Our stocks seem to have underperformed last month. It happens.

Outlook

As of today we own two fewer companies than we did at the beginning of July. I'm pretty happy with what we own and, with cash of 15%, we can add more on weak days. AUM is +/- \$130m.

We don't like to discuss stocks publicly but I am always happy to talk to existing investors and those interested in investing. The Pangolin Asia Fund is most suitable for investors who are happiest when markets are falling.
