PREVIOUSLY ON MONSTER CLUB ARCADE

Archie Drafty, the so-called Spectre Of Games and the one behind the tournament, challenges both Janice and Cardz to take part in a multiplayer game. A game that would determine the the new Monster Club champion.

As one of the two Janice's revealed herself to actually be Anxious , a mysterious figure dressed up in a tuxedo steps out of the crowd.

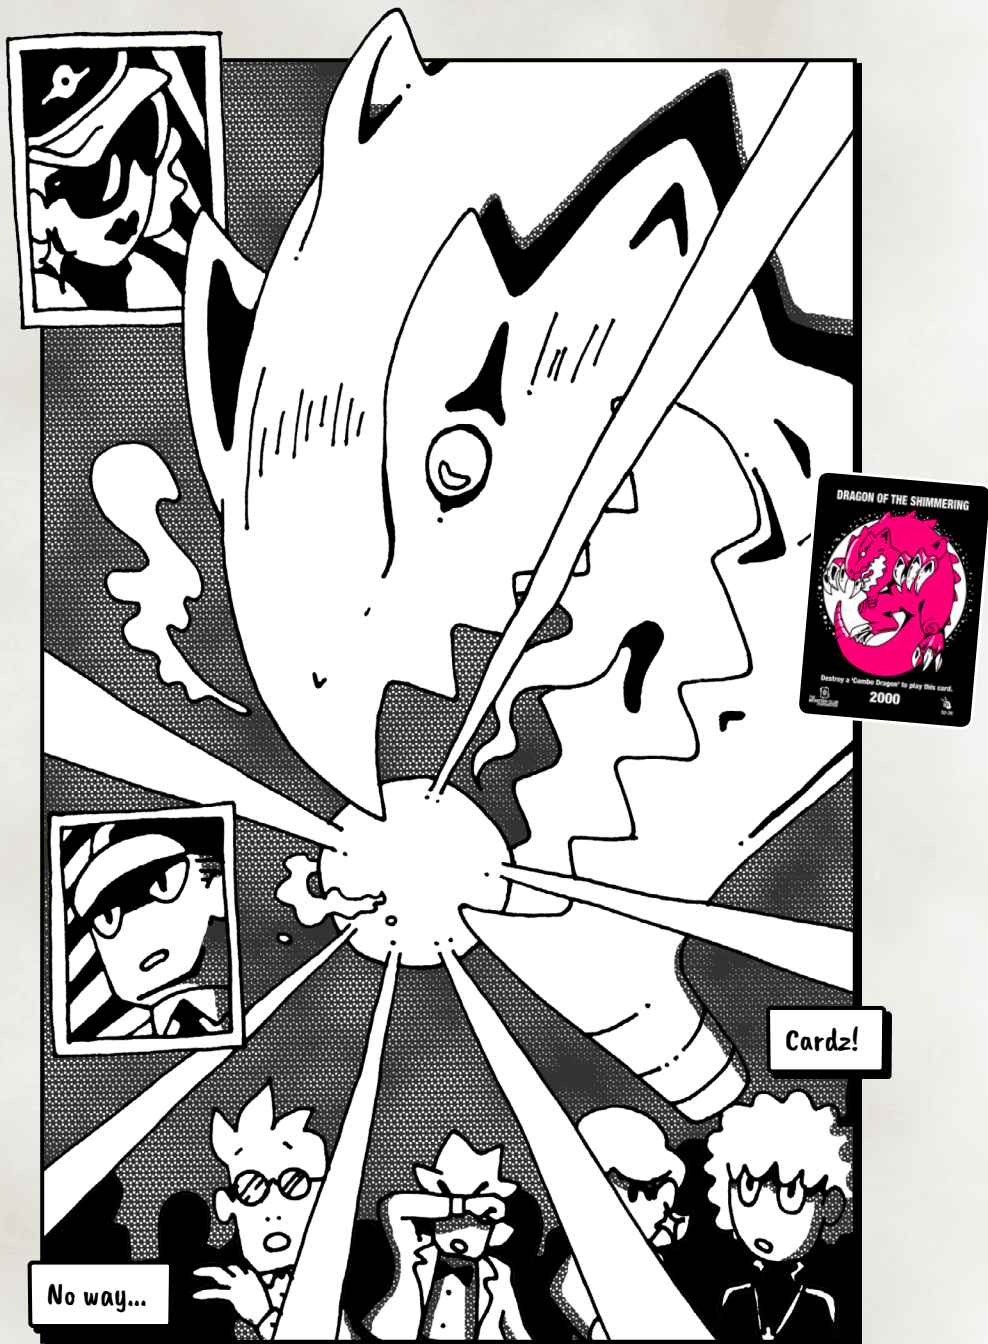

But Janice just played the mighty Dragon Of The Shimmering and initiates an attack on Cardz his final monster card on the board. Will this final attack wipe Cardz out of the game and out of the tournament?

