President's Report:

Hi All

Well done to Roger Webb our guest speaker last week who enlightened us on the ins and outs of home brewing beer and if the banter in the room was any indication the membership thoroughly enjoyed it. And lets face it who doesn't enjoy talking about beer! Roger brought along a few guests also which is good for our future membership program.

Thanks heaps to Rob Maitz who represented our club as a guest of the Frankston RSL club in laying a wreath at the Anzac Day Dawn service and then joining the President and dignitaries of the RSL at a luncheon after.

WE look like we will get the numbers together to change our meeting to be with the RC of Seaford and Carrum Downs to help them celebrate their 50th anniversary on Tuesday June 1st.

Cheers

Shane

A friendship break in the foyer where we can socialise over finger food. Conference Dinner and entertainment in the main Hall where you will enjoy time together over a two-course meal, beverages included, while being entertained by our Nossal High School students as they showcase their amazing musical and dance talents.
