BALANCE KIT

K936

The system installed inside the basin helps you practice three holistic treatments, for the psychophysical well-being and beauty of skin and hair. The **Flower Water** treatment consists of a gentle flow of aromatic waters enhanced with essential oils, with soothing, softening and moisturising effects. **Snehana**, an ancient Ayurvedic art, focuses on specific oil to deeply nourish skin and hair, giving them softness, silkiness and shine. **Shirodhara**, a powerful Ayurvedic treatment, promotes psychophysical well-being through a holistic approach, inducing calm and deep relaxation. This addictive ritual balances heat and energy throughout the body, nourishing the tissues and moisturising the hair with essential oils for an aromatic experience and a feeling of relaxation and tranquillity.

€ 990,00 € 792,00

AQUA

K935

Installed inside the basin and easy to use, it gives the customer a relaxing experience with a gentle shower of lukewarm water around the face, head and hair. The pleasant whispering of a water fall immerses the senses in a bubble, away from the stresses of daily life, giving you five minutes just for yourself.

€ 1.190,00 € 952,00

Zen is a 100% Made in Italy project, born from the desires of nationally and internationally renowned hairstylists, designed and created by the skilful hands of Karisma technicians.

A new way of thinking about the washing station. A revolutionary solution that takes the experience inside a prestigious salon to a level never thought of before.

A never before seen working perspective that increases the possibilities of experimenting and fusing styles, stimulating the creativity of the hair artist, ready to express himself at the highest level.

BACKWASHES

KARISMA takes hair washing seriously. Our wash units are designed to offer the ideal solution for various operational and design requirements. They are built in Italy with the best materials to stand the test of time: they use technology to offer the best washing experience.

They allow for easy installation and maintenance. The new generation of hairdresser's wash units enable the increasingly popular Head-SPA services, transforming the hair salon into a wellness centre.

A new way of experiencing hair washing with maximum well-being.

KARISMA FOR THE PLANET

OUR COMMITMENT TO INCREASED EFFICIENCY AND ECO- RESPONSIBILITY

We suggest the use of two accessories for sustainable water management in the salon and to contribute to the protection of the environment. Our systems will ensure to save water, reducing daily water consumption by up to 50% and saving energy. Reduce noise and improve acoustic comfort. Choosing to limit water consumption is an important choice for the health of our planet and the well-being of future generations.

Water is precious and every drop counts.

CHAIRS

KARISMA chairs combine functionality, beauty and comfort.

Made in Italy for uncompromising quality. In our collections you will be able to find the most suitable chair to realise your dream salon.

You can colour it as you like by choosing from more than 60 colour combinations, customise the stitching and choose the base finishes. Make it as unique as you are, through embossing you will make it even more personal.

KARISMA armchairs are built to last and will work for you every day.
