1. INTRODUCTION

Welcome to our B1/B2 Pflege German Language Course! This specialized program caters to healthcare professionals aiming to enhance their language skills in medical settings. Delve into a comprehensive curriculum tailored to proficiently navigate healthcare environments in German-speaking countries

2. COURSE OVERVIEW

Designed for healthcare professionals with foundational understanding of German at a minimum level of B1, our B1/B2 Pflege course is crafted to refine language proficiency within healthcare contexts. Throughout the course, you will cultivate specialized vocabulary, navigate patient interactions adeptly, and confidently engage in complex healthcare discussions.

3. COURSE FORMAT

FACE-TO-FACE / ONLINE

At our language training center, we offer two distinct course formats to cater to your individual learning preferences and lifestyle:

FACE-TO-FACE CLASSES

For those who thrive in a traditional classroom setting, we offer in-person classes at our state-of-the-art language training center. Our physical classes provide an immersive and interactive learning environment where you can engage directly with our experienced instructors.

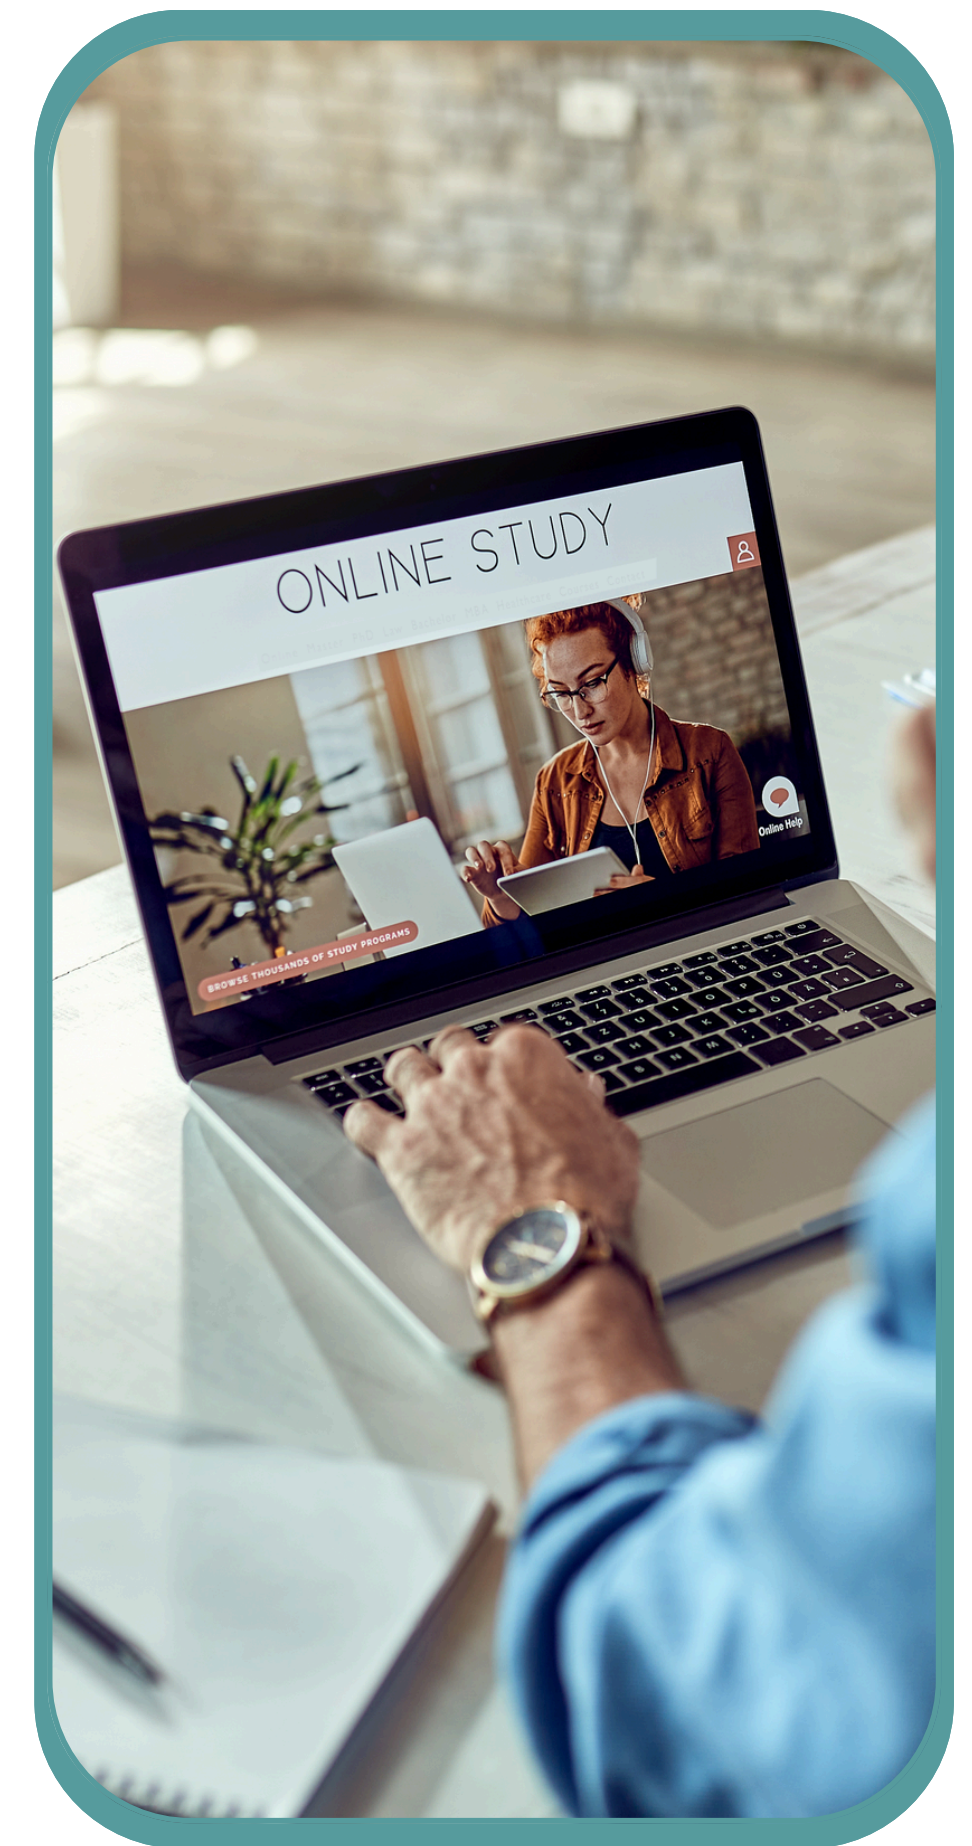

ONLINE CLASSES

For those who prefer the convenience of learning from the comfort of your home or any location of your choice, we also provide online sessions via Zoom. These virtual classes are led by our skilled instructors, ensuring that you receive the same quality instruction as our in-person classes.

CHOOSE WHAT WORKS FOR YOU

You have the freedom to select the learning format that best suits your schedule, lifestyle, and comfort. Whether you opt for the vibrant atmosphere of our face-to-face classes or the convenience of our Zoom sessions, our goal remains the same: to help you succeed in your German language learning journey.

4. DURATION

In just 8 weeks, or 40 class days, you will experience an immersive language journey guided by our skilled instructors. This structured time frame ensures consistent learning and steady progress, whether you choose in-person or online sessions. We are here to help you achieve proficiency in German in a focused and efficient manner

5. COMPREHENSIVE PROGRAM & LEARNING GOALS

In this course, students will tackle:

