## President's Report:

Hope all the fathers had a happy Father's Day on Sunday and were spoilt rotten as we so deserve!

Six of us joined the other clubs in the Nepean Cluster for a dinner last Thursday night at the International. There were over 100 people in attendance and it was great to hear a little more about our neighbouring clubs and of course the opportunity to meet many more Rotarians.

Great progress is being made on the Treadmill Challenge which will be upon us in no time. At the time of writing there are still 2 Treadmills available for sponsorship, so please get your minds focussed on corporates you may know that could come on board.

A reminder to the Board that this week's Board meeting has been pushed back to Tuesday, 17th September due to the number of Board members currently away.

Look forward to seeing you on Wednesday when I believe Stapes will be telling us about his recent travels including visits to some places that I suspect most if not all of us will not have experienced.

Peter.

## Treadmill Challenge Sunday October 20th 2019 8am - 8pm Only 7 weeks to go!

**Update:**

Total raised so far \$9,000.

Go to: <https://vsk.grassrootz.com/rotary-frankston-sunrise-12hr-treadmill-challenge> for leaderboard & updates.

Still need treadmill sponsors VIP.

**Why run it?** It's a local community event that only requires the ability to walk or run to participate. Age is also not much of a barrier either. It utilizes a Club members facility with all the required treadmills in place & raises money for a worthy cause Very Special Kids, who have successfully run a similar event for a number of years now raising millions of dollars, so we have a blueprint to follow.

**We aim this year to raise \$20k**, after expenses. This will come from 10 treadmill sponsorships at \$1k each & then we hope the participants on each treadmill raise an average \$1k between them which means a further \$10k.

**What can you do?**

Our first priority is to find the 10 sponsors of treadmills ASAP. Currently we have 6:

Ray White Frankston  
Lite n' Easy Carrum Downs  
CORE24 Frankston  
Willerby's Solicitors & Conveyancers  
Vietnam Veterans/Frankston RSL  
FOCUS Life

A hard copy flyer will be available on Wednesday & you will also be emailed a version to send to prospects for this event you may have, potential sponsors in particular. We anticipate there will be 2 sorts of sponsors:

Engaged Sponsor: they will pay their \$1k & will also organise participants to occupy the treadmill for 12 hours

Non engaged Sponsor: happy to pay the \$1k but will struggle to get participants. **This will be another way you can help out, finding participants to fill blocks of time on the treadmills**

**Finding Sponsors & participants.** Apart from word-of-mouth this event will be highly social media driven. We will be using the databases of CORE24 & our Club initially but would encourage you to use your own social media contacts to spread the word. More to come about this.

Any questions please talk to any of the Treadmill Challenge committee
