President's Report

Welcome to the end of what has been the weirdest season in my 14 years of involvement with SDJFC.

We are so lucky to live in Western Australia. As a true-blue sandgroper, I've always thought that and have never wanted to live anywhere else. Finally, our separation from not only the world, but the rest of Australia has worked to our advantage and I am so grateful we could get our footy season started and now completed. This year, more than ever, the committee have worked tirelessly to ensure that our club was able to meet the State government health and safety guidelines and WAFC protocols required to play junior sport.

It takes a huge amount of behind the scenes work prior to the season starting. This year, we again surpassed 1000 players across the club. Those 1000 kids had to be placed in appropriate spreadsheets ready for allocation into teams. Congratulations to Helen Stapledon, in her first year as Registrar, for her efforts with this task. As in previous years, Sheldon Turner (Auskick) and Andie Fagan (Mods/Opens) did a terrific job with allocations, trying to accommodate all requests. We fielded 23 Auskick, 21 Modified Rules and 14 Opens teams in 2020, and welcomed our first Starkick players into our Auskick program. Congratulations to John Sobolewski for his efforts with these amazing kids and their families.

Without our many game day volunteers, junior sport would not be possible. For many, this is an annual offering of their time. I implore as many of you as possible to become involved so everyone can enjoy being a spectator sometimes. Although recognition is not the reason most people volunteer, the WA Football Awards recognises those who are outstanding in their roles. Congratulations to Sheldon Turner, Jeremy Bowden and John Burton – finalists in their respective categories of the awards. The SDJFC Auskick program was also a finalist in the Auskick Centre category.

SDJFC was represented by 4 teams in Grand Finals this year, an extremely difficult task as teams had to finish 1st or 2nd from the shortened home and away season of 10 matches. Congratulations to Year 8 Seahawks and Year 9 Seahawks for winning Premierships and to Year 8 Hawks and Year 9 Hawks who were runners-up in their divisions. Seacrest Reserve was again chosen as a Grand Final venue, hosting 8 games. The Year 9 cohort took over the canteen as part of their fundraising for the 2021 Trip Group which was extremely successful.

The Club's success can also be measured by the multitude of individual honours of current and past players:

- * Runners-up in the Northern Conference Fairest and Best Awards – Jonas Rocke (18s Hawks), Ben Steinmann (Y9 Seahawks), Alex Walford (Y9 Hawks) and Kaleb White (Y8 Seahawks).
- * Zac Sadowski and Toby MacDonald (Y10 Hawks) were named in the WA Under 16s squad and past players Blake Morris and Sandon Page made the WA U18s.
- * Liam Hickmott (Round 7) and Wil Hickmott (Round 1) made their League debuts for Subiaco FC.
- * Finally, Luke Foley debuted for West Coast in Round 16 v Western Bulldogs.

A special thank you to Garry and Jenny Jackson for their tireless efforts in the canteen again this year. With the assistance of the "Friends of Sorrento Duncraig JFC" and other sponsors, the club is able to provide all the equipment required and keep our fees as low as we do.

Hopefully 2021 will see the club, in its 50th year, achieve even greater things. I would really love you to share in its success. Volunteer, join the committee, encourage your friends to register...do whatever you can to promote what is an incredible club.

Open Rules Summary

Well 2020 season was my first year as Opens Co-ordinator at the club and what a interesting season to undertake the role. Covid 19 threw a number of curveballs at us, but despite a couple of weeks when the season looked like a non-starter I think the year was a positive. The season was unusual in many circumstances and the condensed nature of the season resulted in there being an adjustment to the usual finals format. The top four was dispensed with and teams who finished Top 2 at the end of the home and away season automatically went through to Grand Finals. The depth of our club was on display as we ended up having 8 of our Opens teams finishing their seasons in the Top 4 of their competitions. Heading into the final round of the home and away season we had 4 teams fighting for spots in grand finals and 2 teams who had already qualified.

When the home & away season ended we managed to have 4 teams in grand finals and were fortunate to have all grand finals at Carine. Grand final day saw plenty of Brown and Gold on display and all teams battled hard in trying conditions. Congratulations to the Yr 8 & Yr 9 Seahawks who both managed to win Premierships and well done to the Yr 8 & Yr 9 Hawks who were brave on the day and came away as runners up in their competitions.

Outside of team success the club's depth continued to flourish with many boys achieving success throughout the season. We had a high representation with WAFL development squads in both the 14's Subiaco (7), West Perth (3) & Perth (1) & the 15's Subiaco (13) & West Perth (3). A number of players made the Subiaco, West Perth and Claremont futures squads and two of our boys Toby McDonald & Zac Sadowski both made the State U/16's squad, which is an outstanding achievement. Two of our older players Sandon Page & Neil Erasmus both played in the Subiaco Colts Premiership with Sandon also earning a spot in the State U/18's squad. Planning is already in place for 2021, which hopefully will be a little more orthodox and allow for a little more planning. I anticipate we will have large numbers in Year 7 based on 2020 (Yr 6) numbers, however we possibly will need to look at reducing the team numbers in Year's 8 & 9 based on 2020 and teams in these year groups needing players to play up on a regular basis. Year 10 for 2021 is still up in the air with regard to format but we will deal with whatever hand we are dealt. I want to thank you all for your assistance and hope you all have a great summer and look forward to seeing you again in 2021. To the year 12's who end their junior football journey good luck with your future endeavours and I hope your years at Sorrento Duncraig have left you with great memories and long term friendships.

Modified Rules Summary

2020 season is behind us and certainly a year/season we will never forget. I think we can all acknowledge unlike some of our cousins in the East, we were blessed to get a season underway when at times it looked highly unlikely. As the song goes, sometimes you don't know what you've got till it's gone and I think the Covid interruption proved this, with high levels of enthusiasm on field upon return to footy. Despite the uncertainty for the season, we had large numbers of Modified participants with team sizes at capacity and fielding 20 teams from Year 3 to Year 6. This creates a healthy future for the club and brings with it logistical nightmares across our training venues. I wish to thank all volunteers and the committee who enable our club to function. I managed to get to many Modified games this season and witnessed impressive displays across the board by our teams. The future is certainly bright for our club with Subiaco and West Perth benefiting from the talent our club continues to produce. Other achievements/highlights for season 2020 were Jeremy BOWDEN (Yr 5 Dolphins) being a finalist for the Subiaco District Modified Coach of the year. We also won the Jim Stynes Memorial Shield in the annual compromised rules carnival.

We are already planning for season 2021 with an anticipated large number of modified teams creating pros and cons. It is inevitable each year team numbers reduce in year groups, which results in teams having to combine. This is never an easy task and it is something I undertake with the overall members and club interests as the priority. I do take into consideration all requests and both Helen (Registrar) and I do everything we can, to accommodate our members. This is a difficult task and it is logistically impossible to please everybody. We are 35 teams spread across the age groups but we are one club. Embrace any team changes you may face in 2021, interaction and making new friends is what makes this club and game so special. I am hoping to handover the reigns of modified co-ordinator to a fresh face in 2021 and encourage anyone who wants to assist to come on board our Committee. We have dedicated volunteers but are always looking for more hands to assist. Thanks for another great year, enjoy your summer and I look forward to seeing you all again in 2021

Auskick Coordinator's Report

For a while it looked like the 2020 season would be a write off but thankfully we were able to get in 10 fixtures with little to no impact on how it operated. If nothing else the year has shown us the amazing resilience our youngest club members have, with membership reaching similar numbers as the last couple of seasons.

A huge thankyou to our parents who were supportive and patient with the club through the early weeks of Covid-19 as we awaited direction from the WAFC on how the season could progress. A special thankyou to the committee and our club President, Michelle Richards, who in her first year at the helm showed great leadership and control navigating through the myriad of problems that arose throughout the season.

What will be my last year as Auskick coordinator it was great to see the number of willing volunteers slowly grow over the last 3 years while I have been involved in Auskick, I encourage all parents to be involved in any small way you can so we don't have to rely on to few to do the heavy lifting! Thankyou to those that volunteered this year, I hope you enjoyed your time and will be back again next year!

Lastly, thank you to all of our fantastic kids for a wonderful season! Seeing the kids improving each week and enjoying our great game is extremely fulfilling and I have thoroughly enjoyed my time as Auskick coordinator.

Registrar's Report

Well the end of season 2020 has come and I certainly don't remember 'writing a report' for the Yearbook as being part of the 'job' description, but then nothing this year has been expected.

We didn't expect to have a pandemic, we didn't expect to have a toilet paper shortage, we also didn't expect to have a footy season at one point but we finally got one albeit a shortened and modified version of what we are used to.

This is my 1st year as registrar and 2nd year at the club, despite all the challenges that have been thrown at us I would have to say both have been positive experiences.

I can't count the number of times my phone has pinged this season announcing a new registration. It was great to see all the registrations coming through and the faith all our members had that their children would get to play football this year.

All in all we ended up with close to 700 members over Modifieds and Opens. Strong numbers in our 4 through 6 year groups will hopefully mean continued positive numbers moving forward for our opens teams.

Congratulations to our four teams that made it through to the grand final – Year 8 Seahawks & Hawks and Year 9 Hawks & Seahawks.

Also wishing our Year 12s good luck as they finish up their years in junior football. I hope during their time at Sorrento Duncraig they have built some strong friendships and will hold many good memories.

Thanks to all our returned Managers for their hard work and involvement this year and to our new managers for taking on the task in a challenging year - you all did a great job.

Much of my contact with Managers and Coaches this year has been via email, text or over the phone so I look forward next year to getting to know and recognising a lot more faces in person.

A big thanks goes to Michelle and Andy for all their help and support this year and answering my endless questions as I have found my feet in this role and to the rest of the committee for being so welcoming to a newcomer. Committee meetings have certainly been interesting (both in person and via Teams)

So goodbye to Season 2020 and time to put the feet up for a few months!! Wait, no! What's that I hear. My phone is already pinging with registrations for 2021!! See you all next year.

Sponsorship Report

We would like to thank the following sponsors who generously supported our club in 2020:

Muzz Buzz came on board as a new sponsor this year.

Q Design & Construction are our WAFC 18s jumper sponsor. Thank you to Damon and his team.

Krispy Kreme continue to sponsor us through the provision of donuts to sell in the canteen.

Stealth Global provided generous financial support along with significant discounts on merchandise provided by them, thanks to Mike Arnold.

Ben Keevers / Ray White and **Retravisio** have continued their generous financial support. Thanks Ben and Glenn.

The next tier of financial sponsors are **Chest Constructions**, **LifeNet WA** and **Sportspower Kingsway**.

Game Guardian is once again our mouthguard supplier. Not only do they supply mouthguards at a discounted price, they hold a fitting session at the club and a percentage from the cost of each mouthguard is returned to the club.

Trophies were provided by **Joondalup Trophies**, a long supporting sponsor of ours. Ali and her team always provide a marvellous service, including delivery and provision of extras in case of breakages. This saves heartache for some Auskickers who are boisterous with their trophies!

Participation Awards were kindly provided by **Bakers Delight** Mullaloo, **Hungry Jacks**, **Mad Mex**, **Krispy Kreme Donuts**.

Thank you very much to each and every sponsor and also to **City of Joondalup** for their ongoing support.

Your contributions are greatly appreciated.

Social Events

2020 SDJFC Social Report

The 2020 season was a season like no other experienced in the Club's 49 year history. It was almost the season that never was.

We had grand plans this season of many wonderful social events for our footy families but unfortunately Covid-19 came along and threw a spanner in the works.

Season 2021 will be a HUGE year for the Club as we celebrate 50 Years of football. Our members can look forward to an array of many fabulous events to commemorate this incredible milestone.

Social Night

It was decided with the ever changing Covid-19 environment, that the much-anticipated social night would not proceed this year. It will be back bigger, better and brighter in 2021 so watch this space.

End of Season Colourama Fun Run

One event we did manage to host this year which gave everyone cause to celebrate, was the end of season Colourama Fun Run!!!

This year we ordered more powder and more foam which meant more fun for all our little footy legends. Once again, it was a resounding success with more participants than last year and seeing all the smiling rainbow faces on the kids (and adults) ensured its spot on the 2021 social calendar!

A special thanks to our committee members who helped set up on the day, parents who volunteered to throw the powder and Perth Foam Parties who provided the foam machine.

Appreciation Night

Appreciation Night was held on Friday 25th September at the Percy Doyle clubrooms. It was a great night spent celebrating the end of a very interesting season at Sorrento Duncraig Junior Football Club. Over 90 people attended who were sponsors, team managers, coordinators, umpires, first aiders, life members, committee members and many more who volunteer their time to our Club.

Appreciation night gives SDJFC the opportunity to thank the many people who help run the club and give their valuable time and money to support our kids. It is the volunteers who put their time into our club that contribute to the Club's success and we wouldn't be the Subiaco Districts Junior Club of the Year two years in a row in 2018 & 2019 without them.

On the night we were able to publicly thank some individuals who have gone above and beyond over an extended period of time for the Club. Life Membership was awarded to Darren Thompson.

Our Club President Michelle Richards presented the President's Awards to Andie Fagan. It was well deserved recognition for his contribution to the Club over the years but particularly this season when Andie took on both the Modifieds Coordinator and Opens Coordinator roles.

A big shout out to Rosanna Gigliotti from Bonnini Foods who treated everyone to an amazing selection of Italian dishes on the night, Matt Debarro from The Silent Deeds got us into the groove with his amazing musical talents and lastly, John and Byron Boys from Liquor Barons Hillarys who look after us every year with the supply of drinks on the night.

Sorrento Duncraig Junior Football Club is full of amazingly generous people so good luck to all our members returning for 2021, it's going to be HUGE as the club celebrates its 50th Anniversary. See you out at Seacrest!

Year 12 Awards 2020

The Year 12s and their families gathered with coaching staff and committee members at Hillarys Yacht Club to celebrate the end of their junior football careers at Sorrento Duncraig JFC. The room was decorated with club coloured balloons with photos on both sides – the first early in their playing days and the second a more current one. Thanks to Anielle Rocke, Zoe Healy, Nicole Donohoe and Narelle Rossiter for their hard work in preparing the room.

Players were addressed by David Castelaneli, WA Youth Ambassador in 2018, about ‘tips to achieve success’.

After the main meals were served, 100 and 125 game medallions were presented to players who played all of their games at SDJFC. This was followed by the announcement of players achieving Junior Life Membership, a special award reserved for players who have played their entire junior football career at Sorrento Duncraig, from Year 4 when they begin Modified Rules.

The final presentation was the Ted Day Award. The 2020 recipient was Daniel Keays. It is interesting to note that Daniel received the Mal Lothian Award in Year 10, which is an award based on similar qualities and personal attributes.

Players were then ‘presented’ with their playing jumpers with their chosen number and nickname. The boys gathered for one last time to sing the club song.

100 Game Medals were presented to the following players:

Max Caiacob	Julian Chester
Cameron Day	Christopher Downey
Ben Hudson	William Hunter
Luke Italiano	Mathew Reynolds
Jonas Rocke	Jai Wilson
Noah Coutas	

125 Game Medals were presented to the following players:

The Ted Day Shield Winner

The Ted Day Shield was created in acknowledgement of the support provided by Ted Day to the Club as a coach and supporter to multiple 17s teams over many years. For several years post coaching his son's team, Ted Day supported the 17's teams week in and week out. In recognition of his support the Ted Day Shield was created

Ted Day was involved in the Club when it was known as

the Sorrento Junior Football Club. The colours in those days were navy blue with a black sash and the home ground was Robin Reserve. Ted Day started coaching the under 11's in 1974 (our first Premiership) as his son, Shane, started playing football. Ted coached his son until he completed in the 15's, a total of 6 years. Ted then continued his involvement in the Club supporting a number of

17's teams over several years. Ted Day also coached teams within the Duncraig Junior Cricket Club, as it was then known. 'Teddy Day' as he was affectionately known was a true pioneer of our Football Club.