- A wide range of different topics from everyday nursing life concerning oral and written communication with colleagues, doctors, nurses from other professions, patients and relatives.
- Technical language content and grammar (TeKaMoLo rule, formulating imperative, typical prefixes and suffixes in medicine etc) that will enable him/her to efficiently handle everyday life in nursing and in society.
- Training in the four (4) skills sets: listening, reading, writing and speaking.

The learning materials and lesson plans focus on both technical content and communicative action strategies with objectives according to the Common European Framework of Reference for Languages (CEFR):

- Acquisition of linguistic competences for the recognition of the vocational qualification.
- Linguistic preparation for everyday working life.
- Acquisition of general and technical language skills in the nursing field.

- Confidence in professional communication situations such as anamnesis, instruction and handover talks, patient information and presentation, patient consultation as well as interprofessional and intercollegial communication.
- Development of further competencies such as personal responsibility, ability to work in a team, independence, ability to reflect, critical faculties and problem-solving skills.
- Development of the willingness to continue learning independently.

6. ADDITIONAL E-LEARNING PORTAL

Our e-learning portal is an invaluable extension of your classroom experience. It offers a diverse range of interactive exercises, multimedia content, and quizzes that reinforce your lessons. Access it at your convenience, enabling you to learn at your own pace. This interactive platform enriches your language journey, providing a flexible and engaging way to enhance your German language skills.

6. LEARNING BOOKS & ADDITIONAL RESOURCES:

- Course textbook focused on specific terminology and communication in healthcare settings.
- Supplementary learning materials for a well-rounded learning experience.

7. CERTIFICATE OF COMPLETION

Upon successfully completing the B1/B2 Pflege German Language Course you will receive a Certificate of Completion, acknowledging your advanced German language proficiency in healthcare setting.

