

FOR YOU. FOR ME. FOR FUTURE GENERATIONS.

Sustainability is one of the main topics of today's society and Flexfit takes it seriously. That's why there are many new styles made from organic cotton and materials like recycled polyester. So every piece of recycled material we use to produce our items is a step in the right direction: a cleaner environment. We are proud to offer this range of sustainable items and will continue to expand the range in the future.

ECO WASHING FLEXFIT NOTOP TENNIS HAT

Thanks to a new design this classic bucket hat shows a smart transformation: the top has been divided into six panels that are kept in shape by a circumferential band. This takes away the typical, somewhat angular shape and makes the bucket hat rounder. Furthermore, the flat brim is packed with denser than regular decorative seams that rounds off the new design. Matching it is the single-colored look with fine ablutions. The bucket hat is a one size fits all and consists of skin-pleasing cotton that has been infused with a little spandex percentage to offer an optimum fit.