Whilst both Janice and Cardz are entirely new to the multiplayer format, Archie seems to be perfectly in control. Behind his hands, Cardz seems to be playing a game of bluff, betting on the support of either of his two opponents.

THE STORY CONTINUES NOW...

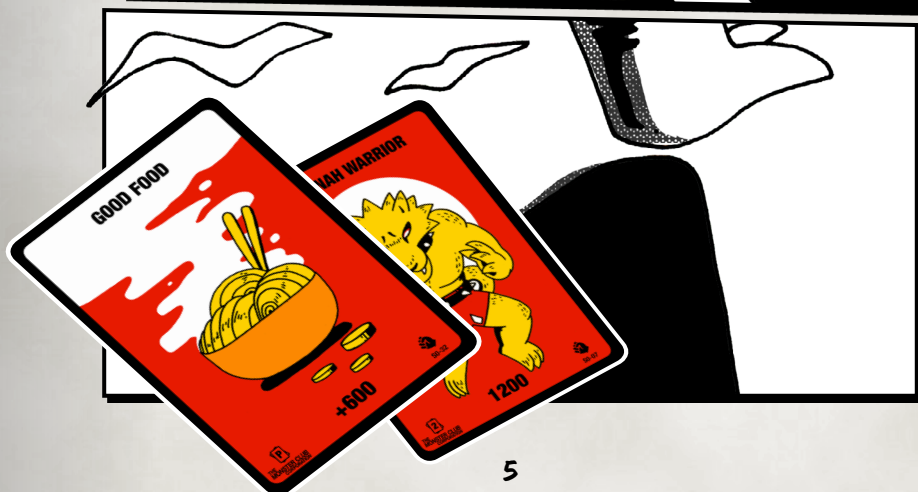

Cardz!

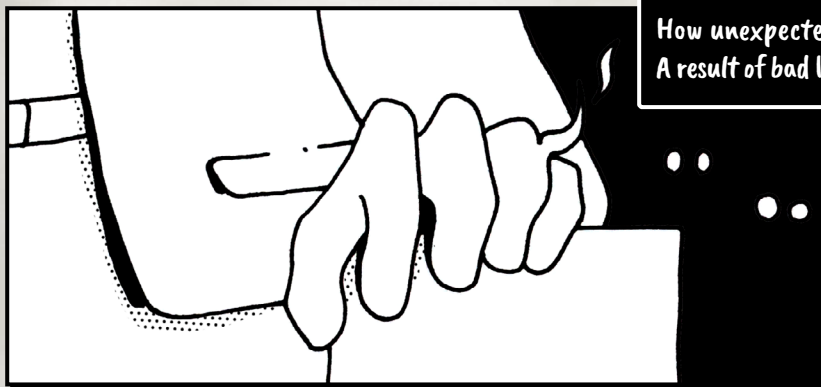

No way...

He still
has a face
down
card!

!
OH
NO
!

How unexpected.
A result of bad luck.

You played a
remarkable
tournament.