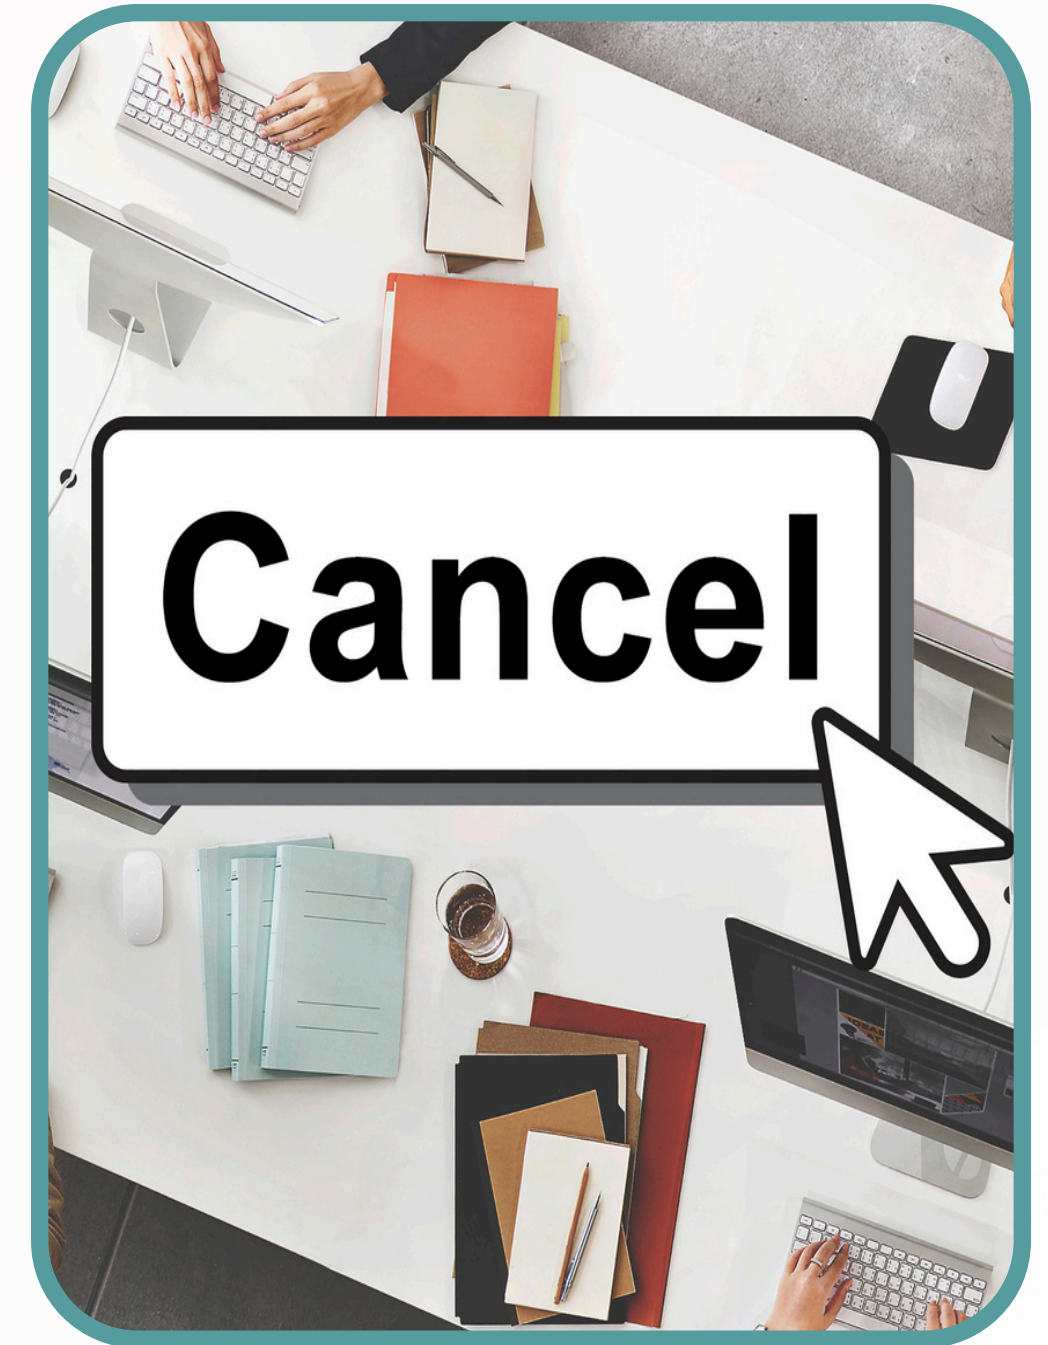

8. ENROLLMENT REQUIREMENTS

- Submission of an online Registration Form.
- 2x2 picture and proof of payment.

9. CANCELLATIONS AND REFUNDS

- To request a cancellation, you must provide a written notice that includes your reason and the original receipt.
- The cancellation request is deemed effective on the day we receive your written notification.
- Cancellations made within 10 working days before the course's start date will incur a 50% cancellation fee.
- Refunds will not be issued for cancellations after the course has commenced or for non-appearance without valid reasons.
- The school reserves the right to cancel the course in the event of insufficient enrollment, assuring a full refund for all enrolled students.