The Ted Day Shield is awarded to a player in each of our 17's Team who demonstrates a very positive influence on the team, who works hard and tried their best each week. The player is recognised by both the Coach and the players as a significant contributor to the entire team, on and off the field.

The winner of the Ted Day Shield in 2020 is Daniel Keay.

18s HAWKS

A very different year had by all. Around the start of February we started preseason training and we were travelling along nicely with a strong program that all benefited from. Along came COVID-19 and out the back door went footy for us all. We tried to stay in contact with some sort of program, but it was difficult to keep at the level we were going at pre COVID-19. Not to worry, sometime later the coaching staff were ecstatic to find out that we could train again in small numbers and then larger numbers within strict guidelines. I will have to say that the coaching staff was so very impressed at the commitment of the lads to get back on track. The footy year started with a short 10 game season with a last round being round 11. Most were just thankful to get on the ground. Round 11 was an interesting round with the final series played as we finished on the ladder.1v2 (Grand Final). 3v4 Final game etc. Unfortunately the Hawks finished 3rd and missed out on the Grand Final. The Dolphins were unlucky also not to be up in contention and they had a tough year playing in division 2. I guess to sum up the year, we really didn't get to our full potential but very thankful to be playing at all.

Many thanks go to the Managers (Brendan and Narelle Rossiter) and all of the parents that were outstanding behind the scenes every week. Things always seemed to run perfectly. The coaches this year were Dan Ryan (Dolphins Head Coach), Paul Rogers (Assistant Coach) and Peter Donaldson (18's Head Coach). Excellent effort by all. Thanks go to the parents that stepped into positions out of their comfort zone, couldn't have done it without you.

Blake Morris and Joshua Moses represented us in the 2020 Subiaco squad. Blake has gone on to be invited to the 2020 Draft camp.

Jye Camilleri – Jye started in the Dolphins this year as a strong inside mid. He worked very hard during the season to finally be elevated into the Hawks team which from the outside looked seamless and he never looked back. Looking forward to his 2021.

Joshua Moses – Subiaco Colts Representative again this year. Had one of those years with injury coming at the wrong time. To his credit he played a number of games with us and had a huge impact on the contest. Always will be a strong SDJFC member. Best of luck Josh.

Tom Elliott – Tom came to us from another club this year and instantly fell into the Hawks team and had a huge effect on our game. He was probably the hardest person on himself that I have witnessed in footy. Always seemed to kick a goal when we needed one and was unlucky not to finish the year of due to injury. Great year all the same.

Conail McCarthy – Vice Captain and outstanding leader of the club. One of the most exciting players to watch in the squad. He seemed to really enjoy his year and the responsibility as a leader. Could easily see him playing high grade football for years to come. A pleasure to coach and always listened to feedback whether good or bad. "Always for the team".

Blake Morris – Subiaco Colt and State representative. Didn't see much of him at all this year. Good thing about Blake is his ability to stay focussed on the job and to always be himself. Just loves playing footy for any grade. Will be interesting to see his Draft camp results. Good luck Blake!

Harper Baron-Hay – Jack of all trades and can play anywhere. Skills on both sides of his body and unlucky to have a nasty injury in Round 2. Harper's ability to have composure and the time to use the ball well shows his uncanny way of reading the play. Came back late in the last few rounds and didn't let the team down, in fact was outstanding. Could play at any level.

Tyson Cook – Cooky came to us from another club and we were thankful that he played his last year in junior footy with us. Speed....you can't handle to speed. He had the incredible ability of coming in and out of the contest without the opposition knowing. Skills improved as the year went on also.

Cooper Connolly – Watched from the sidelines for far too long. Although not being able to train with us due to WACA commitments, there was no sign of lack of fitness or finesse and he comfortably made his way into the Hawks team. Outstanding player with the ability to have fun with his mates. Hope you hit it out of the park Coops and we see you next year.

Finn McCaffrey-Nicholls – Big name and even bigger in heart. Won our Best Clubman this year easily. A real team player. Finn played in a number of roles this year and it didn't click. Saying that a lot of players could have chucked it in but he didn't and I rate him highly as a team player and all-round good guy. This persistence will see him play high grade football.

Kyden Donohoe – Although Kye played most of his footy in 2019 in the midfield we found a new role for him as a running back. His speed is impressive and after some work Kye could hit a target anywhere on the ground. Can only get even better.

Aiden Nguyen – “AIDO”....Classy player who improved this year immensely. Always wanting to find out more and a human sponge when it comes to playing better footy. Nice to see his confidence grow in the squad and great to see him play fantastic footy. Played in West Perth Futures squad.

Cameron Day – Another footballer who is hard on himself. Bounced back and forth between both teams. Played in several different roles. Cameron is better than he believes and to be so versatile as a Year 11 makes a coach rub his hands together for next year.

Mitchell Slattery – Another player with WACA commitments who arrived late on the scene. Slats is an enjoyable player to watch. Composed and relaxed. Seem to have a lot more time than he should have. Hope to see you play footy again but if not good luck mate with your Cricket.

Joel Healy – Great guy with an incredible attitude. Massive tank and ran all day. Unlucky, and bounced between both teams. Towards the end of the season cemented his position with the Hawks. A real team player and although a Ruckman played as a KP forward. An easy player to coach.

Pierce Rose – Impressive season from PJ and he played in every third of the field. All-rounder with the ability to impress in any position. Played in Subiaco Futures squad and looked comfortable at any level. Looking forward to next season.

Daniel Keay – Ted Day trophy winner. Well deserved. Dan has the ability to play on a player one on one and win. His skill level has improved and he has become a valuable backman. Dan is a player that a coach can rely on. Whenever he is near the contest we win.

John Watters – John is an outstanding person with excellent attitude towards his team. A reliable player rarely beaten in the contest. His marking prowess stood out throughout the year. A pleasure to coach.

Connor Ougan – Connor came to us from another club and thank goodness he did. One of only a few that was forever asking for where he can improve. Was elevated to the Hawks after impressive efforts. Hard at the contest in and under. Improved as the year went on. His use of “the next disposal” got better and better and he won his fair share of clearances. Has an attitude of all in or nothing. Enjoyed his year.

Brodie Everett – Brodie had a good year and plays the game like an inside midfielder although he is of Ruckman size. His around the ground work this year was awesome to watch and he was forever taking contested marks. Thanks for the great year and the hard work in the Ruck.

Greg Manning – Most improved trophy winner. Greg's total change over the year was phenomenal. He started in the Dolphins as the ruckman and was elevated to the Hawks after some instrumental plays. He was given a role as the tall defender and learnt the position quickly with great results, keeping some of the opposition forwards very quiet. Impressive year for a Year 11, can't wait for next year.

Adam Germana – Played a different brand of footy this year taking on a more “break the lines” style of football. Was 2nd best and fairest for the team and 4th B&F in the District. Outstanding year for a player that I was always hard on. Great to see you prove me wrong. Keep doing it.

Noah Coutas – Another player that is impressive for his age. Played in a number of roles this year and was a recipient of the Coach’s award. Noah improved this year and his confidence grew. His footy went to another level. He is composed and calculating, can kick a goal. Looking forward to next year.

Cody Connell – A recipient of the Coach’s award. Cody’s need for improvement and his overall effort as a player is to be commended. Always early to training and eager to impress. I can see him playing football at a very high level. Keep up the questions and always look to improve.

Ronan Rose – Hawks Team and 18’s Head Captain. Ronan was a real pleasure to work with. Unassuming with a real “get the job done” attitude. Extremely hard at the contested ball, more than not, often winning it. A team player right to the last game. Great leader led from the front.

Sebastian Smith – “BP man” the quiet achiever. Seb has blistering pace and really improved to another level with his decision making. Never took a backward step and could be relied on in tough situations. Respected by his peers for these reasons.

Anthony Siciliano – One of the quickest in the squad. Ant is another that will break the lines when he is playing his best footy. Great skills and a really good kick. Most forwards would love the ball coming into them from Ant’s foot.

Jonas Rocke – I said last year he would be hard to hold this year. How right can you be? Best and Fairest for the Hawks and 2nd Best and Fairest in the District. Powerful forward who pushed up the ground this year. Overhead very strong with an impressive penetrating kick. “The human tank”. Will be looking forward to see how you go at the next level. Good luck.

Callum O’Shea – Improved significantly this year and cemented his spot in the Hawks team. His ability to take the game on showed me his confidence had grown. Callum loved a goal and really showed me how he sponged everything up that he learnt. Great year and a solid foundation for the next step.

Jake Rossiter – Played with the Hawks this year with the intention of creating a new role forward. Top 3 best kicks in the team and trained the house down. Strong overhead. Looking forward for Jake busting out of the chains next year and flying. Always had a constructive answer to my questions for the team.

Oliver Dijkstra – Olly came to us from another club. Olly is probably one of the best decision makers I have seen in this game at this age. His ability to win the ball and hit the next target was outstanding. What he lacked in speed he made up in composure. Easy player to coach.

Will Hunter - Will bounced back and forth between the A and B side. Not an easy year for him however, Will would have enjoyed getting the experience and this will do well for his last year in junior footy 2021.

Jake Roche - Really missed his skill set. Unfortunately for us he decided to play for his private school team. Hope all goes well Jake

Year 10 HAWKS

The Year 10 Hawks squad were glad to see the 2020 season finally start. The majority of the side were returning with some handy inclusions of new players entering the team. When the competition resumed the team re-entered into A grade and on conclusion of the rounds we finished just outside the top 4. All games the side participated in were extremely competitive and unlucky to not win more games.

Congratulations to our team award winners, also special mention to the boys who made development squads and to the 2 State 16 team representatives, Zac and Toby.

Year 9 SEAHAWKS

Wow what a season! First of all thank you to all our parents and SDJFC volunteers from the Year 9 Seahawks. Without you we would not have had the success we did for 2020 or clean jumpers, boundary umpires or goal umpires. Michelle Moses, Karen Buckley, Justine Thompson and Paul Moses, Thank You. Paul Salamone did an awesome job of being the team runner and never missed a beat rain, hail or shine, Thank You.

The Seahawks had a couple of changes at the start of the season, Coach Deesy started the boys off getting fit in the pre-season but sadly work commitments took over. Old "Sorrento Duncraig Boy" Tom Medhat took over the reins bringing with him some high level football knowledge, that confused most parents and assistant coaches, but the Seahawk's team responded and finished their season in top spot and 2020 Premiers.

1 Riley Peters loves kicking a goal and his confidence getting the hard ball out to his team mates from the bottom of the pack has increased significantly this year.

2 Adam Lalani is a master at winning the footy. Very rarely lost the competitive ball when it hit the ground. Very reliable in the forward line and loves having a snap at the big sticks.

3 Trent Johnson, what a first year of football. Trent has come across from another football code to play AFL and immediately made an impact. Always has a smile and taken some of the toughest marks running back into play.

4 Oliver Craig's marking was a highlight this year. Put into full forward early and didn't disappoint, kicking multiple goals a game and was a great target up forward.

5 Mitchell Baker is a very talented player who can play both ends of the field. Super strong in defence and is a massive option in the forward line. Mitch is an all-round footy player.

6 Robert Sixsmith has exceptional talent and is a regular in the team's midfield to get the hard ball out to the running wingers. Penetrating left foot that set up a lot of scoring opportunities every game.

7 Sam Salamone is a wing and half forward expert. Consistently makes the big tackles and is ferocious at the footy. Always put on the better players in the competition to reduce their impact.

9 Patrick Hackett is a tough competitor who has had his fair share of big moments in the game from laying a defensive tackle to kicking important goals. Never stops until the whistle sounds.

10 Taye Coutas has great skills and forward line pressure. Can work off the wing and midfield as well to provide an impact to the teams scoring chances.

14 Oscar Dees has so much talent, with silky smooth style and fundamentals which will see Ozzie go a long way in football. There is not a position on the ground he cannot dominate.

15 Micheal Buckley "Buckets" is the voice of the team. Always has a positive comment for his team mates and has a great skill picking his mates up when the going gets tough. Loves kicking a goal and positions himself well in the forward line.

16 Tyson Zencich is rock solid in the forward line, ever reliable and loves kicking a goal. Tyson will run hard all day for his team mates, always being an option up forward.

17 Matthew Thompson is a hard-hitting player who can turn a game on its head just by his presence on the field. Always has his head over the ball and can take and give out big bumps.

18 Ben Steinmann is our big man all-rounder. Ben is super talented and when the going got tough he would stand up every time. Ben's talent sees him as a star for the competition and a player to watch for the future.

19 Dylan Moses, if you hear a bone crunching bump or tackle it will be Dylan giving it out. Dylan does not know how to take a backward step and loves running off the half back kicking the ball long into the forward line.

23 Jed Walton, when the going got tough in the middle or backline Jed was called upon. Always on the bigger players of the competition Jed stood the tallest every time.

24 Tyler Kunzli is a very dominate big man who's a ruck specialist (rarely misses a hit out) and rock solid in defence. Tyler will go a long way in football.

26 Kye Mitchell's speed had been let loose this year. Running of the half back is his forte, smashing the ball back into the forward line consistently. Part time ruckman and a fierce tackler when he is in the middle.

27 Tom Bailey is a defensive rock. Tom puts his body on the line every game and thinks about protecting his team mates all the time by putting on some great shepherds and brings down some of the biggest players in the competition.

Grand Final - WINNERS

2020 Northern Conference Year 9 Matthew Priddis Competition Grand Final SDJFC Y09 Seahawks 9.10-64 def. Kingsway Y09 Rockets 4.7-31

The culmination of a great year for our Seahawks! Finishing the season on top of the ladder, The Seahawks went into the grand final against a rival team from throughout the year, the Kingsway Rockets. After two very physical and competitive meetings earlier in the home and away season between these two sides, the stage was set for a classic game of grand final footy. Including several extra early morning sessions and a great week on the training track, the boys showed maturity and professionalism beyond their years to prepare for the game. The Seahawks knew that it was going to take a 19-man effort to get the job done on the day with no passengers. The boys executed this perfectly and when it came time to stand up on the day, every one of our boys did what they needed to do for us to win the flag. With the Sorrento-Duncraig army out in force, the atmosphere at Beach oval was unbelievable and made the day all the more special.

Even though every single player wearing brown and gold on the day played a massive part in the premiership. An incredible performance by Oscar Dees earned him the best on ground medal on the day in his first game back after 5 weeks off with a broken finger.

Proud is an understatement when I think about the way these boys have gone about their footy this year. Grand final day was the perfect way to reward all the work put in by not just the boys but everyone who has been involved in getting these boys to this stage over the last few years.

Year 9 HAWKS

Nathan (Risky) #1 – Lion, continued to play with heart & little regard for his body, valuable asset as groundball winner in our forward half. Lionhearted efforts every contest week in week out & loved by everyone.

Riley #2 – The Stag, a new player who was our #1 Ruck for the year, with big leap, great endurance & desire to work his opponent into ground. Great addition to the team and it was fantastic to have him in our side.

Harry #3 – The Falcon, stepped up with his leadership & is a power runner who is so important to the team structure & ball movement. A joy to coach & a young man who will be a future leader in the community.

Conor #4 – Colt, started slowly with injury but was the usual player with great skills, awareness & fantastic lateral movement when he got on the track. I expect Conor to bounce back strongly with an uninterrupted 2021 season.

Ben #5 – Rabbit, a big step for Ben this season playing between forward & midfield. Highly skilled & with footy smarts, causing issues for opposition. Rewarded with spot in Subiaco 14's development squad.

Nathan #7 – Gazelle, totally different player this season to the inconsistent one we knew. Played every game like it was his last, courageous, hard running & repeat efforts. Rewarded with the Most Improved Player award.

Zane #8 – The Shark, another consistent season by Zane, leaves nothing on the field. Provides hard running from our defence & never shirks a contest. Backed up from 2019 with a spot in Subiaco 15's development squad.