Congratulations,
mr. Cardz. I am
certain that if you
had just a little
more luck you
would have played
a better game.

I would love to play
again sometime.

I agree.

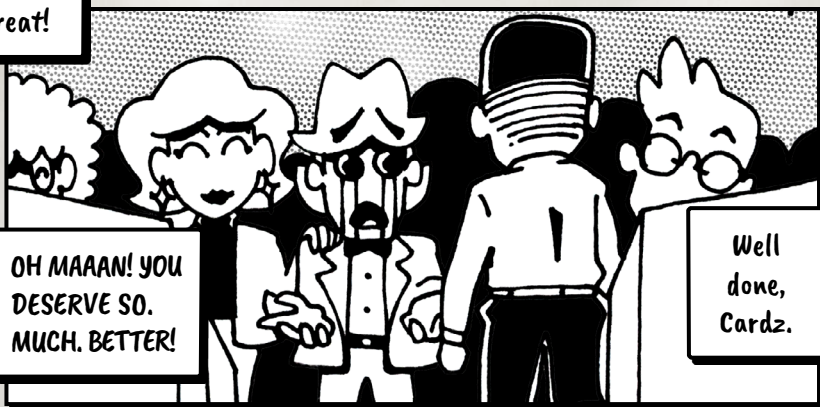

Thanks
everyone
!

The pleasure
was all on my
side. Until we
meet again!

You did
great!

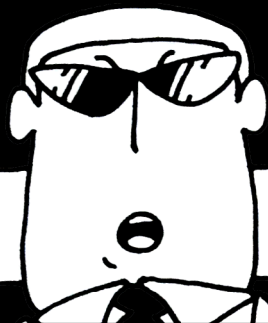

OH MAAAN! YOU
DESERVE SO.
MUCH. BETTER!

Well
done,
Cardz.

**LADIES AND
GENTLEMEN!**
We would almost
forget that we're
still in the middle
of the finals!

Both our finalists
are even at this
point. Therefore,
the next player to
destroy a monster
of the opponent is
the new champion!

BUT WAIT!

Before we
proceed I
wish to know
the true
identity of
my opponent!

And why
would I
agree to
this?

Aren't you the
one who makes
the rules here?

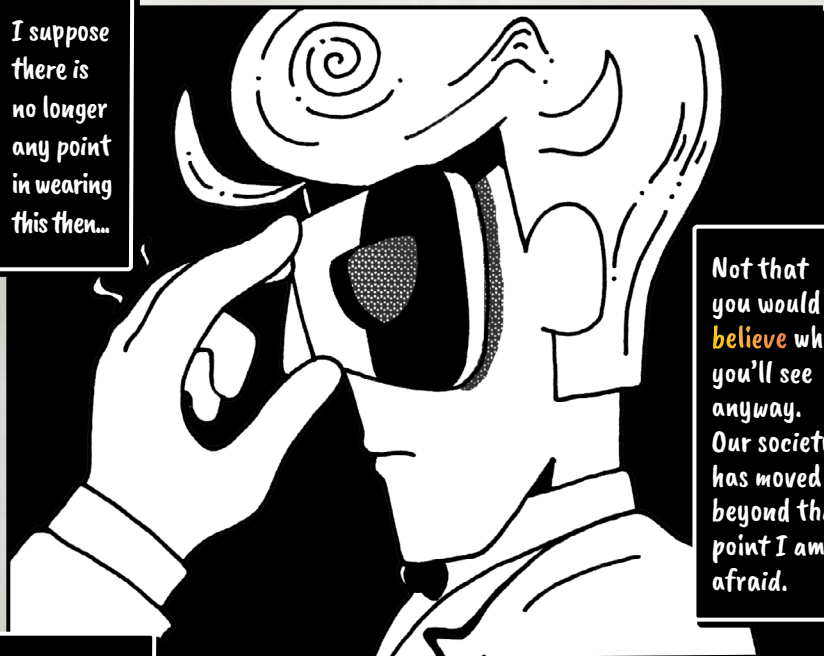

If you do
this I give
you my ace
card, The
Witch Of
Power, right
now!

