

Summer Residence Course Schwerin

INTERESTING ABOUT SCHWERIN

Schwerin is the state capital of the federal state of Mecklenburg-Western Pomerania and has almost 100,000 inhabitants. Mecklenburg-Western Pomerania has the longest coast on the Baltic Sea in Germany and Schwerin is also characterized by water, which is particularly advantageous in summer.

Schwerin is also called the city of seven lakes. The most famous and striking building in Schwerin is the castle (which was added to the UNESCO World Heritage List in 2024), which now houses the state parliament of Mecklenburg-Western Pomerania.

The old town is also very well preserved.

In terms of sport, volleyball is well represented in Schwerin; SC Schwerin has been German champion twelve times.
