

FLUTE MAGIC SONGBOOK

BIENVENUE

..dans le monde magique de jouer la flûte indienne. Dans ce recueil de chansons unique pour débutants, tu trouveras 36 mélodies simples, presque toutes jouées avec la gamme de base. Ce sont des chansons bien connues de la culture des tribus indiennes, mais aussi (adaptées pour les débutants) des mélodies de Scott August, Odell Borg, Jim Mayhew ou faites par moi-même. À dessein, je n'ai pas fait de CD avec des exemples de la façon de jouer chaque chanson. Parce que la bonne façon de jouer n'existe pas. N'essayons donc pas de tout jouer exactement comme il est écrit, car ce n'est qu'un début ou un exemple. Je t'invite à jouer chaque chanson comme tu le préfères toi-même. Crées donc ta propre version de chaque mélodie et écoute à quel point tu la joues magnifiquement !

WELKOM

..in de magische wereld van het spelen op de indianenfluit. In dit unieke songbook voor beginners vind je 36 eenvoudige melodieën die vrijwel allemaal gespeeld worden met de basis toonladder. Het zijn bekende nummers uit de cultuur van Indianenstammen, maar ook (voor beginners bewerkte) melodieën van Scott August, Odell Borg, Jim Mayhew of door mijzelf gemaakt. Met opzet heb ik geen CD of MP3 bijgevoegd met voorbeelden van hoe je ieder lied zou moeten spelen. Want de juiste manier van spelen bestaat niet. Probeer dus niet om alles precies te spelen zoals het is genoteerd, want het is allemaal slechts een aanzet, of een voorbeeld. Ik nodig je uit om ieder nummer gewoon te spelen zoals jij dat mooi vindt. Maak van iedere melodie je eigen versie en luister hoe mooi jij het speelt!

WILKOMMEN

..in der magischen Welt der Indianerflöte. In diesem einzigartigen Liederbuch für Anfänger findest du 36 einfache Melodien, die fast alle mit der Grundtonleiter gespielt werden. Es sind bekannte Lieder aus der Kultur der Indianerstämme, aber auch (für Anfänger bearbeitete) Melodien von Scott August, Odell Borg, Jim Mayhew oder von mir selbst. Ich habe absichtlich keine CD mit Beispielen gemacht, wie man jeden Song spielen kann. Denn die richtige Spielweise gibt es nicht. Versuchst du also nicht, alles genau so zu spielen, wie es geschrieben steht, denn es ist alles nur ein Anfang oder ein Beispiel. Ich lade dich ein, einfach jeden Song so zu spielen, wie es dir am besten gefällt. Du machst also deine eigene Version jeder Melodie und hörst du mal, wie schön du das spielst!

A series of diagrams illustrating the fingerings for the Zuni Sunrise flute. The diagrams are arranged in four rows. The first row shows three individual fingerings for the left hand (circles) and right hand (ovals). The second row shows three fingerings for the left hand, with a black arch connecting the first three fingers. The third row shows three fingerings for the left hand, with a black arch connecting the first two fingers. The fourth row shows two fingerings for the left hand, with a black arch connecting the first two fingers. The diagrams use blue circles and ovals to represent finger positions on the flute keys.
