

# EPC 2025 // Schedule (Status: January 2025; subject to change without prior notice)

Wednesday, July 2nd, 2025				Thursday, July 3rd, 2025																			
University Hospital of Dusseldorf   Auditorium 13A and 13B   MNR Hospital				CCD   Congress Center Dusseldorf																			
Time	HS 13A	HS 13B	Anatomy	Time	Room 2	Room 3	Room 5	Room 6	Room 7A	Room 7B	Room 8	Room 1 (ground floor)	Time	Key:									
08:00				08:00									08:00	Workshop									
08:15				08:15	Opening Session								08:15	Break									
08:30				08:30									08:30	Social Event									
08:45				08:45	Pancreatic neuroendocrine neoplasms (PanNEN): Where diagnostic meets therapy	Translational research in acute pancreatitis							08:45	Keynote									
09:00				09:00									EUS and US hands-on Workshop Fujifilm Healthcare Europe GmbH & MICRO-TECH Endoscopy	09:00	Symposium								
09:15				09:15										09:15	Poster Session								
09:30				09:30								09:30		Award Session									
09:45				09:45	Abstract-based session: Neuroendocrine neoplasms	Guideline "Pain management in acute pancreatitis"							09:45	Abstract based session									
10:00	EPC-ESP Postgraduate Course "Early Diagnosis of Pancreatic Cancer: 2025 update"	EPC-ESP Postgraduate Course "Early Diagnosis of Pancreatic Cancer: 2025 update"	Surgical Anatomy hands-on Workshop Medtronic GmbH	10:00										10:00	Scientific programme								
10:15															10:15	Others							
10:30							coffee break										10:30						
10:45																10:45							
11:00							11:00	Abstract-based session: Acute pancreatitis	Disruptive approaches in pancreatic diseases							11:00							
11:15							11:15									11:15							
11:30							11:30									11:30							
11:45							11:45									11:45							
12:00							12:00	Satellite Symposium Nordmark Pharma GmbH								12:00							
12:15							12:15									12:15							
12:30				12:30									12:30										
12:45				12:45									12:45										
13:00	lunch break			13:00	lunch break				"Flönz" with the Professor: Interventional Endoscopy: The mistake I shall never forget	"Flönz" with the Professor: Scientific toolbox: Mouse models in pancreatic diseases	lunch break			13:00									
13:15				13:15									13:15										
13:30				13:30									13:30										
13:45				13:45									13:45										
14:00	EPC-ESP Postgraduate Course "Early Diagnosis of Pancreatic Cancer: 2025 update"	EPC-ESP Postgraduate Course "Early Diagnosis of Pancreatic Cancer: 2025 update"		14:00	Supportive therapy in pancreatic diseases	Preclinical models for pancreatic diseases: bye-bye mice?	E-Poster Session	Pancreatitis - group of interest				E-Poster Session		14:00									
14:15																						14:15	
14:30							14:30									14:30							
14:45							14:45									14:45							
15:00							15:00	Satellite Symposium Q <sup>3</sup> Medical Group								15:00							
15:15							15:15									15:15							
15:30							15:30	Keynote lecture								15:30							
15:45							15:45									15:45							
16:00							16:00	coffee break										16:00					
16:15							16:15										16:15						
16:30				16:30	Endocrine-exocrine interactions in pancreatic diseases	Satellite Symposium Amgen GmbH	E-Poster Session					E-Poster Session	EUS and US hands-on Workshop Fujifilm Healthcare Europe GmbH & MICRO-TECH Endoscopy	16:30									
16:45				16:45																	16:45		
17:00				17:00								17:00											
17:15				17:15								17:15											
17:30				17:30								17:30											
17:45				17:45	Award session incl. Youppie awards	Clinical guidelines: European guideline on pancreatic cancer, global guideline cystic tumors, Peripan								17:45									
18:00				18:00																18:00			
18:15				18:15								18:15											
18:30				18:30								18:30											
18:45				18:45	Youppie reception (by invitation only)										18:45								
19:00				19:00																		19:00	
19:15	Welcome reception			19:15																		19:15	
19:30				19:30																		19:30	
19:45				19:45																		19:45	
20:00				20:00	Speakers dinner (by invitation only)										20:00								

