## [Event] “Career after Studying in Japan” Webinar

We are proud to announce that “Career after Studying in Japan” Webinar will be held on 18th December. Here we will invite three ex-international students to Japan to explain their own experiences especially on job opportunities after studying in Japan. One of the panelists is a Nigerian who is working in an IT venture in Japan and join this event from Japan. Another one is a Kenyan who returned to home country to work for a Japanese entity. The last one is a Zambian who studied in Japan and is now a lecturer at the University of Zambia. We believe that those variety of role models can show you wide range of possible career paths in your future. This is why we will hold this webinar toward those who hope to study abroad, especially from Sub-Saharan Africa to Japan. We expect more young generation, even secondary school students, to take part in it.

1. Date: Saturday, 18th December
2. Time:  
4pm-5pm(EAT)/3pm-4pm(CAT)/2pm-3pm(WAT)/1pm-2pm(GMT)/10pm-11pm(JST)
3. Method: Online Webinar
4. Application: Visit our [application form](#)

## **[Bachelor Course Intro.] Ritumeikan Asia Pacific University (APU)**

### 1. Course name | Degree title

College of International Management (APM) | Bachelor of Business Administration (BBA)

### 2. Deadline of application period

for September 2022 enrollment March 23, 2022 (Wed)

### 3. Course details

APM prepares you to join the next generation of international business leaders by nurturing your global perspectives and practical problem-solving skills. Lectures are designed to give you a broad understanding of global economies, societies, and cultures, as well as in-depth knowledge and the skills pertaining to business administration.

Areas of study include:

- Innovation and Economics
- Marketing
- Strategic Management and Organization
- Accounting and Finance

As a student in APM, you will begin your studies tackling concepts of corporate strategy and core management, then branch out into your specialized field of interest.

APM is accredited by the Association to Advance Collegiate Schools of Business (AACSB International), which is widely regarded as the highest level of accreditation for business schools worldwide.