...

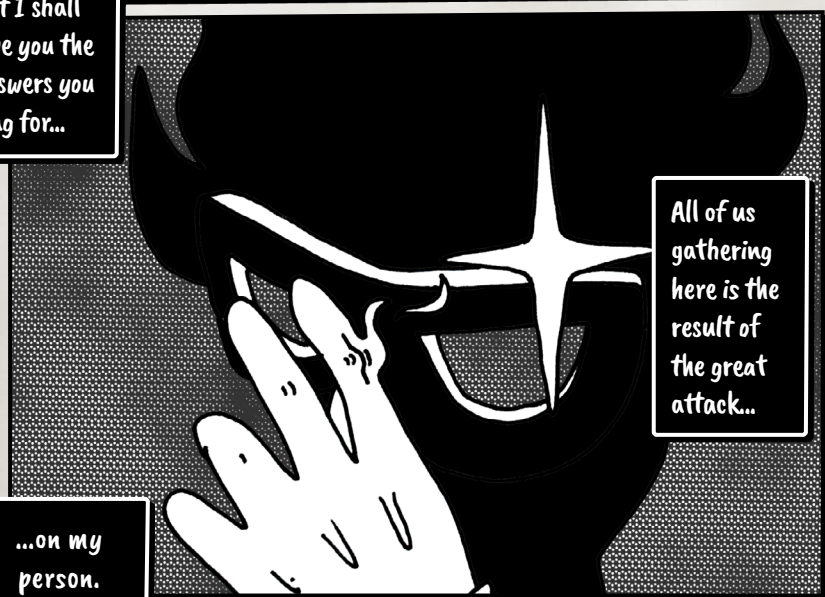

I suppose
there is
no longer
any point
in wearing
this then...

Not that
you would
believe what
you'll see
anyway.
Our society
has moved
beyond that
point I am
afraid.

But I shall
give you the
answers you
long for...

All of us
gathering
here is the
result of
the great
attack...

...on my
person.

I have gone by
many names...

What a show!

CARD THIEF RAY

ARCHIE DRAFTY

The quality
of these
holographic
images is
just....

But yes. The Spectre
Of Games is Card Thief
Ray. Ghehehe... I've
looked better. I know!

I searched wide and
far for you but you
came to me, Janice.

In here my eyes
are everywhere.