Sam #10 – The Bear, new to the sport, big powerful, athletic, courageous with good developing skills. What a great addition with his hardness & size being vital to our structure. Plenty of potential & huge upside in his game.

Will E #12 – The Eagle, reached new heights & amongst the comp's most talented players. Worked hard on his fitness & rewarded with a spot in Subiaco 14's development squad, R/up team B & F & 3rd place conference B & F.

George #13 – Hounddog, great season tough as teak in our backline providing rebound & reliability. Developed his skills, fitness & our most consistent player. Well deserved winner of the Most Courageous player award

Luke #14 – Tiger, hard ferocious impassable rock in defence. Gained confidence & his game flourished. Week in week out, solid & reliable and his hard work paid off with a spot in West Perth 15's development squad.

Liam #15 – The Bull, reliable defender & important to setting up our defensive structure. Creates rebound with his kicking & handball. Worked on his fitness and was rewarded with spot in Subiaco 14's development squad.

Alex #16 – Roo, responded from an interrupted 2019, coming back fit & determined. Dominated around the middle & maintained high standards all year. West Perth 15's player, team B & F winner and conference R/Up.

Bruce # 17 – Cattle Dog, put the injuries of 2019 behind him and was consistent all year as a hard utility providing rebound and defensive pressure. Plays with no frills or nonsense just gets his job done and nullifies the opposition.

Will H #18 – The Cheetah, massive year, so important to our midfield setting us up every week with his aerobic capacity. Sacrificed himself to negate opposition mids and well deserved winner of Best Team man award.

Mitchell W #19 – The Hawk, really turned his game around, developed his pressure, kicking and most of all his ground ball ability. Gained confidence and belief to clunk some big marks & pose a constant forward threat.

Mitch T # 20 – The Wolf, team captain & all round leader, doesn't get many accolades playing a holding role in the middle but so important to the team. Subiaco 15's Development Squad player, with a future in a couple of sports.

Diesel #21 – The Brumby, a season interrupted by injury but created a hunger to be with his mates on field, which he relished once he got back out there playing an important forward pressure role.

Coops #24 – The Badger, continued improvement this season in leading patterns and created a big presence up forward. Did everything asked of him providing pressure, kicking goals and locking the ball in our forward line.

Matt #25 – Condor, improved season with self belief and taking the game on. Used his booming left foot to great effect and was set for a big finish to the season, until a fractured thumb interrupted his season.

Grand Final - RUNNER UP

What a season it was for the Year 9 Hawks with the boys clinching a top 2 finish, which in the interrupted Covid season saw them advance to the Grand Final against Whitfords. Grand Final day saw all four seasons and we went in knowing our boys would have a red-hot crack to try and top a very strong opponent. Grand final day brought with it some interesting haircuts, which I thought were left in the 80's with mullets, skullets and undercuts making a reappearance.

The game started positively with everything going according to plan with Ben and Will E making the most of early opportunities to get a 2-goal jump on our opponents. As quarter time approached we maintained our lead and were unlucky not to go 3 goals up with Matt hitting a post on the run. Whitfords managed to grab a goal against the run of play on the quarter time siren and we headed in to the quarter time break 1 goal up. The boys came out strongly to start the second quarter and maintained control of the game until the heavens opened stopping our momentum. The wet conditions favoured the bigger bodied opponents, but the boys remained up for the fight in a tough slog and we went into the main break 1 point behind.

The second half started much the way the first half ended with both teams continuing the arm wrestle, however Whitfords banged on 4 goals in the final 7 minutes of the quarter to take control of the contest and leave us with an uphill task down by 23 points at the final change. The fourth quarter started tight with Whitfords slowing the game down, but credit to our boys who rallied to bang on two quick goals. Whitfords began to panic and it looked like we would get within a goal when Connor attempted to slot one on the run from the boundary. The ball looked to be heading straight through until it took a 90-degree bounce in the unattended square and out to the safety of the boundary. Whitfords went to the other end of the ground and managed to slot one from a free kick, before kicking a couple of late ones to seal a well-deserved victory.

The final siren brought some tears and devastation for the boys, but I couldn't have been prouder of them for their achievements over the season. To win 8 from 11 games throughout the season was a credit to the work put in by the boys this season. Whether it was the Covid break making the boys realise how much they loved the game or maturity, something clicked in this group in 2020. The leadership group of Mitch T, Harry and Alex did what we expected and set the tone for the group to try and achieve success this season. I would like to take this opportunity to thank the parents of the Year 9 Hawks who went along way to helping create the bond in this group. Thank you to all of you for affording me the privilege of coaching your sons, it was a pleasure from start to finish.

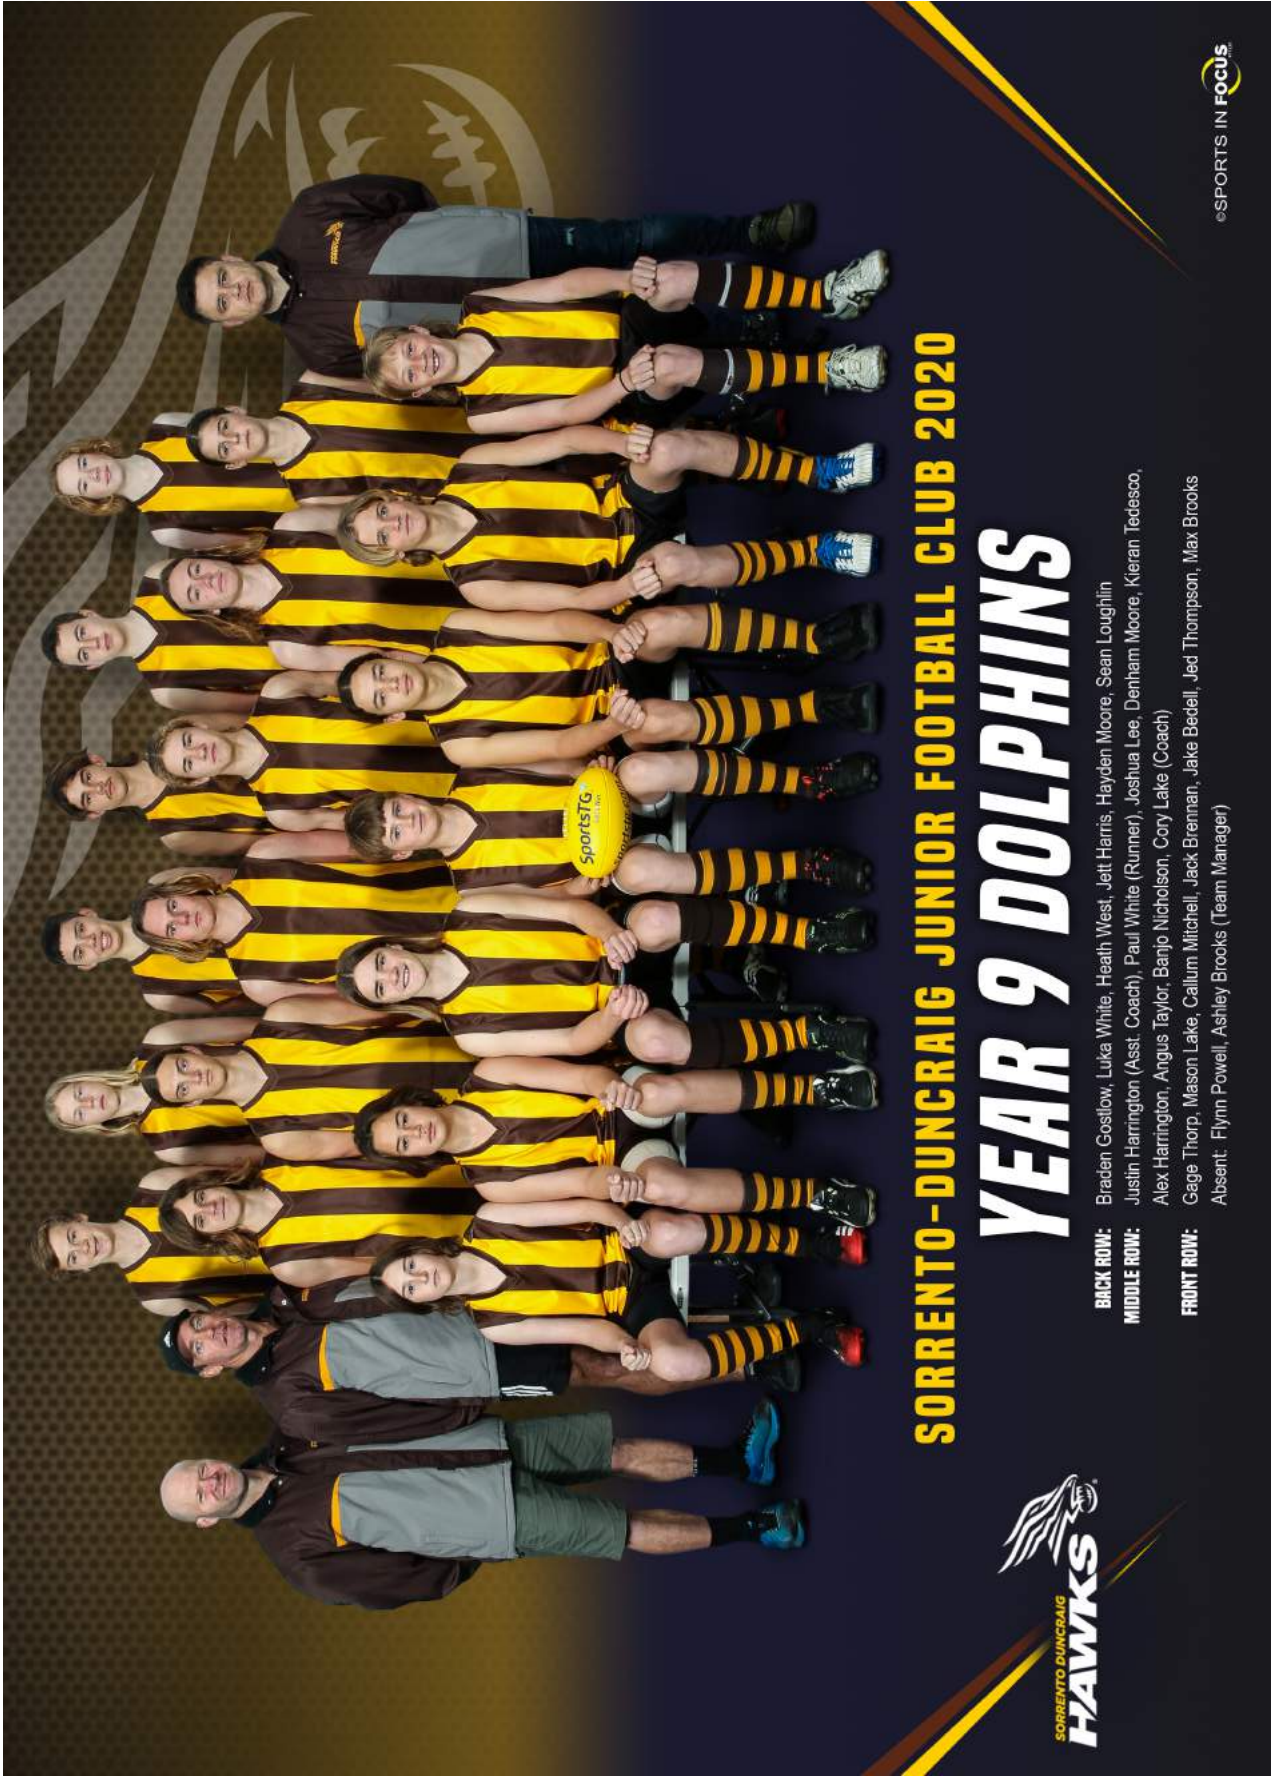

I must make special mention to Chris "Dessie" Headland and Vince Trimboli who couldn't have done any more as assistant coaches. Greg Wright continued as our manager and thanks also to Shelley Walford, Steve Holden, Michael & Renee Dighton who all volunteered regularly through the season. Individual congratulations go to Alex Walford and William Evans who finished second and third respectively in the Competition votes. The Year 9 Hawks also several boys rewarded for their efforts over the season with 3 boys making Subiaco's 14's squad & 4 boys making Subiaco (2) and West Perth (2) 15's squads.

In writing this I am reminded of the good fortune for us in WA to get a season going and how things ended so positively after the unknown negativity around April & May. Whilst we may have missed out on a flag, the season was a great success on a team and personal level for the group. The team created a special bond and many memories along the journey, amongst them was the end of season Dads and lad's night on Mark Kay's property in Bindoon, which was greatly appreciated by all the team.

Enjoy your break boys and let's look to coming back in 2021 bigger and better.

Go Hawks!!

Year 8 SEAHAWKS

Thanks to Michelle, Andie and all the SDJFC committee for getting the season underway under difficult circumstances.

Firstly I would like to acknowledge our fantastic manager Ainslie Cobb who took on this job at short notice, Mike Arnold for his assistance with the coaching, Rob Nicholls as our first aider, Jill Howard for the interchange, Adam Rowles for being the runner and all the parents would helped filling the weekly roster.

Most importantly to the amazing young men I had the privilege to coach this season. They took on all tasked asked of them throughout the year which included plenty of hard running and fitness drills.

We started this year with a squad of 16 players and knew we needed to be fit as we didn't have the luxury of an interchange bench. This fitness along with improved skills was reflected on the scoreboard with us winning 8 games, drawing 1 and losing 1 for the regular season and qualifying for the grand final against Edgewater Woodvale.

This proved to be a really hard fought match in tough wet and windy conditions and resulted in a draw at full time. The boys willingness to work hard for each other got us over the line by two points in extra time to the relief of everyone involved.

Our backline group consisted of:

Ben Baird who's decision making and ball use was always sure.

Cian Lawrence was a close checking defender with improved defensive skills.

Jack Fitzmaurice with his thumping left foot kick turning defence into attack.

Ashton Rowles is a great reader of the play who always worked hard in both defence and in the ruck.

Jacob Howard had the ability to play multiple roles with his strong defensive work.

Our midfield group consisted of:

Michael Nillson our first ruck with unmatched athleticism always giving the midfield first use of the ball.

Marcus Wood and Finley Nicholls were our two in and under players who bashed and crashed the packs all year long dishing the ball out.

Kai Richards and Dylan Mineham who controlled the wings getting plenty of the ball with hard running linking defence into attack.

Kaleb White worked hard through the middle pushing forward and regularly hitting the scoreboard. Capped off with the MVP for the grand final.

Our forward line group consisted of:

Hayden Cavanagh who works hard in every role given to him. Has sure hands on a lead from full forward.

Lucas Arnold provided us with speed around goals and is a good left foot finisher.

Jarren Cobb our most reliable set shot kicker who rarely missed when shooting for goal.

Stan Fox polished ball user who makes good decisions bringing others into the game

James Dwyer continued to improve as the season went on and shows good forward craft.

A special mention to all the year 7 boys who helped us out with numbers throughout the season, especially Kane Gostlow, Griffen Short and Harry Harrup-Gregory who qualified for our grand final team and were all important contributors.

Stay fit and strong for 2021.

Thanks

Knute Richards

Grand Final - WINNERS

SDJFC Seahawks 8s versus Edgewater 8s Grand Final

It was early on Monday 28th September when a very nervous group of year 8 boys arrived at Carine for their pre-game warm up for the Oscar Allen grand final match.

The weather was not favourable for the Seahawks and if history of our playing ability in the wet was to repeat itself, a messy game would ensue. After the pomp and ceremony of the national anthem our boys ran out onto the field looking strong and solid with a mission. The cheers from the crowd egged the boys on.

Edgewater took out the first goal but after that it was Seahawks who had a slight edge on the scoreboard throughout the game. Twice throughout the game our Seahawks pulled away by three goals, but Edgewater fought back to make it a thrilling game.

