*None of our mueslis contain refined sugar or
wheat. Stay healthy my loves.*

INFO:

All our eggs are cracked every day one by one, by hand, by our lovely Fabi, the guy with the “funny” jokes. Ha.ha.

We are about to open our very own “Happy Chicken Vogel Farm”, where we breed our own eggs, to deliver them to the cafe. The chickens get fresh air, lots of space and are fed with fresh food. As we don't pressure our chickens, it will take a while until all the eggs we use com from our “Happy Chicken Vogel Farm”. But maybe there is an eg from a happy chicken of ours in your scrambled eggs.

OUR PHILOSOPHY

*We are Leoni and Giacomo and this is our personal
A never ending love story.*

*We opened in Bleibtreustrasse (which translates as “stay faithful
street”) in August 2016.*

*Our mission:
to enchant you.*

A place full of love, atmosphere and of course a lot of taste.

*Our team often speaks of a second family and it feels like it too. Our
employees are not just employees to us, we are all a small family that
has been working together for a long time.*

*Quality and service are our absolute top priority. So if you are not
satisfied, please talk to us!*

*We want to improve constantly. With our
“Happy Chicken Vogel Farm”, we aim at a more sustainable
everyday life.*

*Food that would be chucked away otherwise, not only from our café,
but from other well-known restaurants too, is given to our hens. They
then lay eggs for us again, which results in less waste and more
animal welfare. This means a lot to us.*

You are the most important thing to us!
