President's Report

A fantastic rollup of 50 people for Laurie and Jill's function last Wednesday night at the Canadian bay Hotel. There were plenty of laughs, a special visit by a reindeer, a very moving speech from one of Laurie's former medical students (you had to be there) and the chance to share a few Laurie stories.

There were 9 original Charter Members in the room, with Steve Carew even flying in from Queensland especially. It was also great to be able to recognise Laurie's tremendous support of Frankston Sunrise with the elevation of his Paul Harris Fellowship to Sapphire status. Congratulations Laurie and best wishes Laurie and Jill on your retirement.

It was also fantastic to have JTW and Glenys there on the night. I don't think the smile left John's face all night and the welcome he received from everyone there was very heartfelt.

Just 2 more meetings before Christmas and hasn't that 6 months flown by. See you Wednesday.

Pete

I was walking past a farm and a sign said 'Duck, eggs'.

I thought: "That's an unnecessary comma - and then it hit me."

Coming March 2020...

A joint project of Rotary Frankston Sunrise & Peninsula Rotaract

What is Interact?

Interact are school based service clubs

Globally, there are more than 20,000 Interact Clubs across 159 countries

More than 450,000 Interactors

What does an Interact Club do?

Interact Clubs organize 2 projects every year:

One that helps their school or local community

One that promotes international understanding

The students themselves decide what the projects will be. Causes they are already passionate about, or opportunities we and our Rotary network may introduce them to.

How Does It Work?

Interact members run their own club with Rotary and Rotaract there to mentor and hopefully open some doors

They elect their own Board and chair their own meetings

They meet twice a month at lunch times, with a Rotary/Rotaract member in attendance

What does it offer its Members?

The opportunity to participate in fun service projects

To develop leadership skills

To serve their community – locally and globally

To make new friends around the world
