Hello, everyone!

I'm Mutsumi, I grew up and live in Nikko City.

I have learned Tea ceremony and Calligraphy and I enjoy mountain walking and making Haiku.

I will guide you in Tochigi Pref. area, especially in Nikko City which has the historical World Heritage Site and rich nature.

I'd like to help you see, hear, taste, and feel your destination.

Let's walk with me together and enjoy Japan thoroughly.

I'm looking forward to seeing you!
