**President's Report:**

Great to have so many members join our first Zoom meeting last Wednesday, and better still, great to get the positive feedback after.

So we are on for this Wednesday at 7.45am and now you have passed your Zoom learner's test, this week we'll be using video. Who said you can't teach old dogs new tricks.

Hopefully you have all mastered your social distancing by now. On Friday, with a group of my friends, we had Zoom drinks at 5pm which is now to become a weekly occurrence. My niece and her husband had a zoom dinner party with friends and I am hearing all sorts of other ways people are finding to stay connected. And I think that is the point. Staying connected is key and as I heard suggested on the radio the other day, rather than calling it social distancing, we should call it physical distancing. Staying socially connected when we can't catch up physically remains very important.

Don't forget, if you are needing any assistance, call on your Rotary family. See you online this Wednesday, 7.45am. Stay safe.

Peter

**Conference Call Apps:**

After the success of last weeks Zoom meeting I thought it would be informative to find out what Conference Call apps are and what some can do....

The benefits of traditional conference calls have been upgraded with the variety and practicality of newer technologies. Days are gone where you'd be limited to just the person/people's voice on the other end of the line, now many apps are providing video (including HD), file sharing, cloud recording transcription and company branding capabilities. Everything that the modern business or organisation could want or need.

Some of the market leaders are:

**Zoom:**

- Free up to 100 participants
- Zoom Pro plan starts at \$14.99/month
- HD video conferences
- Cloud recording features

**Google Hangouts:**

- Free with your Gmail account
- Conference with up to 25 people
- Google Calendar integration

**BlueJeans:**

- Plans starting at \$12.49/month
- Powered by Dolby Voice audio
- Recording & cloud storage options
- Used by LinkedIn and Facebook

If you are looking for a budget alternative, or just want to try - say for a weekend call to the kids or grandkids, there are many C.C. apps that are free to use including Facebook Messenger (You just have to mind your phone/internet bill).

So at this this time of physical distancing, there are many ways we can stay connected.

## 12 Hour Treadmill Challenge Cont.

For more information or to register, call Mark on 0411 519 560 or email [mark@mrevents.com.au](mailto:mark@mrevents.com.au)

### Steps to success

#### 1. Commit to the challenge

Secure your treadmill by registering a team. The Corporate sponsorship of \$1,000 covers the cost of the event, which means that 100% of your team's fundraising efforts will go directly to helping children in 24 hour care at Very Special Kids Hospice.

#### 2. Choose your fearless leader

The Team Captain will work closely with Rotary Frankston Sunrise and take charge of your teams' activities to guide the group towards the team fundraising goal.

#### 3. Build your team of Participants

With 30 minute time slots to fill over the 12 hours, a team of up to 24 fundraising foot soldiers will help complete the challenge. Walking is an option for those who prefer a steadier pace.

#### 4. Enlist the support of family and friends

Participants should ask for sponsors to help reach your fundraising goal. Set up your own personal online fundraising page at <https://vsk.grassrootz.com/rotary-frankston-sunrise-12-hr-treadmill-challenge> and share with family and friends on social media and with peer networks.

#### 5. Enjoy the event

Run or walk with your heart and celebrate in the camaraderie with like-minded people who are all taking on the challenge to raise funds for children with life-threatening conditions.

All teams receive 4 x 1 Month All Club Team Training Memberships valued at \$199 to help you prepare for the challenge\*

## Director's Reports:

### Treasury report:

Report as of 29th march 2020:

We are still in the process of refunding Golf day sponsors money , 10 to date,

Account Balances:

- General. Acc. \$6,571.61
- Community. Acc. \$28,705.16
- Foundation. Acc. \$70,897.69

- Treasurer - Greg S.

### Finance and Fundraising report:

These uncertain times created by the Covid 19 virus have caused the cancellation of various events, functions and fundraisers including the RC of Frankston Sunrise Charity Golf Day which was to be held on Monday the 23rd March. Macca and his committee had done a sensational job of getting this major fundraiser ready to go only to have to pull the pin after 5 months of work. We have had quite a few of the sponsors who have paid their fees, either donate them or leave the money with us to use when we run the event next time. We also had Peninsula Sports Medicine leave their donated massage vouchers with us along with Teds Cameras donation which was organized by Blinky Bill. We are very lucky to be surrounded by good generous people.

The Ghana Ball has been rescheduled to October, the Rotary Frankston Football day has been cancelled in May and the Treadmill Challenge is still all go for October at this stage.

We Have also had to cancel the Changeover which was to be held on July 11th .

- Finance and Fundraising Director: Shane T.

### Community Service :

Steve Phillips at Community Support Frankston may require drivers to pick up from Aldi Frankston depot and Brumby's Towerhill and deliver back to CSF. Aldi pick up would be Monday Tuesday and Wednesday 9 - 11 am and drop off at CSF. Brumby's pick up is on a Thursday evening at 6pm and drop off at CSF Friday morning.

Any members that may be able to help if they can let me know and I will pass on to Steve. Have had some members reply already and will pass these on to Steve. CSF are also in the process of expanding their provision of meals and there may be the opportunity offer some help here. Steve will advise.

Spoke with Gill Kay at council and Gill will advise if there are any areas we may be able to help.

- Community Service Director: Ross A.