Our ruckman, Mikey Nilsson, did an admirable job to tap to our advantage in most centre ball ups. A strong midfield would then do their best against the rain and relentless tackling to try and get the slippery ball into our forward line. It was late in the 1st quarter that one of our strong running players, Finley Nicholls, copped a blow to the nose forcing him to take the 2nd quarter off too. He came back strong after halftime.

Kai Richards, Dylan Mineham and Marcus Wood provided a strong engine room, and Ashton Rowles took some strong marks throughout the game. Jacob Howard, Jack Fitzmaurice, Hayden Cavanagh, Cian Lawrence, Stanley Fox, Jarran Cobb, and James Dwyer were consistent players across the ground, and Ben Baird continually rebounded from defence. Kaleb White was strong throughout and kicked some crucial goals, and our fill-in Year 7 players, Griffen Short, Harrison Harrup-Gregory and Kane Gostlow also contributed to the win.

With the crowd on the edge of their seats, a (controversial) goal by Edgewater on the final siren resulted in a tie, leading to 10 minutes of overtime. Edgewater kicked the first goal in overtime, but a goal from the boundary by Kaleb at the halfway point put the boys back in front. They fought hard to ultimately take the game out as premiers by 2 points.

Kaleb White was deservedly awarded the 'best on ground' award.

Year 8 HAWKS

Ben Jones – A big bodied, strong midfielder, who also held down key forward or defensive positions. Has a great burst of speed, which allows him to break through packs & tackles. Consistently gave us first use of the ball from the centre.

Ben Vogan – Enjoyed being a part of the team and continued to learn throughout the season. Does the one percenters in the forward line that helps free up space and time for his team mates.

Brady Lamont – A versatile player, beginning the year as our No. 1 ruckmen & then evolving into a strong, crafty key forward, who was rarely beaten in a contest. Consistently gets in to get the handball and feeds out the handball.

Brock Hodgkinson – “the Rock”. Central to our defence, holding down a key defensive position each week. A great intercept mark, who always remains calm even when under pressure. Very Jeremy McGovern like.

Frazer Rickson – Our Vice Captain. The ultimate team man, who can play in any position across the ground. Does a lot of the hard stuff and is always looking at how he can help his team mates. Is a keen student of the game.

Hunter Collins – An uncompromising backman, who loves to use the space when playing on the wing. Loves the hard stuff & always leads from the front with his attack on the footy. Has great skills and continues to improve each year.

Jack Williams – A very skilful half forward flanker, who bursts through the midfield. Reads the play very well & consistently hits targets, even when under pressure. Wears his heart on his sleeve and never takes a backward step.

Kai Roze – A very smart footballer who uses the space in the forward line and wing to perfection. A good mark and beautiful kick of the footy.

Lachlan Downey – A tough utility, who played on the ball or as a running half back. Hits the pack hard & loves to run with the ball. Played some key roles in locking down & keeping the opposition’s key strong midfielders accountable.

Liam McDonnell – Our Captain. A very fit onballer with silky skills to match. Diversified his game this year by taking on both key forward and defensive roles when required. A great team man who can always be relied upon.

Matthew Downey – Continues to improve as a footballer, with his kicking and marking skills improving out of sight. Runs straight and fast at the ball and rarely gets beaten in a contest.

Max Connell – A new addition to the team and what an addition he was. Very skilful midfielder, who runs all day and never gives up. Always looking to improve his skills and would have one of the best opposite foot in the competition.

Murphy Allen – A strong, big bodied ruck/ forward, with an excellent mark and accurate kick. Took his game to a new level, moving into the ruck & using his fitness to out run his opponents. Made some team lifting and fierce tackles.

Oscar O’Hare – Goes hard and plays like a freight train. Took his game to the next level when moved into the midfield mid-year and never looked back. Best pack marker in the team.

Oscar Barbetti – A very crafty forward, who manages to find space on a regular basis. Always knows where the goals are and loves kicking a snap goal. Showed his versatility when moved further up the ground.

Riley Lewis – Always gives 100%, runs hard and tackles even harder. A great team player, who can always be relied upon to do his role each week. Ultimate back pocket player.

Sam Sparke – Always looking for ways to improve on his game. A strong, fast leading forward who kicked a few bags of goals this year. Kicked the match drawing goal in the final seconds against Whitfords to keep our season alive.

Sean Beckett – A very crafty wingman / half back, who has great bursts of speed. A great mark and beautiful kick of the footy. Loves the open space and is key link between the backs and forwards.

Taj Warren – Also holds up one of the key defensive post's week in week out. Very rarely beaten in a one on one contest and knows when to run off his man. Uses his great kicking skills to perfection.

Will Naismith – A very fit, hard running midfielder, with silky skills to match. Has a massive tank and uses it to push from contest to contest even deep into last quarters. A great kick and was a key link from defense to attack.

Grand Final - RUNNER UP

Whitfords Tigers (15.3 - 93) Vs Sorrento Hawks (5.3 – 33)

After experiencing a slow start to the season, we finished the year strong, having to win the last two games of the year against the teams that were holding second spot at the time to make the grand final. These were both in effect knock out games, with the boys playing their best football of the year to get the wins we needed. This gave us confidence heading into the grand final, with the boys being pretty fired up come game day.

Pre game, we watched our friends, the Year 8 Seahawks, win their grand final in an extra time thriller. We started the game slowly, which was a common trait for the year, with Whitfords kicking the first 3 goals of the match. We finished the quarter the stronger side though and were slightly in front at quarter time. Unfortunately, in Q2 and the best part of Q3 they got the better of us, being able to win the ball out the centre and using the small ground to their advantage by kicking long to their strong marking forward targets. We did manage to kick the last two goals of the 3rd quarter though, which saw us go into the 3-quarter time break with spirits high and the belief that we could still win the game. However, it was not to be, with Whitfords kicking away in the last quarter and in the end, we were beaten by a better and stronger opponent on the day.

The team displayed a never give up attitude and we are so proud of the way they fought back as the year progressed, particularly after the up and down start to the season we encountered. The boys have continued to develop over the last few years and to give themselves an opportunity to win two grand finals in a row is a fantastic achievement and something that they themselves, should be very proud of.

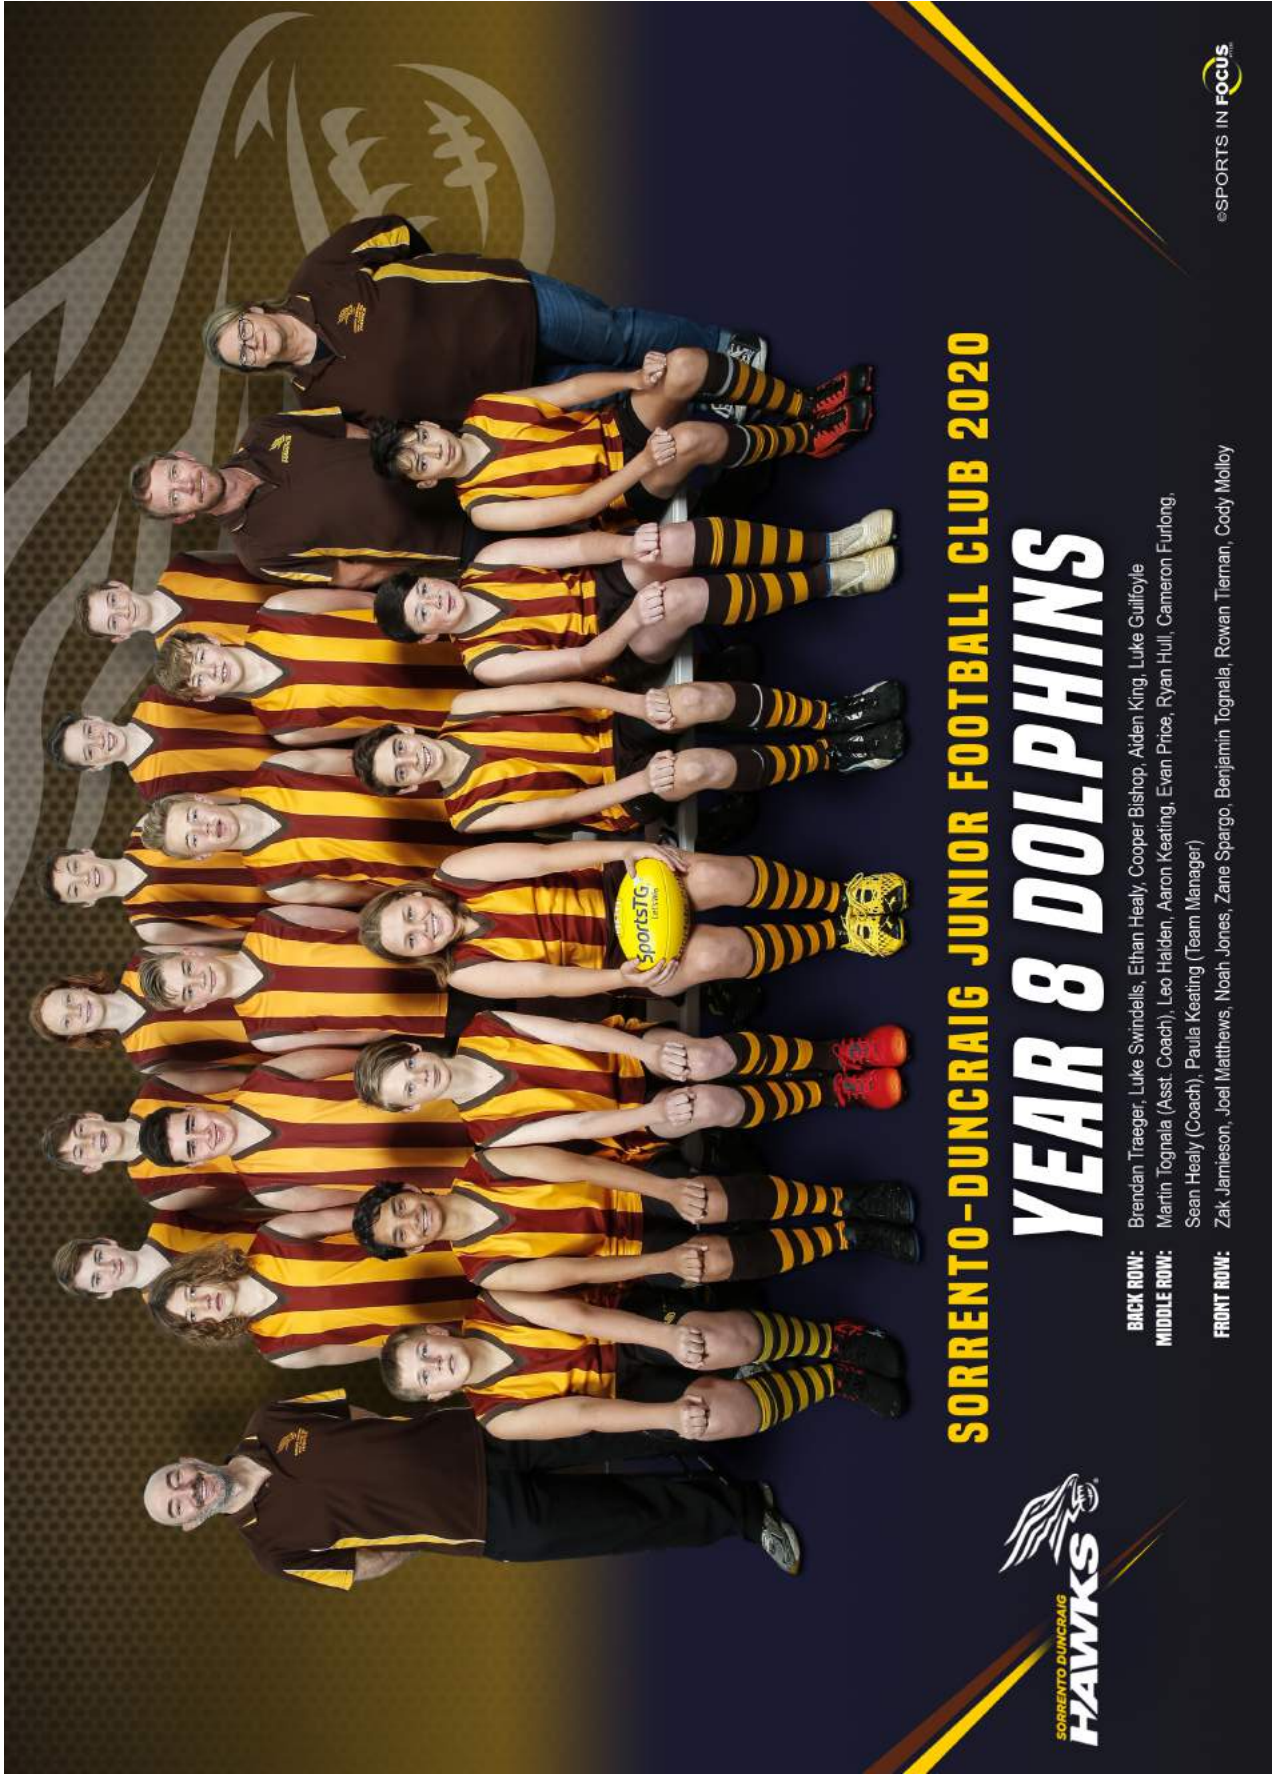

A big congratulations to all of the team for the year overall, and a special congratulations to our trophy winners, Murphy Allen (F&B), Brady Lamont & Max Connell (joint Runner Up), Jack Williams (Most Courageous), Taj Warren (Most Consistent) and Sam Sparke (Most Improved).

Thanks to Chris (assistant coach), Kath (Team Manager), Trav (Runner), and all the parents who have helped throughout the year, it was another fantastic year. Well done Year 8 Hawks.

Year 7 SEAHAWKS

2020 turned out to be a fantastic year for our boys. Facing some much stronger and bigger opponents than previous seasons, saw an exceptional level of improvement both individually and as a team. The boy's ability to move the ball from end to end, was a pleasure to watch with some quality kicking and handball skills in use. They never stopped trying and never gave up, which made it an awesome experience to be involved with this group.

A massive thank you to our manager Vickie who goes above and beyond to ensure the smooth running of the team. Thank you to Vickie, Di, Carly, Sally, Bob, Todd, Steve, Dean and Bart for helping out at training. Thank you to the parents for your support and encouragement of the team during the year. The boys are very lucky to have the passionate and caring people that you all are. Last but not least to Todd and Rachel Perry for the continuous supply of Cold Rock ice cream, Yum we love it.

Flynn Clarke – loves a goal however Flynn has really developed playing in the midfield this year. Fast and courageous while kicking on both sides he is a pleasure to watch and coach.

Jordy Goncalves – learned to play a more defensive role this year but when he goes forward he is a real danger. Jordy never shies away from a contest and is always there to encourage his teammates.

Mitchell Srdarev – unfortunately missed most of the year through injury but the games.

he played he gave 100%. He has a great mark and a very accurate kick on the run.

Robert Smales – a natural talent and leader, Robbie had to play many roles this year and always excelled. Even after running all day and being exhausted Robbie was still able to find something in the tank for his team.

Harry Preston – when Harry backs himself and uses his speed he is a definite game changer on the wing. He worked hard on his bounce, run and his kicking, which saw him kick a few goals this year.

Harper Robson – found a real niche in the backline with his outstanding intercept marking. His ability to constantly find a player with his kick and choose the right option is a highlight of his game.

Jake Perry – if everyone committed to the game like Jake my coaching job would be made a lot easier. Never stops running, tackling and trying to improve which has definitely shown on game day.

Caelan O'Neill – a natural runner and player who once reminded that it is ok to be a little aggressive on the field can produce some remarkable football. A highlight was seeing him kick two goals in a great win for the team.

Liam Cant – One of our most natural and skilled players Liam can do it all. A natural leader at centre half back his ability to fake, intercept, spread and take a high mark is truly exciting to watch.

Lucas Taylor – super courageous with a scary tackle Lucas is a great team man. He simply gets on with the job in any position and if he's not saving goals he is kicking them.

