**[Interlude]**

**C** **G**  
D-d-do do you, but do you, d-d-do  
**Am** **G**  
But do you want to come on  
**F**  
Scooch on over closer dear  
**D**  
And I will nibble your ear

**[Instrumental]**

**C G Am G F D**

**[Verse 3]**

**C**  
I've been spending way too long  
  
Checking my tongue in the mirror  
**G**  
And bending over backwards just to try to see it clearer

**Am**  
But my breath fogged up the glass  
**F**  
And so I drew a new face and I laughed  
**C**  
I guess what I be saying is there ain't no better reason  
**G**  
To rid yourself of vanity and just go with the seasons  
**Am**  
It's what we aim to do  
**F**  
Our name is our virtue

**[Chorus]**

**C** **G**  
But I won't hesitate  
**Am**  
No more, no more  
**F**  
It cannot wait  
**C**  
I'm yours

**[Outro]**

**C** **G**  
Open up your mind and see like me  
**Am**  
Open up your plans and damn you're free  
  
Look into your heart and you'll find  
**F**  
The sky is yours  
**C**  
So please don't please don't please don't  
**G**  
There's no need to complicate  
**Am**  
Cause our time is short  
**F**  
This, oh this, oh this is our fate  
**D**  
I'm yours  
**C G Am D F**  
Ah, ba ba dum ba ba dum eyyy...