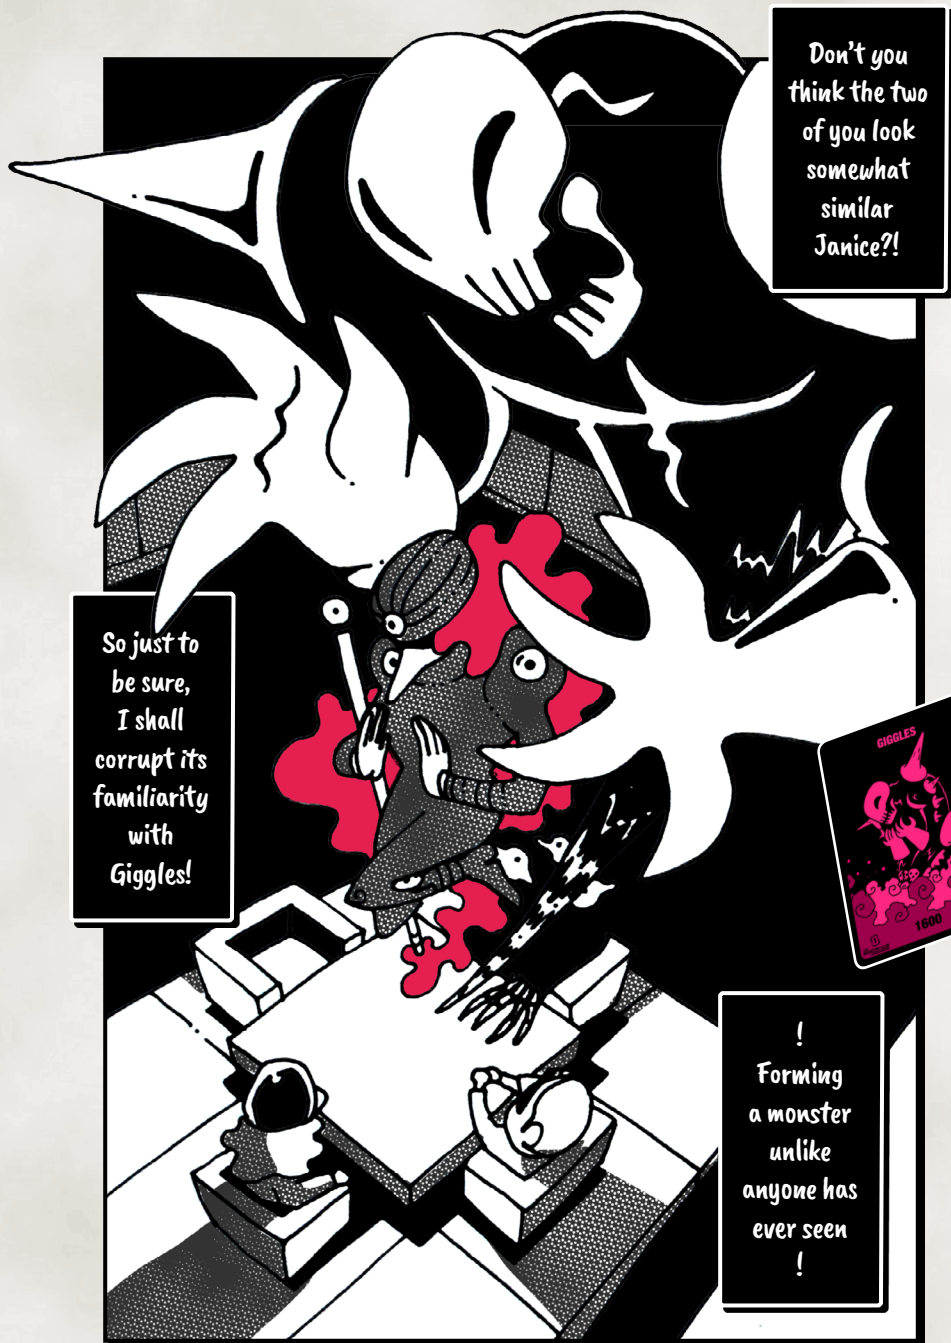

For I expected this card, The Witch Of Power, to be some kind of final trap...

...which is why I gave it to you enclosed to the secret letter after the pre-laps.

I watched it perform under your command carefully. But it seems to function just like any other card after all!

So I shall instantly put it to good use!

