bubble pool (35 degrees)
- Cooling pool (11 degrees)
- Sauna in the historic ice cellar
- Relaxation pavilion
- Relaxation room
- Massages are available on certain days - <https://kurhausberguen.ch/treatments>

Opening hours summer season:

- MO-FR: 14:00 - 20:00 / SA&SO: 11:00 - 20:00 (children until 17:00 respectively).

Prices (2 hours stay)

- Hotel guests: included in room rate incl. bathrobe
- Holiday apartment guests: adults CHF 15 / children CHF 10, bathrobe available on request for CHF 5
- External guests (reservation maximum 24 hours in advance): adults CHF 25 / children CHF 15, bathrobe available on request for CHF 5
- Reservation: Via Reception 081 407 22 22 or directly at the KurBad reception. <https://kurhausberguen.ch/?lang=en>

Four different mountain waters can be experienced:

- "Ava Cuetschna" - the ferruginous water from the spring of the same name, our primary bathing water.
- Albula Mineral "Ava da Bravuogn" - the mineral water from the drinking fountains, exclusively available in the Kurhaus Bergün
- The famous Bergün tap water from the spring above Latsch
- And the Tuors - a wild stream from the Val Tours, provides an relaxing soundscape