Daniel Holt-Brown – simply put he is superb, playing on the opposition giants. Dan's courage, speed and ability is second to none. Dan is a team lifter who always gives everything on the field.

Jaydon Taylor – takes on every contest without fear, JT is a super fast and extremely balanced footballer. He has a great mark, great kick and always knows where the ball is going.

William Spanoghe – worked really hard this year and became a very important part of the forward line. Was taken out of his comfort zone and put into the ruck which saw him do extremely well.

Max Fitzmaurice – a nice guy, who when reminded to be a little more aggressive can play a good tough brand of football. Definite improvement showing with a best on ground and two goal performance later in the season.

Marlin McPhail – an absolute gun with skills and knowledge of the game that are very impressive. Kicking both sides and marking at full tilt is made to look easy along with his amazing balance and ability to evade the opposition.

Dylan Sture – new to the team Dylan was an extremely powerful and aggressive addition. Was asked to take over the ruck duties and even though the opposition were much taller he would win 90% of the time.

Year 7 HAWKS

2020 what can I say? It was a relief that the boys were able to play at all this year, which we are all grateful for. It was the first year of opens for the boys, what a great year you have had and I congratulate you all with the effort you put in. We had a successful season, just missing out on the grand final. Most games we played were a challenge and I am so proud of how you all stepped up. Thank you to Paul (Manager) and Anthony (Assistant Coach) for all of your help and encouragement to the team. To the parents who helped out at training, medical support, runners and goal umpires, thank you for a memorable year. Dad's versus boys will be interesting next year.

OISIN ALLEN - Unfortunately for Oisin with his broken arm he wasn't able to play this year. That did not stop him from coming to most training sessions and games. What a great teammate, bring on 2021.

JAI BARON-HAY - Runner Up Fairest and Best - Jai had a great year again. With his trusty left foot and him gliding around the oval with ease we can place Jai in any position and will constantly deliver. Well done.

JAMES BLOOMFIELD - Tackling machine. We love watching Jimmy chase players down every game. He thrives on the contest and can run all day. Great season.

SAM CARMIGNANI - Being such a beast allowed us to play Sam in the ruck a lot this season, he was rarely beaten by any opponent. We had him focus on playing a few runs with rolls and again he dominated. Well done.

JOSH DONALDSON - By the season's end Josh was creating awesome contests for us in the forward line. If he wasn't marking the ball and crashing packs he was putting in a hard shepherd for his team mates. Great work.

JUDE FAGAN - We can never question Jude's endeavour and hardness. As the season went on Jude got more of the ball and was dishing it out to his team mates which is awesome. Keep it up Jude.

THOMAS FREDIANI - He has a great ability to be in the right place at the right time. Tom can attack the ball hard, tackle hard and has overall quality skills. Well done.

ETHAN HALL - What an improvement this year by Ethan. You hold your position so well and the attack on the ball has gone to another level. A great progressive season.

JOSEPH HAWKINS - Has a great motor and can run out the game with ease. When Joey gets fired up from general play, he believes in his body and then attacks the contest. Keep it going Joey.

FINLAY HILL - Coach's Award - Another solid year. The way Fin trains, flows onto game day. He is another player we can play anywhere as he has great skills and determination. Top season.

ANDREW HOLLIDAY - Mr Consistent. We played Andy in a few positions then settled him at full back which he excelled at. His run from out of the backline delivering the ball to his teammates was outstanding. Great work.

JAKE HOST - With his determination and skill, Jake played a couple of great games for us, unfortunately he was injured. The team definitely missed his attack on the ball. Bring on 2021.

CALLUM JACK - A great year from Callum. His leading in the forward line has improved, as has his marking. He doesn't mind snagging a few goals too. Well done Cal.

BEN KISH - Most Improved Award - A huge improvement from Ben this year. Also a ruckman for the team, rarely beaten and always gave a good contest. Starting to enjoy the physical side of footy. Good work.

JOSHUA MALYNIAK - Clubman Award- Silky skills, Josh reads the ball off the pack in the forward line unbelievably. Loves kicking goals, which he did often, and is an all-round player. Well done.

JAMES O'SHEA - Has a great set of hands and takes a good mark. We played James in a few positions this year and he didn't disappoint. He is a great teammate and continues to build on his skills. Great work.

LUCAS PELL - Unfortunately Lucas missed a chunk of games at the end of the season. Lucas has great skills and attacks the ball with courage. He was a consistent player. Bring on 2021.

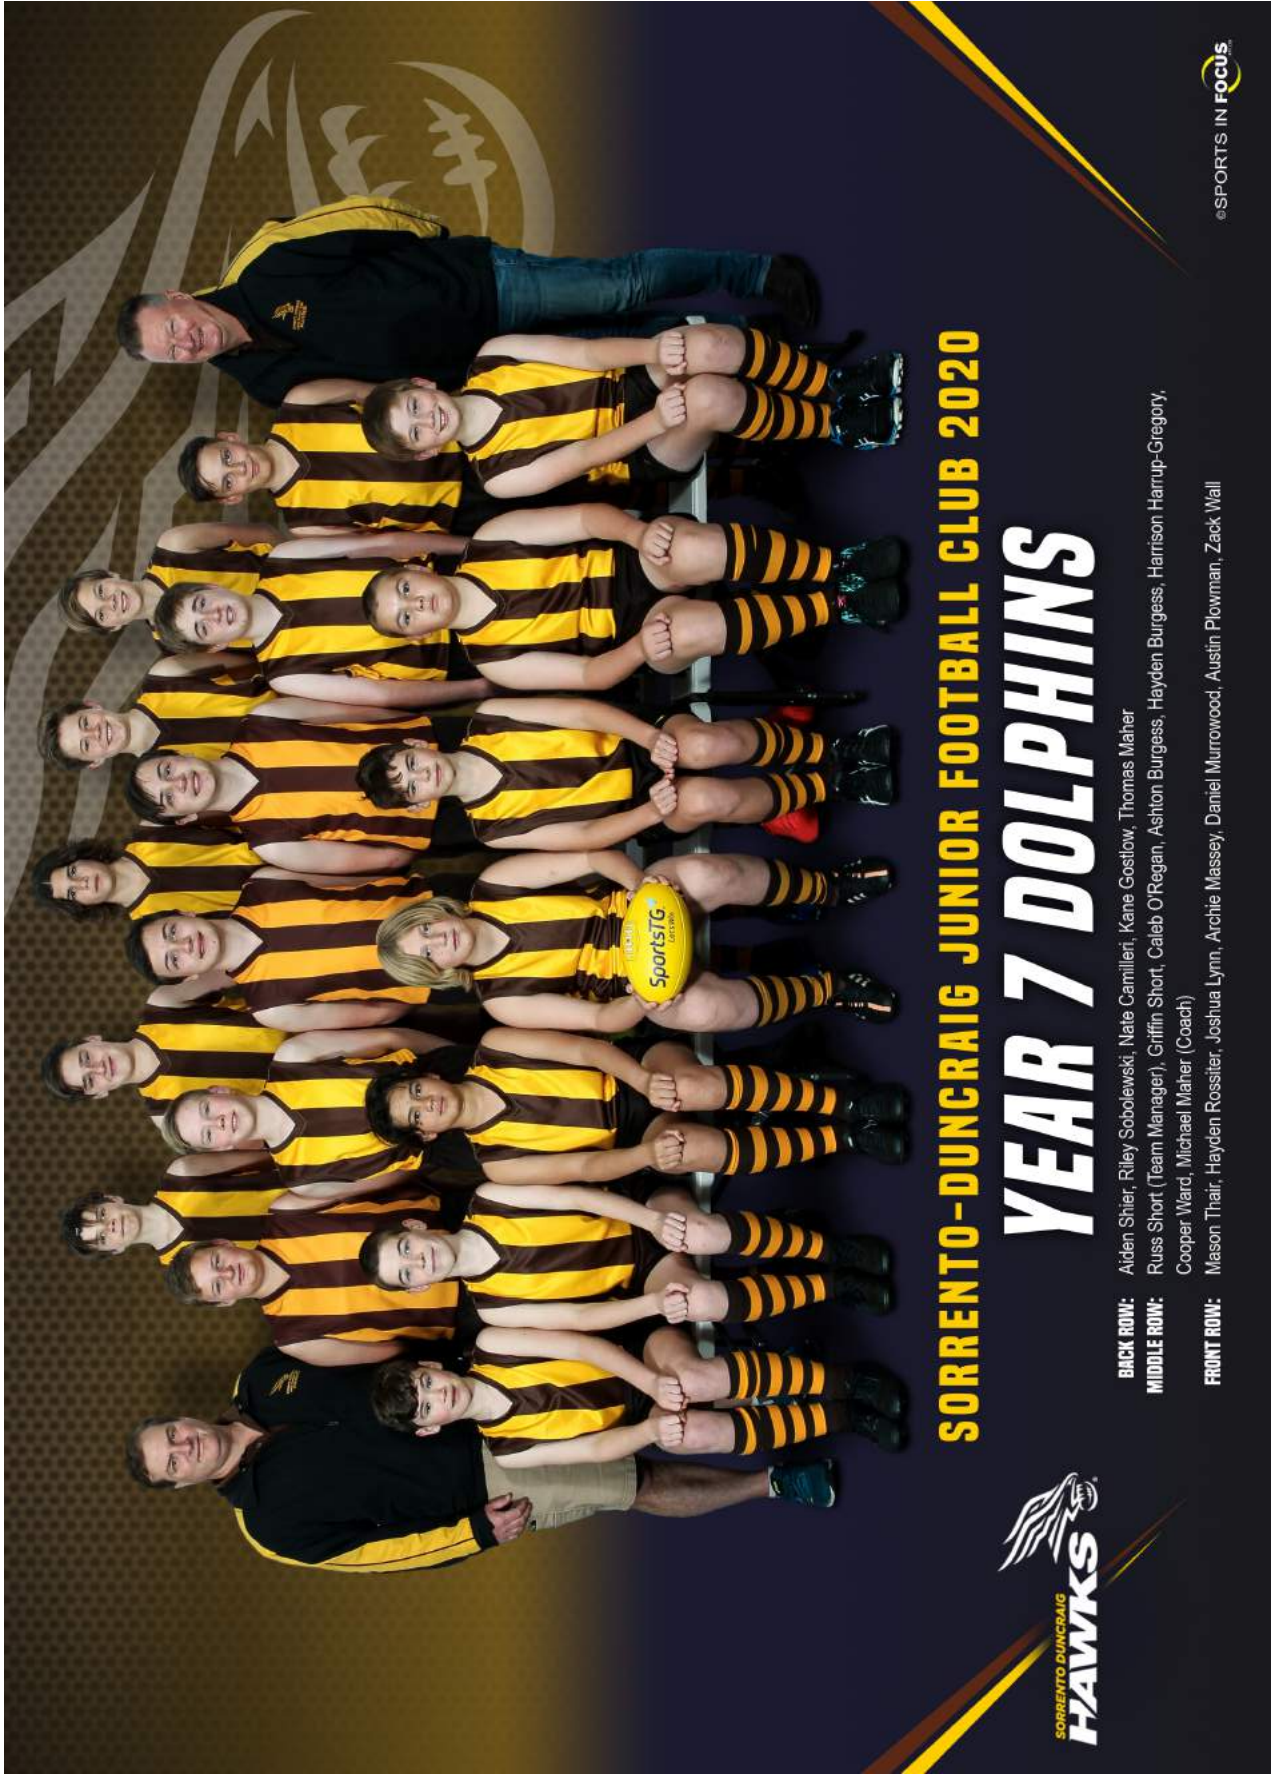

JACK RYAN - The way Jack trained this year transferred to game day. He is well liked by the team and by the end of the season majority of his games were outstanding. Great achievement.

OLIVER WILKINSON - Another of our speed stars. Olly has great skills and passion for the game. He reads the play really well and often finds himself free to take the game on. Great work.

JETT WILSON - Takes a great mark and has a strong kick. Jett likes to create space for himself and then has time to set up his team mates. Another player starting to enjoy the contest. Well done.

PETER YOUNG -Fairest and Best - What another outstanding year from Pete. Leads the way from the front on the training track and on game day. Great skills, reads the play well and a great team mate. Well done.

Boys you are a pleasure to coach. Matthew Host - Coach

Year 7 DOLPHINS

I'm extremely proud of the boys' efforts this year. Covid interrupted our preseason preparation but that didn't stop the boys endeavour or love for the game. They were competitive in every game and despite some low score lines they kept their heads high and fought out every game until the end. As coaches and parents, we couldn't have asked for more.

The boys' fitness, skills and game awareness improved every week as they became more comfortable with the bigger grounds. As the season progressed, we could all see the change as they started to share the ball and bring their team mates into the game. They played some impressive footy during the latter part of the season which demonstrated their potential to be a great football team in years to come.

Congratulations to our award winners and thanks to all the coaching team and parents for their help throughout the season. Special thanks to Russ our Team Manager, Marsy for coaching earlier in the season, Dan our Medic and Phil for managing rotations.

Stay fit over summer boys and I look forward to seeing you return next year in what we all hope will be an uninterrupted full length footy season.

Cheers

Steve

Year 7/8 GIRLS HAWKS

I could not be prouder of the players that put on a Hawks guernsey in 2020. After losing a few players to other commitments at the beginning of the season, the players kept their heads up and fought tirelessly against strong opposition each week. As the season unfolded, the Hawks welcomed a number of new players which added excitement and a renewed energy to the team. As all players went from strength to strength and started to develop a greater understanding of the game, spectators were treated to some terrific football.

Our team manager, Leah Wright, did an awesome job and is credited with keeping us all on our toes. The girls are very fortunate to have had great encouragement from a wonderful parent group (as well as siblings and grandparents) who were always happy to put their hands up to help out in a variety of roles. Thank you to all involved.

Asha Mollett – A highly skilled player who knows where to find the ball at both ends of the ground. She consistently puts the opposition under pressure with her run and carry.

Bree Wright – Continued to improve all aspects of her footy in 2020. Uses her body well and sets a great example to her teammates through hard work, poise and determination in every contest.

Carla Webb – Shows class every game with her speed and great footwork on either side of the body. At her best when she attacks the ball at speed and clears the ball for her team.

Charlotte Dwyer – Another fantastic addition to the team in 2020 who trains and plays with great enthusiasm. She is quickly developing her skills and always works tirelessly to support her teammates.

Ella Andrew - Is a tenacious player who has rapidly developed an understanding of the game. She reads the play well, attacks the ball hard and moves the ball effectively out of congestion.

Gemma Kempton – Had an instant impact after being welcomed back into the team late in the season. She is a highly versatile player, who rarely makes a mistake and can be positioned anywhere.

Imarni Davey – A wonderful improver in many aspects of the game in 2020. She laid some brilliant tackles, often against much bigger opponents, and toiled hard up forward for some well-deserved goals.

Indi Bueddemann – Shows great enthusiasm for the contest and consistently puts the opposition under pressure. A tough and highly capable player in any position.

Issy Johnston – Continues to improve her skills and attack at the football each week. She has the ability to chase and tackle, keeping pressure on the opposition and creating opportunities for her teammates.

Jessica Morrissey – After joining the team at the half way point of the season, she quickly established herself as courageous competitor. Very coachable player who has developed good skills in a short period.

Jessica Skinner – Displayed speed, strength and skills that consistently put the opposition players under pressure. She plays strongly in any position and supports her teammates at every contest.

Mollie Wilson - Uses her strength, speed and agility to bust through packs and evade opposition tackles. An exciting player to watch, she creates many forward thrusts for the team each week.

Olivia Ferguson – Performed strongly all season, contesting the hard ball at ground level and in the air. She creates many attacking opportunities and at her best she is rarely beaten.

Pippa Williams – Her strength and tenacity were a welcome addition to the team this season. Pippa consistently put her body on the line and fought relentlessly, giving effort after effort, around the ground.