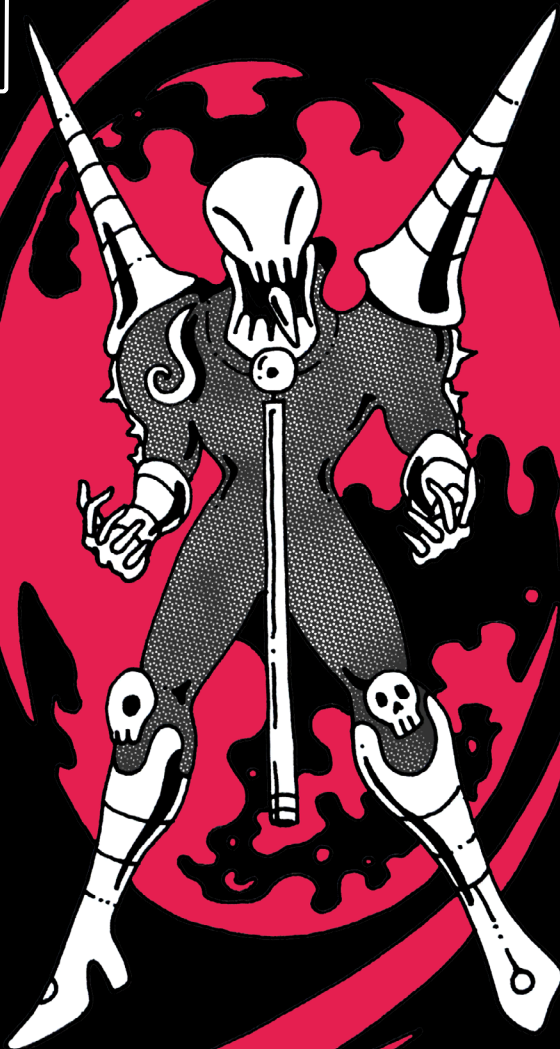

Don't you
think the two
of you look
somewhat
similar
Janice?!

So just to
be sure,
I shall
corrupt its
familiarity
with
Giggles!

!
Forming
a monster
unlike
anyone has
ever seen
!

!
The
Witch Of
Distortion
!

Time and
space
distort as
this omen
of power...

...moves
closer...

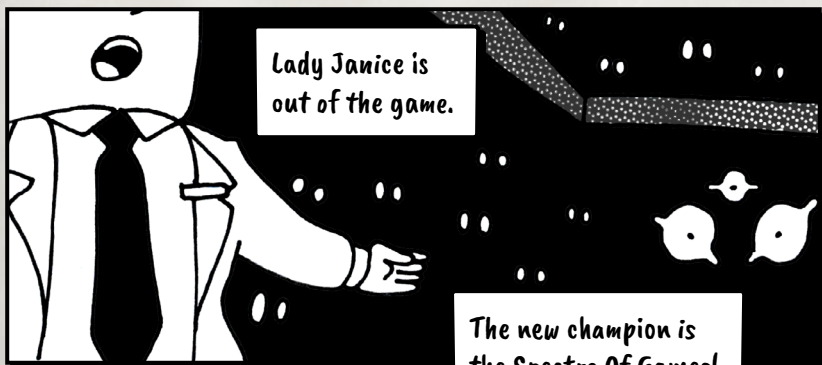

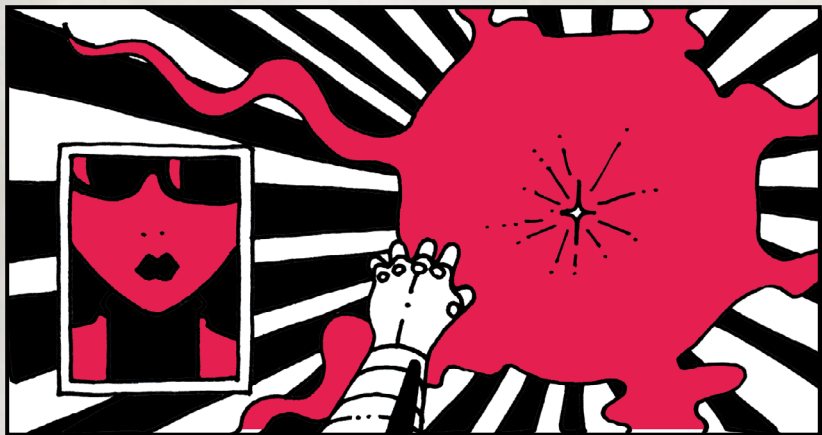

Which it
will, Janice!

For I am
taking
the risk!

Witch Of
Distortion!
Attack the
Dragon Of The
Shimmering
and grant me
victory!

Congratulations, sir.

Loyal.

It's mine...

Then why is this still
going on... What's
going on? I don't
understand...

What have you done?!
Something is terribly off.
I just know it!

You are **THE** Janice!
I ensured that!

