Carnival / Rose Monday

15.02.2022

Dear parents and guardians of Hermann School,

on **Friday, 25.02.2022** the **carnival day** will take place at Hermann School. Within the college we have decided that during the first two hours the "normal" lessons will take place.

The reason for this decision is that especially our 3rd graders did not get enough swimming lessons in the last weeks, because the swimming pool in Wolbeck had to be renovated.

We would like our third graders to be able to participate in swimming lessons.

All other classes/learning groups have "lessons according to plan"...tuned into the 3rd and 4th lesson in carnival-like anticipation.

Beginning in the third hour, all classes / learning groups will then celebrate Carnival properly; at least to the extent that it can be facilitated under pandemic times.

We look forward to a variety of costumes, good cheer, and a great carnival morning at school.

Please note the following:

- We are looking forward to colorful Indians and lots of cowboys, but **weapons** of all kinds please stay **AT HOME**.
- We kindly ask that your children **do not wear make-up on their faces**, as the children must continue to wear their masks during the carnival celebration.
- Please **do not** bring **spray cans** (e.g. for hair or similar) to school
- Please **do not** bring **confetti** to school
- Your child may, of course, bring candy in a variety of forms to school that day.

- Please make sure that you, as parents/guardians, give your child his/her **own box** of filled treats to bring to school. There can and must not be any swapping among each other.
- It is also important that you give your child **enough water** to drink at school.

ROSENMONTAG - movable vacation - HOLIDAY FROM SCHOOL

Rose Monday, Feb. 28, 2022, is a floating vacation and therefore all students will be free from school on that day. Therefore, there will be no lollipop test.

Due to our school's own rhythm, the next lollipop test for all Hermann School students will not take place until Wednesday, 02.03.2022.

If you have the opportunity, please test your children on **Monday, 02/28/2022 (Shrove Monday) at an official testing site so that your child returns to school on Tuesday, 03/01/2022 with a negative rapid test.** Please give your child the negative test result to take to school!

If you do not take advantage of this opportunity, all children of Hermann School will be tested on said Tuesday, by us at school.

We look forward to a great carnival season with your children.

If you have any further questions, please feel free to contact us at any time.

With best regards from the school,

Judith Lüttikhuis
- principal-
