OLERON ISLAND, PRE-GAMES PREPARATION CENTER !

- A modern, secure and accessible sports center.
- A preserved environment guaranteeing the comfort and privacy of the athletes.
- A rate of sunshine of more than 2000 hours per year. Hence its nickname : Oléron the luminous.
- A territory at the same altitude as the city of Paris
for a perfect acclimatization before competitions.
- An island renowned for its climate and its sweetness of life.
- A network of accomodation, leisure and restaurant partners.
- Competent and available health professionals.
- Professionals of the tourism sectors attentive to the needs of the athletes
and who are used to cultural differences.
- A multilingual team mobilized.
- A welcoming land for sports clubs and groups since over twenty five years.