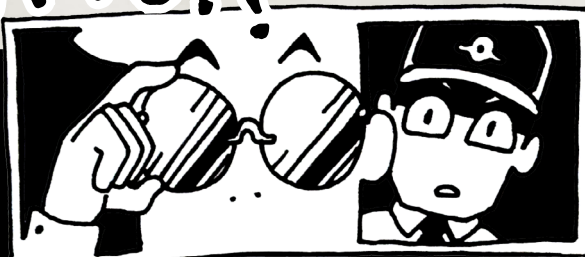

You have not won what
you desire most, Ray.
Whatever that may be.

Because
Janice never
returned
after the
pre-laps

She never
returned
after reading
that letter...

CHARLOTTE?!

Not even I saw that coming!

Whilst you had your eyes on the prize we made sure your chances of winning would be diminished to zero, Spectre! Games outside of games, remember?

No time to change eh?

During the semi-finals when you beat me as Archie, I just knew you were too good of a player to be unknown.

But you know what I find so strange, Ray. It is as if you always have to leave a clue so one may unravel the truth. Like with the anagram in your name...

After all you played fair and won this game. But that's all you got! Ha!

I'M OUT!

Ingenious.

YOU SAID
YOU WANTED
A REMATCH
SOMETIME!

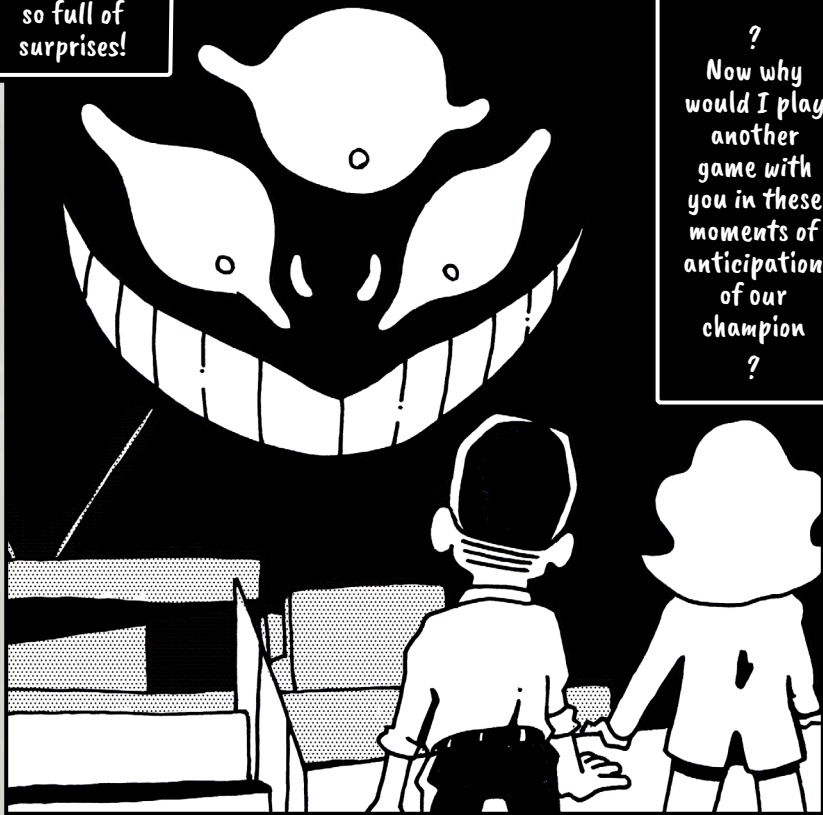

HERE I AM!

Eh?

You are
so full of
surprises!

?
Now why
would I play
another
game with
you in these
moments of
anticipation
of our
champion
?

