*Congratulations to the selected athletes, we have work to do to prepare for Woodbridge.							
**Many factors went into selecting these teams beyond one performance. We know that making or missing a team can be hard. Athletes not selected get the opportunity to compete with their teammates at TwiKnight.							
***Actual race selections will happen the Sunday before the meet, so we can make sure to put the healthiest teams in sweeps.							
***The cost of this trip to parents will be \$400.
