

To whom it may concern,

I had the privilege of working with Katharina Eddins at Souper Salad in Meridian Idaho. Her Presence here was short, only working from September 5, 2013 till October 7, 2013, but she will not be forgotten. Having an employee as pleasant and hard working as Katharina is a joy. She worked so well with her coworkers and even managed to turn some first time customers into regulars. Someone with her attitude and drive will succeed in any profession she chooses. I would happily employ her again, here at Souper Salad.

Sincerely,
