Ethereality 2019 – Mixed media installation - 12x5 meters - at Bonnefantenmuseum Maastricht NL

Styrofoam, fabric, wool, daily objects, video projection, paper, glitters, stones, sand, feathers

This installation was created during Morena's residence period at the Jan van Eyck Academy in Maastricht and is now exhibited at the Maastricht Bonnefantenmuseum until April 2020. Video projections of a spiritual quest to Switzerland merge together with a rich and fragile landscape of daily and transmuted materials.
