Certificate of Analysis Natural hemp flavouring preparation

Summary of most relevant values		
Product		HSO All natural 5% CBD
Hemp	Origin	EU certified industrial hemp
Cannabinoids	CBD	5.49 % w/w
	THC	<0.2 % w/w
Heavy metals	Cadmium	Within legal EU limits
	Lead	Within legal EU limits
	Mercury	Within legal EU limits
Microbiology	Aflatoxin total	Within legal EU limits
Impurities	Pesticide residues	Within legal EU limits
	Dioxins	Within legal EU limits
	Sum PAH4	Within legal EU limits
	Solvent residues	Within legal EU limits
Statements	Does not contain allergens	
	Free from animal materials or ingredients	
	Not exposed to radiation according to Directive 1999/2/EC	
	Manufactured without using nanotechnological methods according to Regulation (EU) No 1169/2011	
	Does not contain GMO ingredients that are subject to mandatory labelling under Regulations (EU) No 1829/2003 and (EU) No 1830/2003	
Best before	Date	April 2023

Batch code formulation: 21.300405.004

Lot code: 21.155007.002

I hereby confirm that all laboratory results have been checked and that they comply with the product specification and relevant EU regulations. Relevant cannabinoids and contaminants analyses are performed by ISO 17025 accredited laboratories. Contaminants are periodically analysed for this product. More information is available upon request.
