

Coaching of leaders

Position yourself

The smart move

As a leader it is extremely important to position yourself within the company: « What is my motto? », « Am I legitimate? », « What are my values? », « What requires improvement? »

Our 8-step process and various tools will support you in your positioning.

1

- Establish and commit to the coaching relationship

2

- Initial request: how to be more proficient?

3

- Current reality: anamnesis and professional performance

4

- Desired state: work on vision

5

- Set ambitious SMART goals

6

- Identify blocking points and define options

7

- Define a strategy and build up a sustainable action plan

8

- Identify follow-up points

16-to-18-step process of 1h30 each
