

Monthly Letter April 2023

Münster, 29.03.2023

Dear parents and guardians of Hermann School,

Spring is finally here and the Easter holidays are just around the corner. Today, as usual, you will find all the important dates and information about the Hermann School:

Last March, some pupils of the 3rd and 4th year took part in the competition "Kangaroo of Mathematics". Now we are eagerly awaiting the results.

The school council and the school conference met on Thursday, 23.03.2023.

On Friday, 24.03.2023, the Hermann School was once again involved in environmental protection. During the course of the morning, all pupils cleared our immediate neighbourhood of rubbish and, equipped with tongs, gloves and rubbish bags, removed a lot of rubbish. All the children were highly motivated and participated very actively.

The 2nd parent-teacher conferences for years 1-3 also took place.

And now the upcoming dates for the month of April:

There will be Easter holidays from 03.04.2023 - 14.04.2023, the first day of school is Monday 17.04.2023, lessons start at 8:00 am.

And now the upcoming dates for the month of April:

On Wednesday, 19.04.2023, a visit to the St. Joseph library is on the morning programme for our first-year classes. At 9:00 a.m., the moles will start with the one-hour appointment. Afterwards, our foxes will go to the library from 10:00 - 11:00 and finally our owls from 11:00 - 12:00 and can browse, browse and inform themselves about the conditions in the St. Joseph library. We hope they have a lot of fun.

On Monday, 24.04.2023 and Thursday, 27.04.2023 the 3rd and 4th year will be trained in "dental prophylaxis" by our cooperation partner WWU Münster. At various stations, content on the subject of dental health will be set up, at which the children will acquire knowledge independently and under the supervision of a dentist as well as students of 9th semester dentistry. The children from class 3a will start on Monday, 24.04.2023 in the first two hours.