Taylah Apostoles – A great listener who has gone from strength to strength in 2020. She judges the flight of the ball well and provides a good contest in attack that opens up opportunities for goals.

Tessa Spallone – Displays great athleticism around the ground and has an uncanny ability to scoop the ball up at pace with ease. Initiates many attacking thrusts forward for her team.

It was extremely rewarding seeing such a great bunch of girls improve their football each week. I hope they continue to get a lot of enjoyment out of their footy in 2021! Go Hawks!

Year 6 SEAHAWKS

The Seahawks had a fantastic season and certainly got the most out of a unique and challenging year for everyone. We have had a stable squad for three years now - all the boys (and their parents) are to be commended for their efforts and should reflect back with pride. Thanks to everyone who helped out this year, in particular Kim, Andrea and our coaching/management team of Craig, Paul H and Paul S. It's a pleasure to work with a bunch of such great people. Looking forward to season 2021!

Isaac Bellis – New to the team this year and fitted in straight away. Showed commitment on and off the track and has the opportunity going forward to use his height and strength to advantage.

Christian Calder – works hard at his game and as a result his skills have improved markedly. Is quick, attentive, committed and disciplined. The bigger grounds in Year 7 will suit him to a tee.

Blake Carey – loves his footy and never misses training or games. Has a sharp footy brain and always provides cover in defence. Is always hard at the contest and one of our most courageous players.

Luka Dorosz – one of our best contested ball players. Never shirks the issue and is absolutely fearless. Always listens to instructions, is disciplined and has the respect of all his team mates.

Sam Hargrave – had a growth spurt this year and developed a lot more power in his kicking. His strength in the contest continues to be an asset as does his love and enthusiasm for the game.

Hamish Hill – a real pleasure to coach and a player who has great insights into the game itself. Hamish's footy is exciting to watch when he takes on the contest, breaks lines and disposes neatly.

Lucas Humphreys – has some real potential in and around the contest including with his strong tackling. Looking forward to seeing Lucas continue to develop his game and strengths in the future.

Tom Hunt – Tom has always been a talented player, but took things to another level this year and had a real breakout season. Runs hard, makes repeat efforts, marks strongly and wins plenty of the ball.

Callum Link – a spirited player who listens intently to instructions and always gives his best effort. Showed resilience to work through injury concerns and keep working on his skills.

Aimon Mastrangelo – an excellent year from a player who was a goalsneak for us several times during the season. Has core attributes including endurance and neat disposal which bode well for the future.

Daniel McDonnell – a trusted and enthusiastic player who has rarely if ever missed training or games for years. At his best shows a lot of promising signs in key posts, in the ruck and around goals.

Jayden Myles – should be justifiably proud of a terrific season. Our leading goalkicker and a Derby medallist this year, Jayden's form all over the ground never wavered from a high standard at any stage.

James Naismith – took it to another level in 2020 and a deserving Greg Teeuwissen medallist for us. Fitness, practice, determination and a refusal to be beaten in any contest were the keys to his success.

Tom Rigby – a real barometer for the team. The opposition had no answers when Tom was at his best. Commitment, determination and a great attitude complement his skills, height, pace and strength.

Noah Smith – a quiet and calm demeanour belies his determination and commitment. Has worked hard at his skills and now disposes well over long distances and can take a good mark also.

Josh Southern – few have a better work rate than Josh. Puts in extra practice and consistently delivers great output – including another Derby medal. Can run all day - will love the bigger grounds to come.

Antonio Trichilo – his drop punts improved out of sight this year and he also uses his left side frequently. An intelligent footballer who always strives to improve and can be counted on 100%.

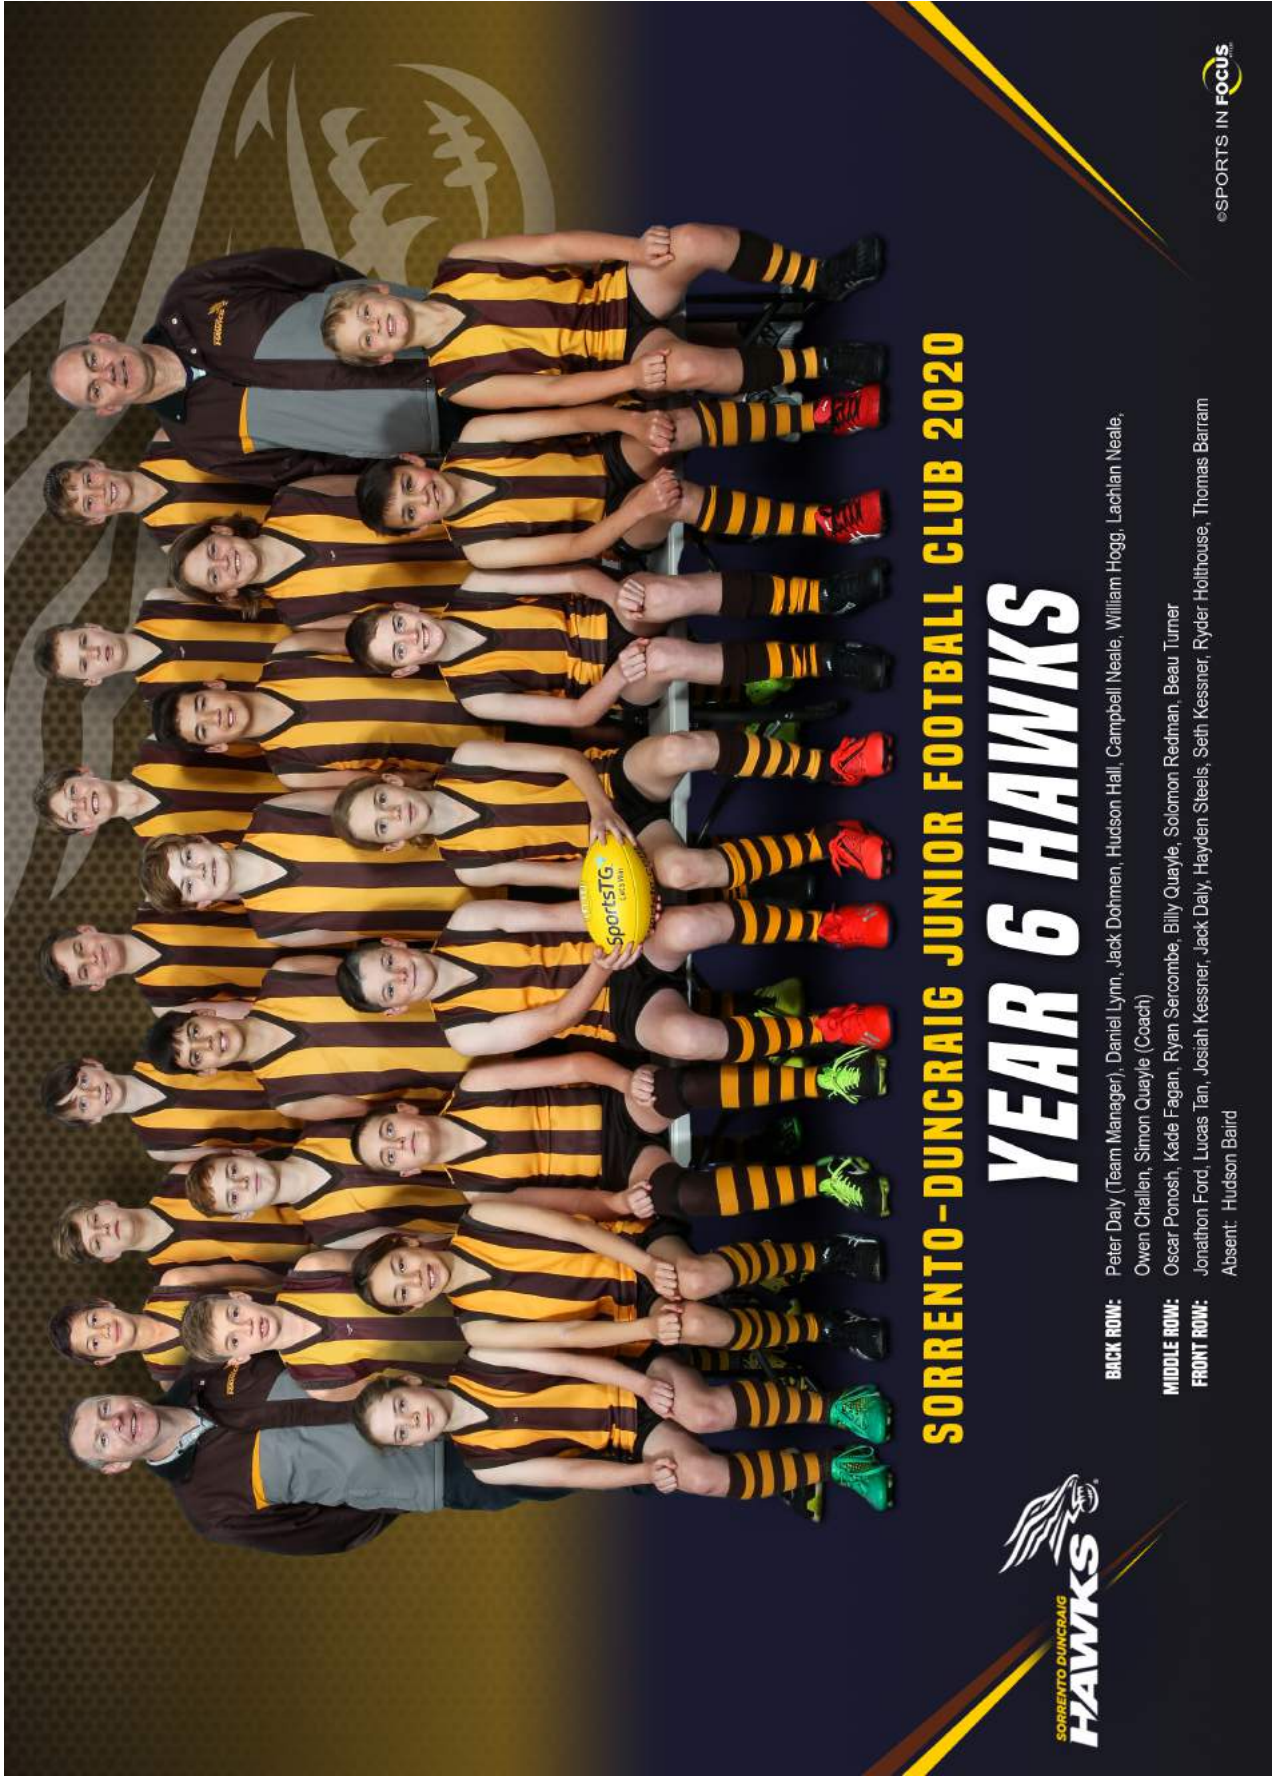

Sam Williams – had his best season to date in 2020. Certainly one of our most consistent, reliable and disciplined players who can play anywhere on the ground. Has good and valued insights into the game.

Zac Varricchio – has the best hands in the competition and in top form is unstoppable. Is naturally talented, but his practice and commitment make the difference. Rebounded impressively from injury.

Stan Zaborovskis – new to the side and football this year, but you wouldn't know it. Can already kick better than most which reflects the practice and commitment he puts in. Terrific first up effort.

Phil Zaborovskis – took Stan's lead and decided to join to team in round 4. Immediately made an impact and his progression over the season was impressive. Should be looking forward to next year.

Mark McDonnell – Coach

Year 6 GOLDHAWKS

Maxim Albrecht - Maxi had a terrific season yet again, consistently winning the ball and breaking the lines. His use of handball, vision down the ground and now integrating kicking with his left foot has seen Max develop to another level. He was all class.

Kobe Bostwick - Kobe played roles as both a tall and a small with great confidence throughout the season. He takes a strong overhead mark and is always very reliable when playing in defence. He puts the team first and is prepared to do what it takes for his teammates.

Hyte Brooks - Hyte is developing into a genuine tough nut with a strong tackle and ferocious attack on the ball. He plays a fast game and while he was a standout in defence last year, this year he set the forward line alight with fast, clean ball movement (and goals).

Lachlan Culmsee – Lachy was a new addition to the team in 2020 and provided the strong body we needed. His ruck work is a standout and it was a spectacle to see him start to realise what he can do with some powerful contested marking and breaking up packs.

Eli Doble - Eli was another new addition to the team and it was terrific to see such a strong in and under player. His quick boot to ball ability made him ideal as a goal sneak but his strength and forward thrust made him equally valuable in the backline.

Riley Hurst - Riley showed some level headed judgement and awareness of where the game was at, beyond his years. He works hard to get back in the backline and he has a good vision and understanding of where to go down the field.

Taj King - TK developed as the season moved along, getting his hands on the football when it counted. He played in the ruck with great effect and was never afraid in the contest, keeping his eye on the ball and his body front and centre.

Kobi MacDougall - We really missed Kobi after the first few rounds when he broke his wrist. His early form was scintillating, playing aggressive football and constantly bursting through packs to thrust the ball forward with a thumping kick.

Taj Martin - Taj moved to another level this year with his hard running and ability to win the contested footy. While Taj has always known where the goals are, it was his areal dominance and ability to rebound the football from defence which stood out in 2020.

Hudson Mortimore - Hudson was able to reliably fill a variety of roles. His willingness and strength to take on one of the big guys early in the season showed his courage and was a terrific example to rest of the team. Huddy is held in high regard by his teammates.

Sam Parnaby - Sam had an unlucky season in 2020, with an unfortunate bike accident and didn't manage to get up for a game. It was great to see him attend on game days when he could and show his support for the team.

Aryan Patel - Ary continued to develop in 2020 playing some brave football in tight contests. He is prepared to put his body on the line and is a good mover of the ball. Ary is reliable in all three zones, able to switch his thinking from defence to attack to midfield.

Taylan Payne - Taylan showed, mid season, he could take his game to another level. Already a good kick, tackler, mark and a genuine goal kicker, he took on a genuine leadership role and a selfless approach to contests, setting a new benchmark for the team.

Cohen Pressley – Cohen joined our team this year and quickly established himself as one of the most consistent players. His strength in the contest, to keep his feet, and not get easily pushed off the ball, saw him win a lot of the football. He rarely played a bad game.

Luke Sandwell - Luke showed his goal sense in 2020 with some terrific plays, but it was his aggression and attack on the player with the ball which gave us real impetus when moving forward. It was good to see him link the play and use his voice to show leadership.

