

A vertical traffic light is shown against a clear blue sky with some light clouds at the bottom. The top light is illuminated red, the middle light is illuminated yellow, and the bottom light is unlit. A horizontal black pole extends from the traffic light to the right. The text "Funny traffic rules" is overlaid in white on the right side of the image.

Funny traffic rules

always like that

Here are some funny and weird rules from different countries.

- In some countries it is illegal to drive a car without a shirt on.
- If you're a woman and you drive in some countries, you'll have to put on your sneakers and heels "as a package". It is illegal to wear high heels while driving
- In some countries it is illegal to honk at midnight.
- In some countries it is illegal to drive a dirty car.

Funny traffic rules made by us

- You can't drive a car with your eyes closed, no matter how much you like to test your luck
- Do not use electric scooters on the highway, not even if you are going faster than the rest of the traffic
- Do not get out of the car while driving to retrieve your hat, not even if it is from your grandmother
- Do not listen to music at maximum volume in the car, because it is possible that you will not hear the sirens of police cars or ambulances
