Message

I have been working as a Tour Conductor of tours in Japan and overseas countries for Japanese tourists for 26 years.

I also have been teaching skiing in my spare time.

I love Onsens and Sake to be relaxed myself!

You can enjoy not only natural beauty and historical places in Nikko but also Onsens and Ski in Tochigi prefecture.

I am looking forward to assisting your memorable sightseeing and an exciting Ski experience in Tochigi !!

- Licensed National Guide in English
- Authorized Tour Conductor
- Licensed Ski Instructor