**EPC 2025 // Schedule** (Status: January 2025; subject to change without prior notice)

Friday, July 4th, 2025									Saturday, July 5th, 2025									
CCD   Congress Center Dusseldorf									CCD   Congress Center Dusseldorf									
Time	Room 1	Room 2	Room 3	Room 5	Room 7A	Room 7B	Room 8	Room 1 (ground floor)	Time	Room 1	Room 2	Room 3	Room 6	Room 1 (ground floor)	Time	Key:		
08:00	EPC Run (Start 7:15)								08:00						08:00	Workshop		
08:15									08:15						08:15	Break		
08:30									08:30						08:30	Social Event		
08:45	Next generation surgery - robotics, augmented reality and beyond	Satellite Symposium Abbott Products Operations AG	Abstract-based session: Chronic pancreatitis	E-Poster Session			E-Poster Session	EUS and US hands-on Workshop Fujifilm Healthcare Europe GmbH & MICRO-TECH Endoscopy	08:45	Translating precision medicine: leveraging lessons from other cancers for PDAC treatment	Abstract-based session: Pancreatic cancer		Hands-on Workshop Corza Medical GmbH	08:45	Keynote			
09:00									09:00					Symposium				
09:15									09:15					Poster Session				
09:30									09:30					Award Session				
09:45									09:45					09:45	Abstract based session			
10:00									10:00					10:00	Scientific programme			
10:15	Coffee Break								10:15	Coffee Break							10:15	Others
10:30									10:30								10:30	
10:45		Keynote lecture							10:45	Keynote lecture					10:45			
11:00									11:00				EUS and US hands-on Workshop Fujifilm Healthcare Europe GmbH & MICRO-TECH Endoscopy	11:00				
11:15	Endoscopy in pancreatic diseases: of men and machines (joint session with KPBA)	Pancreatic cancer experimental: From disease mechanisms to therapy options in PDAC: What's new?	ESSO-session: The challenge of ensuring quality in pancreatic surgery: defining standards and overcoming barriers	E-Poster Session			E-Poster Session		11:15	Joint session with KPBA Open issues in chronic and autoimmune pancreatitis.	PCE-ACF session: Bridging the gap: from preclinical discoveries to clinical trials in pancreatic cancer	Abstract-based session: Cystic neoplasms		11:15				
11:30									11:30									
11:45									11:45									
12:00									12:00									
12:15									12:15					12:15				
12:30									12:30					12:30				
12:45	Lunch				"Flönz" with the Professor Pancreatic surgery: The mistake I shall never forget	"Flönz" with the Professor Scientific toolbox: Organoids	Lunch			12:45					12:45			
13:00									13:00	Closing Session				13:00				
13:15									13:15					13:15				
13:30									13:30					13:30				
13:45		Challenges and new approaches in locally advanced and borderline res. PDAC	Satellite Symposium Abbott Products Operations AG	E-Poster Session					13:45					13:45				
14:00			Youppie Scientific Session Digital health: the future of care for pancreatic diseases?						14:00						14:00			
14:15										14:15					14:15			
14:30										14:30					14:30			
14:45								14:45					14:45					
15:00								15:00					15:00					
15:15								15:15					15:15					
15:30		Abstract-based session: Pancreatic cancer	Satellite Symposium Fujifilm Healthcare Europe GmbH					15:30					15:30					
15:45								15:45					15:45					
16:00									16:00					16:00				
16:15	Coffee Break								16:15					16:15				
16:30									16:30					16:30				
16:45		Award Session: Rudolf Amann award 1 <sup>st</sup> EPC Award for female scientists							16:45					16:45				
17:00									17:00					17:00				
17:15									17:15					17:15				
17:30									17:30					17:30				
17:45								17:45					17:45					
18:00		EPC General Assembly							18:00					18:00				
18:15									18:15					18:15				
18:30									18:30					18:30				
18:45									18:45					18:45				
19:00									19:00					19:00				
19:15									19:15					19:15				
19:30								19:30					19:30					
19:45								19:45					19:45					
20:00	Dusselparty								20:00					20:00