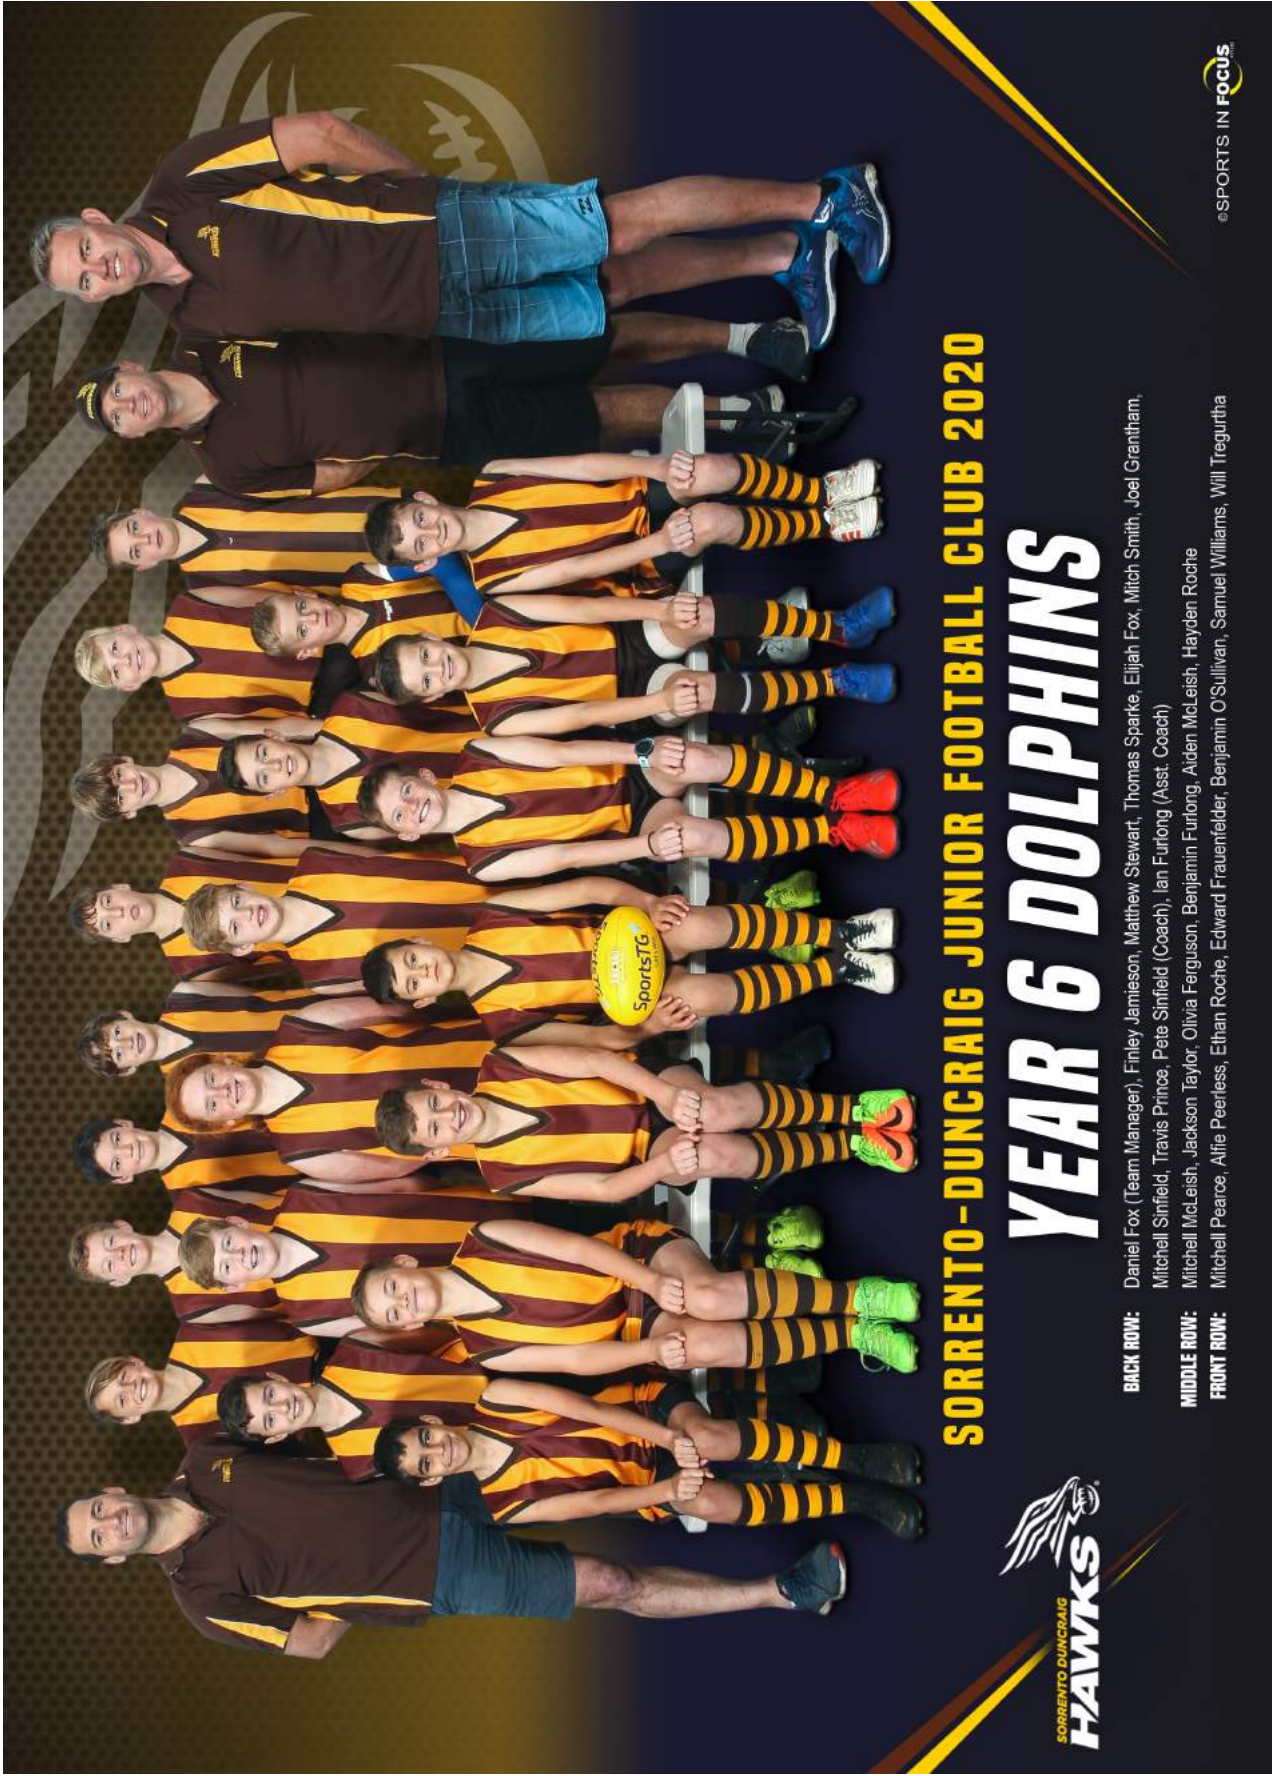

Joshua Sibly - Josh continued his form in 2020 with terrific close in play. He positions himself perfectly in contests and reads the ball well. Josh was quite often involved in some great team play sequences often ending in a goal.

Noah Skelton - It was good to see Noah grow in confidence as the season went on. He is a good sized player with a great turn of speed and when he started to realise this and use it, he was able to break tackles and turn the opposition inside out.

Indigo Stapledon - Indigo showed his speed this season, playing terrific contested football. He played very tight as a backman, not giving his opponent any space and always looking to dispose of the ball quickly to a teammate.

Mitchell Thorley - Mitch was new to the team this year and what a welcome addition he was, quickly establishing himself as genuine leader with a tenacious attack on the ball. Loves the physical contact and close checking style making him a vital player in all areas of the ground.

Charley Willison - Charley has a big thirst for footy and enjoys playing with his mates. His use of handball in tight contests was very creative and enabled us to open up the play. He started taking some strong marks and moving the ball forward, always looking for a teammate.

Year 6 DOLPHINS

Alfie really improved his kicking this year and with his mark coming along was solid in defence.

Mitchell P continues to show his silky smooth skills in glimpses. Looking for a big year next year.

Joel came back in the team this season, he had a great run and carry out of the back line and got a couple of goals when up forward.

Finley found his confidence this year and looked to take the game on with his speed. One of the hardest tacklers in the team.

Will had another solid year. Reliable kicking to teammates and always got in the right position. Was a worthy winner of the Greg Teeuwissen award.

Mitch was a big improver – started to get to the marking contests and grabbed a couple of good marks.

Ben F had another solid season. Was excellent in the ruck and gave the team a target up forward where he took so many great marks.

Elijah loved a run forward to take a mark and kick a goal. Gave the team a target when up forward.

Travis loves to be in the backline, was coerced forward every so often and kicked a couple of nice goals.

Ethan is a great all round footballer. Fearless around the contests and was a great addition to the team.

Tom is always happy to play wherever he was put. Worked hard when in the midfield and helped his teammates out with a sheppard or quick handpass.

Edward came back to football after a couple of years away from the game. With his skills improving during the season he was starting to play well.

Matt has a booming kick when kicking out from the back line and solid skills around the ground. It was great to have him back in the team

Olivia missed last season due to a collarbone injury she had a solid season. Has a booming kick to her solid ruck work. Had a breakout season.

Mitchell S had a slow start to the season, but when he got his confidence back he started to show his strong marking in a contest and played well on the half back line.

Jackson contributed to have a good season in the ruck often against taller opponents. Took some nice marks when playing up forward or at fullback.

Ben O is always impressive to watch, with his ability to run all day and no fear in a contest he had another standout season.

Sammy always gives his all and was willing to get in and under to get the ball out of the packs.

Mitchell M had a solid year and is one of the players that we could rely on wherever he played.

Aiden enjoyed playing up forward with a solid mark and straight kick he played well on the half forward line.

Hayden missed the first half of the season with a broken wrist. Came back like he had not missed a beat.

The Dolphins had a very slow start to the season with all the changes around Covid-19. However, the team worked very hard at training to improve. This showed in the results in the second half of the season.

Big thanks to all the parents that helped out throughout the season.

Year 5 WHITEHAWKS

The season that none of us will forget, but at least we had one. The boys were frothing to get back out on the track, and we had a fun season.

I saw some huge improvement, some individual brilliance and plenty of examples of teamwork and mateship. Also a huge thanks to Belly and Dave, I enjoyed doing it with you blokes.

Just for something different here's a poem to analyse our season:

Year two for Malachi went well,
coaching him sure is a joy.
Trains with a smile, loves a team win,
footy is fun for this boy.

Thomas likes to play in and under,
and he's good at playing his role.
Sometimes has the ball on a string,
and he loves to kick a long goal.

Taking a pack mark is not easy,
yet Andrew sure has the skill.
Flying with effortless grace,
not to mention a very strong will.

Everyone looked at the kid,
he was dodging and weaving them all.
But Brodie had seen quite enough,
tackled him "That's holding the ball".

Eli loves to burst through the packs,
and has improved when taking a mark.
You should see when he kicks on the run,
nearly boots it the length of the park.

Jett likes to kick goals and take marks,
says he's skills are wasted down back.
So, when the team needs a bit of a lift,
the coach moves him straight into attack.

Jacob fakes right and goes left,
his kick is the best in the team.
Spends most of the game in defence,
as he's also a tackling machine.

Jaden has a bag full of tricks,
turns everyone inside and out.
When he kicks his third for the quarter,
his dad is the loudest to shout.

Ryan started the year in the backline,
the coach gave him a challenge to meet.
Then forward he went, with a smile of course,
to use his skills so silky and sweet.

We had to monitor Austin this season,
an injury slowed this fella down.
But near the end we were given the ok,
and he tore it up, all over the ground.

Fred was new to the team,
he kicked a nice goal when in attack.
But so strong was he at taking a mark,
that he slotted in nice at half back.

Now Borgys last game was his best,
so much ball he thought it a feast.
Had plenty of kicks all over the ground,
and tackled like he was a beast.

And Ballsy moves nice round the ground,
he plays strong when in the ruck.
He cares for his mates and sure has their back,
the opposition can give him no muck.

Byron slotted in like a charm,
feels like he's been with us for years.
Ruck tapping was what he did best,
and his pack mark left others in tears.

Now Chaz has improved each year,
with the ball he is slick and he's cool.
You know when you've been tackled by this bloke,
That's why he is nicknamed "The Bull".

Daniel Shadbolt
Coach

Aden plays solid and hard,
can kick a goal from most anywhere.
If the ball needs to be won,
opposition players must be aware.

Everybody was cold and soaked through,
no-one could handle the ball.
Owen stepped up in this game,
he seemed an extra three inches tall.

Angus came back to the team,
boy did we miss this lad.
Played strong at centre half forward,
a wonderful season he had.

So, the 2020 season is done,
it went in the blink of an eye.
Make the most of each game you play,
and on that note, I'll now say goodbye.

Year 5 SEAHAWKS

Well done team Seahawks on a great effort in what was an interrupted and long season to say the least. Although result-wise we were a bit spasmodic, this can be easily rectified with an emphasis on team commitment, additional hard work and our love of the game. A huge thanks to team manager Amy who organised the team (and Coach) each week with minimum fuss. Assistant coach Brian was a great sounding board and reliable sidekick. To all the parents who assisted on game day, it is greatly appreciated and we are extremely fortunate to have so many willing volunteers in our team. We have a great team spirit in the Seahawks which has developed over the years and it truly is a pleasure to coach them.

- #1 Sarah Richards – Holds her own all over the ground, fighting hard to win the ball and never shirking a contest. A smart footballer who can find her own footy.
- #2 Gabriel Millington – Started to find his confidence on the field holding his feet in the contest and tackling the opposition. Keeps his head over the footy and tackles hard.
- #3 Luke Style – Developed into a solid and reliable defender who followed his opponent all over the field. Tackled hard, gets right into the action and loves the physical contest.
- #4 Hudson Allsworth – A ball winning midfielder who kept his feet in the contest, breaking away from the pack and gets the ball moving forward. Great skills both sides of the body.
- #5 Lachlan O'Connor – A committed team player who has the uncanny knack of stopping goals on the goal line and then snapping them through at the other end. A real pocket rocket.
- #6 Alexander Hamilton – A skilful footballer who can cover all ends of the ground and reads the play extremely well. A ball magnet who got the ball going forward.
- #7 Benjamin Johnston – Attacked the footy really hard and was clean at ground level getting dangerous around the goals. A reliable forward who enjoyed a goal on the run.
- #8 Zac Carmignani – Ever reliable and always consistent footballer who loves the contest and is a tackling machine. Reads the play well and stops the opposition in their tracks.
- #9 Cooper Flatman – A composed footballer who always maintains his feet and can weave his way through traffic. Has great goal sense awareness and loves kicking a goal or two.
- #10 Hudson Love – A naturally gifted full forward with strong hands and knows how to kick a goal from any angle. Always puts in 100% and never gives up.
- #11 Sebastian Magorian – Has a big tank, can clear the contest and has a strong attacking element to his game. Never takes a backward step and is always attacking the contest.
- #12 Darcy White – Great team player who can cover all key positions and has developed a lethal kick to his game. A key target who can take a big mark.
- #13 Aidan Murray – Had a cracking preseason and was strong on his feet hardly ever going to ground in the contest. Always listens, is keen to learn and is a real courageous team player.
- #14 Flynn Williams – Blossomed into a competent ruckman during the year more than holding his own in the middle of the ground. Has a strong tackle which is hard to break.
- #17 Campbell Bishop – Dominated the ruck all year controlling the middle and tapping the footy to his teammates. Floated around the backline taking many an intercept mark.
- #18 Samuel O'Brien – A real terrier who is always at the bottom of the packs contesting the footy and putting his body on the line in all conditions. Attacks the football with ferocity.
- #19 Benjamin Hawkins – Covers all ends of the ground and rarely gets beaten in the contest. A strong mark and was always prepared to shepherd/block/protect his teammates.
- #20 Jake Temov – Found his calling in the backline and developed into a solid and reliable team player who reads the play extremely well. Took many an intercept mark down back and is a fierce competitor who will do whatever the team needs him to game day.

The boys were a pleasure to coach and the new team members (Noah, Jay, Lucas and Zac) were a great fit. Year 4 HAWKS

The improvements these boys have shown in the past couple of modified seasons has been something to behold and they have made us so proud of their efforts every week. Despite some challenging conditions at times this season, these young men showed how resilient they really are. While we have only had a short season, we have loved playing and can be grateful for the opportunity to play when there has been plenty of juniors around the country that haven't had the chance to play this year. Thanks to all our parent helpers and the family and friends who came to support our boys.

Simon, Chris and Leanne

Evan Buswell Evan has proven to be a very important part of our Hawks team. A consistent performer, he has developed his marking and kicking enormously over the last couple of years.

James Butcher James came along in leaps and bounds this year. He loves playing in the forward line and towards the end of the year he turned defenders inside out with his secret weapon - blistering pace!

Harry Caporn If you watched this young man play, you wouldn't have believed it was his first year of Aussie Rules. Bringing with him a powerful and bullocking style from Rugby, Harry attacked every contest fearlessly and broke the game wide open with dashing runs.