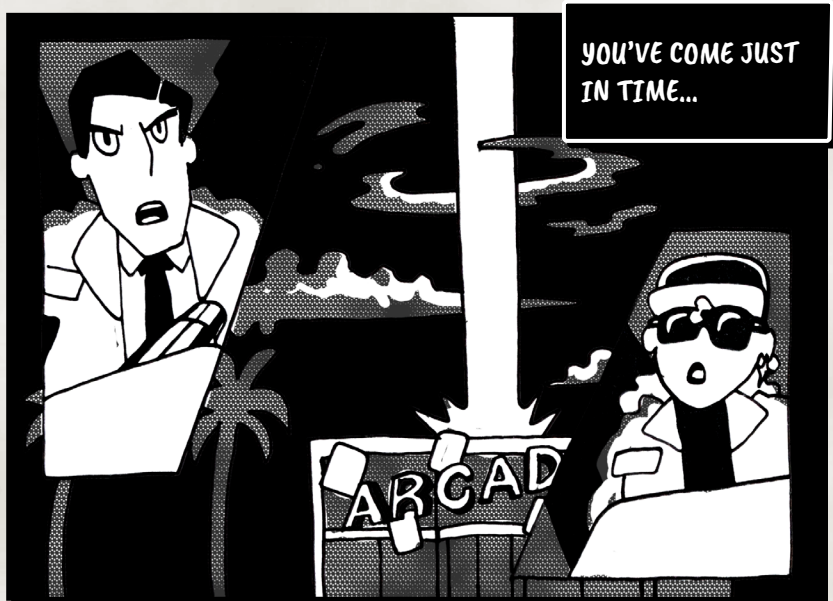

Very well..

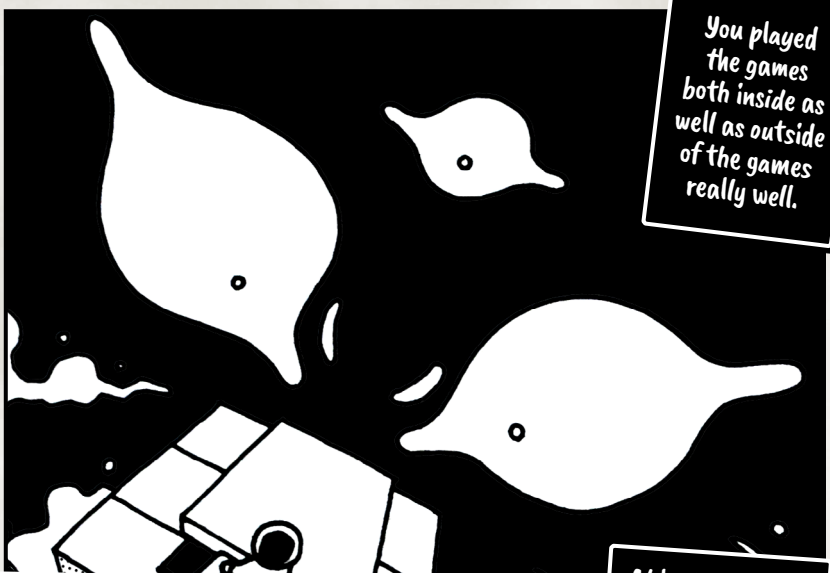

Looks like
you've found
your way here
after all...
So the board has
expanded outside
of the arcade
walls I see.

But you'll
have to wait
just a little
longer to win
your card
back, Janice.

You played
the games
both inside as
well as outside
of the games
really well.

For that
note holds
the secret
location of
an artifact **I**
desperately
need.

At last, all pieces
are coming
together mr.
Cardz. Janice has
made her way
here. But first we
play our game!

-I just can't
believe all of this
is happening,
Ray. I can't
believe it's real.

Now that is
the problem,
mr. Cardz.

But I found a
workaround for this
extensive issue...

Knowing the location of
The Scepter Of Games
means a great deal. But
there is more to controlling
it than just holding it.

But why bother
you! Isn't it rude
to keep a lady
waiting? So I
suggest we start
our game at once!

Perfect!

Ha! And so do I.

...

So do I...

I just hope for a
little more luck
this time around!

YOUR GAME WAS SAVED...
