001 Berry & Bird

### Stainless Steel Digging Spade

#### Berry & Bird

With the perfect rust resistant spade, it is convenient for gardeners to clean the soil.

#### Features

- Superb polished stainless steel head
- Nice ash handle with a perfect Y-shaped design
- Extended handgrip for improved strength
- Wide tread edge for the aiding digging efficiency and comfort
- Remarkable rust resistance
- Less soil adhesion
- Double flat rivets for comfort in use
- Weight performance above UK standards
- 15-year guarantee

#### Usage

Ideal for use in large soil areas  
Used for general cultivation, digging, soil turning, planting and improving drainage

#### Product Specification

- Length: 1110mm
- Head Size: 290 x 177mm
- Blade thickness: 2.5mm
- Product Code / SKU: 80800001

### Stainless Steel Border Spade

#### Product Specification

- Length: 1040mm
- Head Size: 225 x 140mm
- Blade thickness: 2.5mm
- Product Code / SKU: 80800003

### Stainless Steel Border Fork

#### Product Specification

- Length: 1040mm
- Head Size: 227 x 137mm
- Product Code / SKU: 80800004

### Stainless Steel Digging Fork

#### Berry & Bird

With the perfect rust resistant fork, it is convenient for gardeners to clean the soil.

#### Features

- Superb polished stainless steel tines
- Nice ash handle with a perfect Y-shaped design
- Extended handgrip for improved strength
- Remarkable rust resistance
- Less soil adhesion
- Weight performance above UK standards
- 15-year guarantee

#### Usage

Ideal for use in large soil areas  
Used for general cultivation, soil turning, aerating and breaking up soil

#### Product Specification

- Length: 1110mm
- Head Size: 300 x 170mm
- Product Code / SKU: 80800002

### Stainless Steel Pointed Spade

#### Berry&Bird

Classical handcrafted pointed spade is good for harder to work soil

#### Features

- Firm and solid superb stainless steel head for strength
- Rounded head for effectively penetrate for precise digging and planting
- Easy for digging holes amongst dense planting
- Nice ash handle with a perfect Y-shaped design
- Extended handgrip for improved strength
- Wide tread edge for the aiding digging efficiency and comfort
- Excellent rust resistance
- 15-year guarantee

#### Usage

Ideal for use in large soil areas  
Used for digging, soil turning and improving drainage in harder to work soils

#### Product Specification

Product Specification  
Length: 1100mm  
Product Code / SKU: 80800094

### Stainless Steel Planting Spade

#### Berry&Bird

Classical handcrafted planting Spade is good for harder to work soil

#### Features

- Firm and solid superb stainless steel head for strength
- Tapered narrow head promotes to digging and planting precisely
- Easy for digging holes amongst dense planting
- Nice ash handle with a perfect Y-shaped design
- Extended handgrip for improved strength
- Wide tread edge for the aiding digging efficiency and comfort
- Excellent rust resistance
- 15-year guarantee

#### Usage

Ideal for planting trees, shrubs and bulbs  
Used for digging and transplanting

#### Product Specification

Product Specification  
Length: 1100mm  
Product Code / SKU: 80800095

Designed to reach the borders and beds and to relieve the need for bending.

With the perfect height, it can be efficient for gardeners to work easily, to relieve the need for bending and to reduce back burden.

Gardeners can feel joyful and would like to cultivate, to plant and to weed with such a handy long handled tools.

Stainless Steel Long Handled Range come with a 15-year guarantee.

### Stainless Steel Long Handled Fork

Berry&Bird

Designed to reach the borders and beds and to relieve the need for bending.

#### Features

- Superb polished stainless steel tines
- Nice ash handle with a tapered design for comfort
- Excellent height for easy working, relieving the need for bending and easing back burden.
- Remarkable rust resistance
- Less soil adhesion
- 15-year guarantee

### Stainless Steel Long Handled Trowel

#### Product Specification

- Length: 1245mm
- Head Size: 150 x 83mm
- Blade thickness: 2.5mm
- Product Code / SKU: 80800006

### Stainless Steel Long Handled Weeding Knife

#### Product Specification

- Length: 1585mm
- Head Width: 72mm
- Product Code / SKU: 80800007

### Stainless Steel Long Handled 3 Edge Hoe

#### Product Specification

- Length: 1600mm
- Head Width: 130mm
- Product Code / SKU: 80800008

#### Usage

Ideal for use in borders and beds  
Used for light cultivation, planting and weeding

#### Product Specification

- Length: 1255mm
- Head Size: 130 x 77mm
- Product Code / SKU: 80800005

**Stainless Steel