Arlie Carbone Another new face to the team, Arlie fit right in with existing school mates and new friends alike. He had some memorable moments this year with some brave marks in packs and creative plays.

Daniel Carey When Dan is on, he's really on. A passionate footballer he can turn a game with a big tackle or a crafty bit of play through a pack. Loves a goal on his sneaky left foot.

Reece Freeman Reece clearly loves footy and when he is focused on the game there is not a player that will get past him and he won't leave a pack without the ball in his hands.

Rorke Frizelle This was Rorke's first year of footy and didn't he love it! After a few quiet rounds early in the season while he was familiarising himself with the game, he really found his feet and got stuck right in. Nobody celebrated a goal quite like Rorke with his signature fist pump and finger pointing.

Aiden Geneff Aiden had a break-out season in 2020. He was always asking how he could improve his game and listened intently and put the advice into practice. In particular, Aiden made huge improvements with his speed of decision making, straight kicking and overhead marks.

Elijah Griffiths Elijah has an innate game sense. He can always be relied upon - not only to make the right decision - but to also execute it with his great skill by hand or foot.

Levi Kadak Levi is an incredibly smart footballer. He could turn defenders inside out with his creative plays and excellent skills. Later in the season, Levi also showed how far he has developed his tackling skills, rounding out his already great game.

Noah Langer Out of nowhere, Noah has turned into a tackling machine! This, paired up with his crafty skills around goals made him an incredibly valuable member of our team.

Anthony MacNamara Anthony is developing into a very smart footballer with his improvement in kicking skills and ability to read the play. He is a valued teammate.

Charlie Muir Charlie had added aerial prowess to his game breaking dashing runs. His overhead marking has improved out of site. Another great year Charlie.

Cian O'Neill Cian loves the in-close contests; especially tackling. He is developing his foot and hand skills and it's been great to see his improvements in his second season of Aussie Rules.

Alexander Parry Alex was so impressive this season. Displaying a cool and calm demeanour, he seemed to have a Scott Pendlebury-like ability to weave through packs without the opposition being able to lay a hand on him. He was a welcome addition to the team this season and a great teammate.

Jack Pearce Jack's ability to read the play and his natural speed gives him plenty of opportunity to make game breaking runs around opposing players. His overhead marking was really impressive this year and he kicks a long and straight ball.

Sol Pellicano Sol has always shown blistering speed and a desire to get the ball. This year, he added aggressive and fair tackling and showed big improvements with his kicking.

Matt Young Matt loves playing footy. He is really developing the ability to read the play and linked up well with his mates with great plays especially around the wings. Matt impacts the game with his tackling every week.

Given the challenging environment in which the season kicked off and the fact that we were a newly formed team, I was extremely impressed and thankful for all the support provided. Special acknowledgement to Jodi for talking on the crucial role of Team Manager and Dean, Mick and Damon as Assistant Coaches. Hope to see you all next year!

Year 2 LIONS

Another great year of football and a year that I know both Tim and myself had great pleasure in coaching and watching the boys improve their skills and started to develop into good footballers. Throughout the year the boys really showed the importance of good teamwork, ability to have fun and a good understanding of the game. This led to the boys each game playing more and more like a football team working together and playing for each other. Well done boys on another great season of football.

I would like to thank the parents for all their support and encouragement throughout the season. A special thanks to Lucy Christie for doing a great job as Team Manager of the Lions.

Also, would like to give a big thanks to Tim Lee who was also the coach of the Lions this year. Tim's support and assistance each week was very much appreciated and helped in making sure that the boys had a great season.

Luke Alach is a player that every week in the skill sessions showed great improvement and was always applying that during the game. A player that goes about his business quietly but really enjoyed playing with his teammates. Always tried hard and showed he can play both ends of the ground.

Alex Jewel again kept showing improving skills through out the year with some big marking performances in very congested packs. Showed strong hands and a good ability to understand and position himself to where the ball was going through out the games.

Nicholas White is a player that never stops trying all day. He showed this by finding a lot of the football and using his skills to kick and mark well. Nic is also a player that enjoys sharing the ball with his teammates and was more than happy to handpass the ball to players that were open and ready to kick the ball.

Ethan Kaay is a very quiet player that continues to listen and put in 100% effort. As the season went on so did his skill level. He showed great improvement in his marking and kicking of the football. Ethan is a great teammate that is always happy to be playing and running around with his teammates.

Isaac Parker continues to strengthen his skills around the ground. A player with a very good kick and strong mark. He also started to show some poise with the football by passing the football well to open players. A player that loves to kick goals but showed this year he also can find ways to get his teammates involved.

Charlie Witcombe is a player that always tried hard during the games and when developing his skills. With this attitude he showed a lot of improvement with his kicking and confidence in marking the ball. A great team player to have on the field and a player that never stop running.

Carter Nunis is a player that loves to kick goals and use his long kicking to his team advantage. Always consistent and puts in 100% effort each week. Very good skills shown all year and great courage when going for marks in congested packs.

Fin James is a very quiet player that continuously showed great improvement in his skill level and really started to develop more and more confident with each game he played. Showed a real love for the game and always tried hard in the skill sessions.

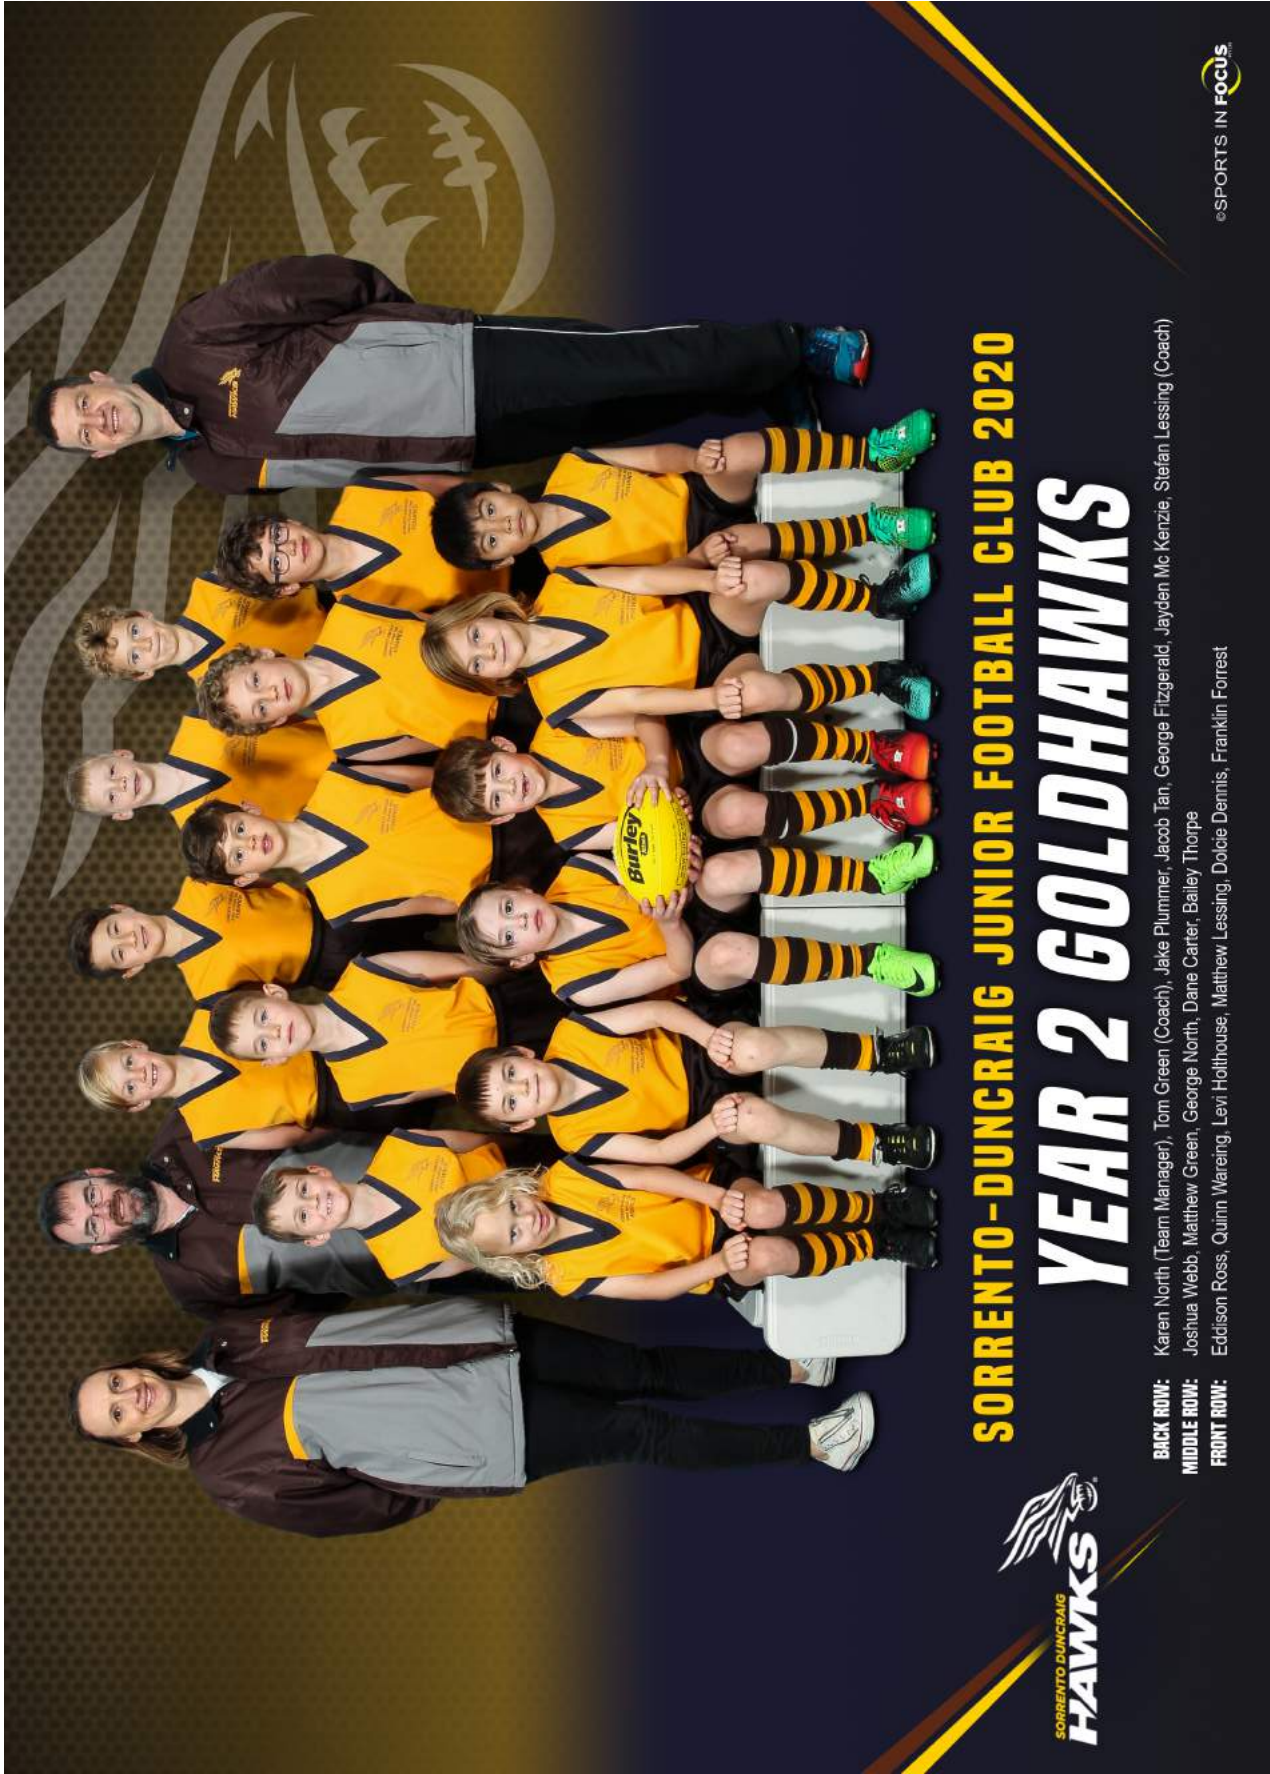

Callum Hearn is a player that continuously kept trying each week and is a very hard worker that never gives up. He had showed great improvement in his skills each week and started to get more and more confident in each game he played.

Elijah Lee is a player that showed a lot of speed and great run through the middle of the ground. A player that plays well above his height with some great marking and good kicking. Elisha was always happy to get in the middle of everything to make sure that his team was getting every chance to kick goals.

Alexander Shea is another player that loves a shot at goal but had shown this year a great understanding of running into space and finding is teammates with his long kicking. A player that is starting to show a good understanding of the game and continues to improve his skills each year.

Nima Sadeghi is another player that kept on improving every week during the skills season. Through the back half of the year he started to show great determination and ability to smother the opposition kicks and great defence to prevent them getting the ball. Always great to see this part of skills shown by the players.

A great year for the Giants. The team is an absolute pleasure to coach, and it was great not only to witness the skills development, but also to see everyone playing for each other - passing regularly and playing as a team rather than a group of individuals. Preprimary SAINTS

While it may have been quiet at Optus Stadium this year, the same can't be said for the ovals hosting the PP Saints. The Saints presented with great energy and enthusiasm from the very first Auskick session.

The PP Saints had a confident approach to the activities and it was great to see the parents encouraging participation and teaching the kids general ball skills. A highlight for the group at the start of each session was the invisible rope round up to get the kids tight as a team for the run. There were plenty of laughs and certainly brought a bit of hype to the morning. The warm up always involved some team star jumps where we worked hard to get our timing right as a team and get our listening ears ready. The PP Saints well and truly embraced the 'Footy Knee'. While most of the activities involved plenty of noise, there were a few where you could hear a pin drop as the concentration was maxxed out, while attempting to control the ball through the legs and around the back.

As coach of the Saints, I was lucky enough to hear the stories of how far they could kick, how many goals they were planning to kick and what AFL team they had selected to play for. As the year went on, both confidence and skills grew. I was very impressed with how our sharing culture grew through the year. There were some good signs of handball passages and looking to pass to their friends. By the end of the season it was great to see the kids bringing each other into the activities or sharing the ball. There were some cracking goals followed by some epic celebrations. Even the behinds were celebrated with great passion.

It was a great first year by the PP Saints. Looking forward to the 2021 season and hoping we see all the little Auskick legends return.

SDJFC STARKICK

2020 was the inaugural Starkick season at SDJFC. We are extremely excited to be able to offer such an opportunity to the kids in our community. Starkick caters for children who by circumstance or choice are unable to join into the clubs existing Football programs. These children may need extra support or time to achieve their goals and are guided through sessions based around the new Auskick program by a team of dedicated volunteers.

Starkick aims to cater for all abilities and runs by a simple mantra – “If you want to play we will find a way”.

We welcomed five little legends to our club and these kids had heaps of fun and improved so much. I’m so proud of the kids for how they’ve attacked the season with enthusiasm! Thank you to the parents for your enthusiasm and help. Thanks also to my son Riley who assisted me every week.

We would love to grow the program next year as we think it’s something special so if you know anyone who would like to be involved, please invite them to get in touch with us.

Team Report:

- Orlando Grubisa - a Super Boot with loads of enthusiasm. He is always asking after his Starkick mates which shows what a great teammate he is.
- Marco Smuts - I love Marco’s style. I always look forward to seeing his outfit every week. He has a booming handball and it is great to see his celebrations when he achieves.
- Bradley Warren - definitely the most improved. He started off shy but has really come out of his shell. We are so proud of him for teaching himself how to kick in his backyard. This shows real persistence.
- Ruben Nerva - what a marvellous marker. He has pushed himself and whenever he does, he surprises himself because he’s really very good.
- Grace Nerva - she has great skills and is wonderfully enthusiastic, always telling me how much fun she’s having.
